There is a possibility that the post office at Dilley will be discontinued. We confidently hope that you will Why this is expected arises from the assist us personally, and do what you fact that the present post master inan to secure the assistance of others | tends to resigning and none desire to take office.

> Clement Sarraillet, who owns a vin-yard in the upper part of Jacksonville, has gone crazy. He first began cating dirt most voraciously, and then went tearing through the country, swearing he was possessed by a fiend. He has been arrested.

The Cornelius Courant furnishes will be repaid. Very respectfully, this: George Neairpass, who has P. SCHULZE, been cutting wood for Dr. Bailey, one day last week, the sparks from bor.

The Jacksonville Times says: An in Southern Oregon, an old pioneer, ewe belonging to A. C. Howlett, of for the quartz mill.

"Why, three, of course; but of all

His pencil was rapidly at work. At last, londly clasping her slender

waist: "Now my darling, I've got it, and if you wish to know how much has passed through that adorable little mouth in the last seventeen years, I

can give you the exact figures." "Godness ! Gracious ! What can

you mean?" "Now, just listen," says he, "and you will hear exactly what you have been oblige I to absorb to maintain those charms which are to make the

"But I don't want to hear."

"Ab, you are surprised, no doubt, but statistics are wonderful things: Just listen: You are seventeen years old, so that in fifteen years you have absorbed oxen or calves, 2; sheep and size of the heads Don't be afraid to head, drive her horn entirely through lambs, 14; ch'ckens, 857; bucks, 204; geese, 12; turkeys, 100; game of various kinds, 824; fishes, 160; eggs, 3,124; vegetables (bunches), 700; fruit (baskets), 603; cheese, 102; bread,

At this the maiden revolted, and

jumping up, exclaimed: "I think you are very impertinent, and disgusting besides, and I will not stay to liston to you!" upon which she flew into the house,

He gazed after her with an abstracted air, and left, saying to himself:

'It she kept, talking at that rate twelve hours out of twenty four, her jaws would in twenty years travel s distance of 1,332,124 miles."

The maiden, within two months, married a well-to do grocer who was no statistician.

Don Byland, who disappeared very been cutting wood for Dr. Bailey, suddenly from Scio, charged with im-near Hillsboro, set fire to an old log proper conduct with female students, writes from Weston that he is inno-

> The Monumental mine saw mill is working night and day, and grading there is going ou rapidly-preparing

Big Butte, recently gave birth to a Mrs. Griswold, whose husband pair of lambs joined together at the works in the Brownsville Woolen,
