Give your daughters a thorough education. Teach them to prepare a nourishing diet. Teach them to wash, to iron, to darn stockings, to sew on buttous, to make their own dresses. Teach then to bake bread, lem, Oregon and that a good kitchen lessens the apothecary's account. Teach them that one dollar is a hundred cents, that one only lays up money whose expenses are less than his income, and all grow poor who have to spend more than they received. Teach the n that a calleo dress paid for fi s better than a silken one unpaid for, Teach them that a full healthy face displays a greater laster than fifty consumptive beauties. Teach them to wear strong shoes. Teach them to purchase, and see that the account corresponds with the purchase. Teach them that they ruin God's images by wearing strong bodices. Teach them good comnon sense, self-trust, selfhelp and industry. Teach them that an honest mechanic in his workingdress is a better object of our esteem than a dozen haughty, fine-dressed I does. Teach them gardening and orders attended to by addressing Gardner Brothers, Salem, Oregon. if you can affort it music, painting all other arts, but consider them as see endry objects only. Teach them and Organs, if desired. that a walk is more salutary than a ride in a corriage, and that wild flowers are a worthy object of admiration. Teach them to reject with disd in all appearances, and to use Would state, in answer to many inquiries, that body yes or no in good carnest, their Branch House in Salem is a permanent institution. Teach them that happiness of matrimony depends neither on extereslap pearences nor on wealth, but on the man's character. Have you instructed Commercial College, your daughters in these principles. and have they comprehended these principles? Fearlessly allow them to marry; they will make their way through the worl .
