

How an Editor can Tell.

Talking about babies, it is astonishing with what accuracy a news paper man of long experience can estimate the number of times a fellow has been made a happy father by the way he hands in a birth notice.

Natural Cannon-Balls.

"My friend, the late Capt. Hawley, brought to me from that wonder-land, the far West, a very curious stone. It is black and perfectly round, as heavy as iron, and looks exactly like a cannon-ball.

An Awful Peril.

[From the Chicago Tribune.]

Let us eat and drink, for to-morrow—that is to say, in A. D. 17,001,879—we die. The man, according to Prof. Dubois Raymond, can continue to shine only for 17,000,000 years, by which time the surface of the earth will have been gradually covered by glaciers, and nothing will survive of this generation save a few circus jokes and Susan B. Anthony.

Five or six residences are in course of construction at Corvallis.

A Chinese leper, who for some time had teamed about the country in the vicinity of Jacksonville, died last week.

On the 14th inst. the steamer Ancon, outward bound, took on 4900 cases of salmon and 438 hides and pelts at Astoria.

Three trappers sold a lot of peltries of nineteen varieties at Albany last week for \$1015. They were taken in the Cascades.

Al Herron, of Salem, was kicked and tramped upon by a horse a few days ago. One of his ankles was broken and he is thought to be internally injured.

The citizens of Independence are making arrangements to celebrate the Fourth of July. It is designed to make this the grandest celebration of the new century in Polk county.

Lebanon letter: A prospecting party left Waterloo last week to inspect Donca bar, about 25 miles above there. There has been gold taken from this bar, and the lay of the country and appearance of the grit indicate large deposits.

The steamer Gen. Canby, Capt. West Whitcomb, which was the first boat to go to the steamship Great Republic on the day of the disaster, and which took off the largest number of passengers on that day, is still acting as a tender to the wrecking company. In consequence of bad weather progress of work at Sand Island has been very slow and tedious, but the company still have a large force of workmen employed, and will be saving iron and machinery for three months yet at least.

"You politicians are queer people," said an old business man to an impecunious partisan. "Why, because you trouble yourselves more about the payment of the debts of the State than you do about your own."

It is reported that a man named Koekman has invented a machine to kindle fire by clock work. The divorce lawyers ought to crucify him. That little machine will do more to keep peace in the family than all the sermons ever preached.

I think it was in September, if I rightly now remember, that I heard a knocking, knocking at my door. Yes, I know 'twas in September, for quite well I now remember, he had been there about fifty times before, had been there knocking at my door. But I opened not, nor wondered, as upon the door he thumped, for he yelled, "Say, now, will you settle this 'ere bill of mine?" as he battered on the door; and I answered calmly answered, "Nevermore!"

"Is that a friend of yours?" asked a gentleman, pointing to a party who was sailing rapidly down street. "Can't tell you till next Saturday," returned the individual addressed, "I have just lent him five dollars."

ALL THAT IS NECESSARY.—A string of paste diamonds, a thief and a scream, are all that is necessary to make a good actress nowadays.

OLD, TRIED, AND TRUE.

People are getting acquainted—and those who are not ought to be—with the wonderful merits of that great American Remedy, the

MEXICAN Mustang Liniment, FOR MAN AND BEAST.

This liniment very naturally originated in America, where Nature provides in her laboratory such surprising antidotes for the maladies of her children. Its fame has been spreading for 25 years, until now it encircles the habitable globe.

The Mexican Mustang Liniment is a matchless remedy for all external ailments of man and beast. To stock owners and farmers it is invaluable. A single bottle often saves a human life or restores the usefulness of an excellent horse, ox, cow, or sheep.

It cures footrot, hoof-rot, hollow horn, grub, screw-worm, shoulder-rot, mange, the bites and stings of poisonous reptiles and insects, and every such drawback to stock breeding and bush life.

It cures every external trouble of horses, such as lameness, scratches, swelling, sprains, fouch, wind-gall, ring-bone, etc., etc.

The Mexican Mustang Liniment is the quickest cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for rheumatism, and stiffness engendered by exposure. Particularly valuable to Miners.

It is the cheapest remedy in the world, for it penetrates the muscle to the bone, and a single application is generally sufficient to cure. Mexican Mustang Liniment is put up in three sizes of bottles, the larger ones being proportionately much the cheapest. Sold everywhere.

INCORPORATED JANUARY, 1874. WORLD'S DISPENSARY MEDICAL ASSOCIATION. BUFFALO AND LONDON. (Successors to R. V. PIERCE, M. D.) Dr. R. V. PIERCE, having acquired a world-wide reputation in the treatment of Chronic Diseases, resulting in a professional business far exceeding his individual ability to conduct, some years ago induced several medical gentlemen to associate themselves with him, as the Faculty of the World's Dispensary, the Consulting Department of which has since been merged with the INVALID HOTEL. The organization has been completed and incorporated under the name and style of the World's Dispensary Medical Association, with the following officers: Hon. R. V. PIERCE, Pres. F. D. PIERCE, V. Pres. J. B. PIERCE, Sec. LESTER R. SMITH, Treas. HENRY FRYEBAUM, AND GEORGE W. GAGAN, em- brace and skill have been chosen as the Faculty. CHRONIC DISEASES—All forms come within the province of our several specialties. LEAD DISEASES.—This division of practice is very ably managed by a gentleman of mature judgment and skill. Bronchitis, Throat, and Lung Diseases treated with the most successful results. DISEASES OF WOMEN.—Especially for the relief of a superior order for the cure of all those chronic ailments, such as Pains, Nervous Debility, Epilepsy (Fit), Chloro (St. Vitus's Dance), Neuritis, and other nervous affections, receive the attention of an expert in this specialty. NOT NECESSARY TO SEE PATIENTS.—By our original system of diagnosis, we can treat many chronic diseases as successfully without as with a personal consultation. For particulars see "People's Common Sense Medical Adviser" (1,000 pages, sent post-paid for \$1.50) or "Invalids' and Tourists' Guide Book" (500 pages, sent post-paid for 50 cents). SURGICAL CASES.—Among the operations which we are called upon most frequently to perform, are those for Nasal Polypus, Harelip, Tumors, Fistula in Ano, Piles, Hemorrhoids, Hydrocele (Tropay scrotum), Varicocele, Hernia and Uterine Tumors, Calculi (Stone in the Bladder), Stricture, etc., etc. We also treat all cases of Club-foot, Spinal Curvature, and other deformities. (See pamphlet entitled "Medicine as a Curative Agent" sent on receipt of 10 cents.) Address, World's Dispensary Medical Association, BUFFALO, N. Y.

By an immense practice at the World's Dispensary and Invalids' Hotel, having treated many thousands of cases of those diseases peculiar to women, I have been enabled to give the most potent and positive remedy for these diseases. To designate this natural specific, I have named it Dr. Pierce's Favorite Prescription. The term, however, is but a feeble expression of my high appreciation of its value, based upon personal observation. I have while witnessing its positive results in the hands of the most eminent physicians of my profession, and as a physician, and as a confident that it will not disappoint the most sanguine expectations of a virtuous and healthy woman, I offer it to the afflicted as a "cure-all" for all the ailments for which I recommend it. Do not expect it to do more than I have said. For conditions, see pamphlet wrapping bottle. The following are among those diseases in which my Favorite Prescription will work a cure, as if by magic, and with a certainty never before attained by any medicine: Leucorrhoea, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prostrations, or Falling of the Uterus, Nervous Debility, and Retention, Bearing-down Sensations, Internal Heat, Nervous Depression, Debility, Dependancy, Throbbing Migraines, Chronic Constipation, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, and all other ailments of the female system. It does not excite the system, but it admirably fills a stagnation of purpose, being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it harm, in any state or condition. Those who desire further information on these subjects can obtain it in THE PEOPLE'S COMMON SENSE MEDICAL ADVISER, a book of over 1,000 pages, sent post-paid, on receipt of \$1.50. It treats minutely of those diseases peculiar to Females, and gives much valuable advice in regard to the management of these affections. Specific Prescriptions sold by Druggists. R. V. PIERCE, M. D., Prop'r, World's Dispensary and Invalids' Hotel, Buffalo, N. Y.
