AN OPEN LETTER. It Speaks For Itself.

Mr. EDITOR: Having read in your paper reports of the remarkable cures of catarrh, I am induced to tell "what I know about catarrh," and I fancy the "snuff" and "inhailing-tube" makers (mere dollar grabbers) would be glad if they could emblazon a similar cure in the pa pers. For 26 years I suffered with catairh pers. For 26 years I suffered with catarrh. The masai pasaces became completely closed. "Snuff," "dust," "ashea," "inhailing-tubes," and "sticks," wouldn's work though at intervals I would nift up the so-called catarrh snuff until I became a valuable tester for such medicine. Localitation works and no one can cines. I gradually grew worse, and no one can know how much I suffered or what a miserable being I was. My head ached over my eyes so that I was confined to my bed for many successive days, suffering the most intense pain, which at one time lasted continuously for 168 hours. All sense of smell and taste gove, sight and hearing impaired, body shrunken and weak ened, nervous system shattered, and constitution broken, and I was hawking and spitting tion broken, and I was hawking and spitting seven-eights of my time. I prayed for death to relieve me of my suffering. A favorable notice in your paper of Dr. Sage's Catarrh Remedy induced me to purchase a package, and use it with Dr. Piarce's Nasal Douche, which applies the remedy by hipdrostatic pressure, the only way compatible with common sense. Well Mr. Editor, it did not cure me in these forths of a second wor in one hour or in three fouths of a second, nor in one hour or month, but in less than eight minutes I was relieved, and in three mouths entirely cured, and have remained so for over sixteen mouths. While using the Catarrh Remedy, I used Dr. Pierce's Galden Medical Discovery to purify my blood and streethen my stomach. I also kept liver active and bowels regular by the use of his Pleasent Purgative Pellets. If my experience will induce other sufferers to seek the same means of relief, this letter will have answered its purpose. Yours truly answered its purpose.
