Mr. Baker, of the Astor House, wishes it distinctly understood that no advance in the price for board by the week or by meals has been made. Prof. J. W. Johnson has returned from the mountains much improved in health. The professor has been in the mountains very near three months.

Mr. G. Bettman and wife was the recipient of a serenade by the Eugene Brass Band last Monday evening. Mr. Bettman entertained the boys right royally. Preaching at the M. E. Mr. Yarnell of Mohawk killed a large bear last Thursday which weighed over 200 lbs. Messrs Humphrey and McClanahan purchased his brushship and shipped him to Portland on venture. On Thursday, September 4th County Judge Craig, of Union county, appointed Woodson Slater, James Nevill and Bettie Shaw to free scholarships in the State University at this place.

Mr. G. B. Dorris requests all who are indebted to Mr. J. W. Cleaver, by note or book account, to call and settle with him, as he is the attorney for the collection of such claims. See notice. Business men should not forget that blank notes, bill-heads, statements, letter-heads, and every description of commercial printing are neatly and promptly executed at the GUARD office.

The following persons from Marion county have passed an examination before the county Superintendent to attend the State University at Eugene: A. Coolidge, Charles Gray, A. McClain, Wallace Mount, Charles Clarke, Bert Collier, Stephen Chadwick, Harvey Baker and Whitney Boise. See advertisement of Dr. Henly's Oregon Kidney Tea in another column. This is an Oregon production, and should be encouraged by all who are in need of such a medicine. The house of Hodge, Davis & Co., its sole agent, is enough to guarantee its good qualities. For sale by all druggists.

A drunken brawl on Willamette street last Monday caused some excitement. After everyone witnessing the affair had become thoroughly disgusted with the scene an officer appeared and arrested one of the delinquents. The recorder mulcted the offender to the amount of \$25 and costs. Remember that the St. Charles Hotel is the only first class hotel in the city. Meals served in first-class style for 25 cents, also lodging for 25 or 30 cents, according to the room occupied. Board and lodging per week \$5 to \$7. Satisfaction guaranteed. Give us a call.

Surprise Party.—A surprise party was given to Miss Mattie Charles, niece of Mrs. J. B. Underwood, prior to her departure for her home in San Francisco, last Tuesday evening. Miss Charles left for her home in the Golden State last Wednesday. Five Peaches.—Mr. I. E. Stevens, a warm friend of the GUARD, left at this office last Tuesday a box of the finest and most delicious peaches we have ever seen in Oregon. Thanks. ENLARGED.—The Junction Republican comes to us this week enlarged to an eight column paper, with "patent inwards." Success Bros. Parker & Porter in everything but your confidential politics.

To Trade.—We have a first-class No. 9 Wilson sewing machine, which we will trade for wool. For particulars inquire at GUARD office.

Irving Items.

A correspondent at Irving, under the date of Sep. 11th, sends us the following items: Clear and cold. Eek out for Jack frost. Burn your pumpkin vines.

The murky clouds have once more dispersed and the farmers are all earnestly engaged in making hay while the sun shines. The principal part of the grain in this vicinity will be threshed this week, if we have good weather.

The warehouses at this place will be ready for business in a few days. The machinery is all out ready, waiting for the engine, which is expected every day.

I think this year will recall to the pioneers of Oregon the times they had to encounter with when they came here long ago. They all lived through and raised families, and why not you and I. Never get scared before you are hurt.

The threshing machine, owned by Yates & Montgomery, got very anxious to thresh yesterday and could not get any straw, so it concluded to try a pitchfork, and the consequences were the lower jaw bone was broken and several teeth knocked out, but it got away with the fork in good shape. But what one man's loss is another's gain, so the blacksmith made a few "bits," by setting things right.

ENTERTAINMENT.—The Primary and Intermediate departments of the public school will give an entertainment at Lane's Hall on next Friday evening the 19th. Among the new features that will be introduced are the "Bird cages," in which all upon the stage resemble that article, and the Fairy Queen May Day Cantata by thirty little girls. The object of this exhibition is to procure means with which to purchase a piano for the use of the school. The admission price is fixed at 25 cents and is so small that none need stay away especially as the funds raised will be put to a good use. Other entertainments of a similar nature will be given in the course of the winter by the High school and Grammar departments.

LEO HURT.—Mr. Geo. M. Cooper had the misfortune to cripple one of his legs severely while hunting on the McKenzie the other day. He had killed a large buck and after carrying it for awhile became tired and sat down on a log to rest; the log was not secure in its place and started rolling down hill with Mr. Cooper and the deer in front of it ultimately rolling over him severely bruising his leg and ankle.

TEACHERS INSTITUTE.—The Teachers Institute met in Junction last Tuesday, and a goodly number of teachers were in attendance. The programme for each day has been faithfully carried out, and we believe much good will result from the Institute. Thanks are due to School Superintendent Callison for the manner in which he has worked for its success.

LARGE PAPER.—The Daily Standard of Sunday last was one of mammoth proportions, and was filled to repletion with interesting matter. Every Democrat who can afford to take a daily paper should subscribe for the Standard, and help Mr. Noltner with his enterprises. It is the best general paper ever published in Oregon.

STATE AGENT.—Mr. H. C. Perkins, of this place has been appointed as agent to select swamp land for the State, not to exceed 50,000 acres, at a compensation of two cents per acre for such, as shall be affirmed by the State under provision of an act approved October 18, 1879.

MARRIED.—Mr. G. Bettman of this city and Miss Bertha Simon of Portland were united in marriage in the latter city on last Sunday. To Mr. Bettman and his fair bride we extend our best wishes and trust that no cloud may mar the happiness of the union thus auspiciously begun.

NEW STORE.—In to-day's paper will be found an advertisement of the I. N. L. store, just started in this place. See "ad" in another column.

We have just received from the Eastern factory, direct, a large stock of window shades and wall paper; among the latter are many very pretty styles embracing Grained Patterns, Embossed, Gilted and Lace Patterns, Satin and Common Blanks, all of which we sell cheap, and no charge for trimming paper. BUNN & STRATTON.

Junction City Items.

Mr. T. Kieter is going to remove to Portland. Geo. Carson is again able to be on the streets. T. Q. Butler's new residence is rapidly approaching completion.

Wheat is rapidly pouring into the various warehouses of Junction City. The Junction City tonorial artist is soon to "double up," so says Madam Rumor.

The public school of Junction City opens on the 15th with Prof. Nichols as principal. There was a social hop at S. B. & Co.'s hall last night at which Harrisburg was largely represented.

Rev. Houston takes charge of the congregation of the C. P. church in this city in place of Rev. Cornwall.

The elegant new residence of Col. F. W. Folsom is nearly completed, and when finished will be ornamental to the city.

C. W. Washburne has purchased the new and large warehouse, with steam elevator, from R. V. Howard, for the consideration of \$3,500.

When the hoodlums of Junction get on a bender and are arrested and fined by the court, the judgement can be satisfied by a promissory note.

Coquille Jack (an Indian), died Wednesday near Junction City, supposed to have been poisoned by another Siwash. Good Injun now.

Rumor has it that one of our young milliners will soon enter the state matrimonial. She will leave us when the "myrtle and the ivy are in bloom."

Marshal Houston has gone into the draying business, as witnessed on Tuesday morning, as he wended his way up Front street with a dray load of degenerated humanity on the way to the city jail.

The Junction City Council has passed a dog law, charging for the privilege of keeping one of these faithful animals, \$3. If the license is not paid, the marshal will reap a harvest of \$4 on each dog killed. Good thing for Houston.

Siuslaw Items.

Our correspondent at Siuslaw, under date of September 11th, sends us the following: The late rains caused the threshers to suspend work and cover their machines. Old man Strunk one of the old pioneers of Siuslaw died at the residence of Mrs. Cartwright where he had made his home upwards of twenty years.

Wm. Russell has had bad luck this year threshing. His horsepower broke down five times and this together with the rain caused him much vexation.

One by one the old pioneers of Siuslaw have passed away to their silent tombs and now only one, Uncle Sammy Wingard, remains in the land of the living. Grandmother Coleman was taken very suddenly with a sinking spell the other day and for a time it was feared that the good old lady would pass away. She is now however able to be around again.

C. M. Reed a stock speculator while riding around among Barlow's sheep discovered a huge bear following the sheep evidently for the purpose of killing them. He at once notified A. J. Barlow who put his dog on the track of Bruin and in a few minutes the dog made it so warm for the business end of the bear as to compel him to take to a tree. Mr. Barlow arriving the bear was dispatched and thus a noted sheep thief came to his end.

B. F. Crow president of the Blue Ribbon club is a first class parliamentarian. OCCASIONAL.

A Good Effort.

The effect of the Oregon Blood Purifier, although a cathartic, is mild and gentle, and produces no nausea, griping in the bowels, or piles. It thoroughly cleanses the system of all impurities, restores the blood to a healthy condition, and arouses the liver and kidneys from an inactive and torpid state to a natural and healthy action, imparting tone, strength and new vigor to the entire system.

HALL'S HEPATIC KIDNEY is the best liver remedy in the market. It cures Biliaryness, Headache, Constipation, Jaundice, Dyspepsia, and all diseases arising from the derangement of that important organ, which has been commonly called the housekeeper of health—THE LIVER.—The druggists of this city have it, and will guarantee every bottle, or money refunded. Try it.

Attention farmers! Great reduction in prices. Meals and lodging can be had as cheap at the Astor house as in Iowa, Wisconsin or Minnesota—thirty-five per cent cheaper when the locality is considered.

DIED.

At Canyon City, Grant county, Oregon, August 24th, 1879, Mrs. Kluhana Luce; aged, 74 years, 6 months and 13 days. Kluhana Luce was the daughter of Wm. Polly Buckles; and was born near the city of Baltimore in the year of our Lord, 1805. She came with her parents to the State of Kentucky, New Chingburg county, and settled near the present town of Skilleville, on the Green river, in the year 1811. In the year 1827 she married Jacob Luce. In 1843 she removed with her husband and children to the present territory of Iowa and settled near the present town of Okaloosa. She there joined the Methodist Episcopal church, in 1845, and was a devoted christian until her death. In the year 1853 she, with her family and a number of friends and neighbors, crossed the plains to Oregon, and settled near Eugene City where they remained about twenty-five years. Last Autumn she and her husband concluded to break up house keeping and go east of the mountains and live with their children the balance of their days which was, indeed, short, her husband dying on the fifth of March, preceding her five months and nineteen days. She leaves seven children to mourn her loss.

DR. MINTIE'S "SPECIAL" MEDICINES Are made from the best materials obtainable. They are not curables. They are favorite prescriptions that have been tried and tested for years in his extensive practice, until now they are absolutely perfect in the troubles for which they are recommended.

The Nephretic works wonders in Kidney and Bladder complaints. Those suffering with Dropsy, Bright's disease, Diabetes, Gravel, Retention of urine, Pain in the back, Incontinence, or any disease of the Kidney and Bladder, will be astonished at the relief one bottle will afford.

For Female weakness it is absolutely without an equal. For all derangements of the Liver, Use Dr. Mintie's English Dandelion Liver Pills. For Biliousness and Dyspepsia, Use Dr. Mintie's English Dandelion Liver Pills. For Fever and Ague, Use Dr. Mintie's English Dandelion Liver Pills.

Every family should keep the Dandelion Pills on hand. See what the druggists say about Dr. Mintie's medicines: "Everybody speaks highly of them."—C. H. Woodard & Co. druggists, Portland. "All who take them recommend them."—John A. Child, druggist, Portland. Messrs. Abrams & Carroll, wholesale druggists, San Francisco, say: "We regard Dr. Mintie's Nephretic as the best Kidney and Bladder remedy before the public." All druggists keep these medicines.

SIR ASTLEY COOPER'S VITAL RESTORATIVE: The great English remedy—has made more cures of Nervous Debility, Seminal Weakness, Lost Manhood, nocturnal emissions, lassitude, inability for mental labor, despondency, and such diseases as are induced by youthful follies and excesses, than all other medicine combined. It is not a stimulant nor excitant, is perfectly safe to take, is not a quick nostrum, and produces results as that wonderful. Price, \$3 a bottle. Four times the quantity, \$10 a bottle. It will not disappoint you. Hodge, Davis Co., wholesale druggists, Portland, Or.

Is it Possible

That a remedy made of such common, simple plants as Hops, Buchu, Manuka, Dandelion, &c., make so many and such marvelous and wonderful cures as Hop Bitters do? It must be, for when old and young, rich and poor, Pastor and Doctor, Lawyer and Editor, all testify to having been cured by them, we must believe and doubt no longer. See other column.

Robinson & Church at the Hardware Store keep the largest and best selected stock of wall paper and border in Eugene City, comprising in part, Brown, Blank, Satin, Gilt and Embossed paper, which they purchase direct from the Eastern factories and will sell as cheap as the cheapest. All paper trimmed free of charge.

Insurance.

Underwood Bros. are representing four of the most popular and reliable Insurance Companies on this Coast to-wit—Connecticut of Hartford, New Zealand, of Auckland; Commercial Union, of London; Hamburg & Bremen of Hamburg; representing a capital of over \$29,000,000 gold coin. "Don't wait till the horse is stolen before you look the stable door."

Through Countess little openings in the skin, invisible except through a microscope, the perspiration, in a state of health, exudes, hour by hour, night and day. The total obstruction of these minute outlets would produce death; and when they become partially blocked, the skin grows dry, yellow and finally diseased, and the general health is injuriously affected. Glenn's Sulphur Soap, by opening the pores, removes eruptions and unhealthy granulations on the skin, and imparts to it a healthy clearness, humidity and smoothness, banishing from the face of beauty complexioned blemishes, whether attributable to impurities in the capillary circulation, or to undue exposure to the sun and wind. For obstinate scrofulic complaints, like the itch, salt rheum, and erysipelas, it is a sovereign remedy, being quite as effective as Sulphur Baths, for such maladies, as well as rheumatism and gout. It is wonderful in its power to soothe, in its action, relieving the cuticle where broken by external injuries, relieving the swelling and inflammation attendant upon sprains, scalds and bruises, and curing the most obstinate sores and ulcers. The Medical Profession sanction its use, and, from all classes of society, voluntary evidence in its favor is continually emanating. Ladies of fashion prefer it to any similar accessory of the toilet and the bath, since it promotes not only health, but personal attractiveness. As a disinfectant of disease-contaminated clothing it has no peer. After they have been washed with Glenn's Sulphur Soap, garments and linen from the sick room may be handled with perfect impunity.

Sold by druggists. Price 25c. per cake. 1 box (3 cakes) 75c., sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, Sixth avenue, New York. Hill's hair and whisker dye, black or brown, 50c.
