

Helping the Judge.

The R. V. Edward Everett Hale tells, in the Independent, of a judge who was preparing a law lecture, and had every chair and table in his study covered with open books, from which he was collating material. His sister, Miranda, undertook to put the apartment in order, with the following result: 'Biddy, her chief of staff, eager to be of use, shut up all the books and put them on the shelves. Miranda returned to the room in horror and cried, 'We shall both be killed when he comes home! 'Niver yo' fear, mum,' said Biddy, 'I'll make it all right.' And sure enough, when the Judge saw the room, Biddy had produced thirty law books from the shelves, and opened them in imitation of the aspect she had found them in, and he was left to go on with his lecture as best he might with the aid of Biddy's selection.'

SUCCESS AT LAST.—A radiant young fellow shook our hand with a vic like grip yesterday as he ejaculated in volcanic words: 'Congratulate me! congratulate me! I am the happiest man this side of the Elysian fields. At last, at last! What is it? Won a lottery prize? Faugh! She has consented—she has promised to marry me—the prettiest girl in Kentucky—the girl who jilted me seven times before she said yes. Five long years have I loved her. I wooed her ardently, gallantly; I had money; I was young; I was not bad-looking. But she refused me. I sought honors and eminence in my profession. I gained them; I laid them at her feet; she declined them. Seven separate times had I been refused. I was in despair; I was losing my own respect, and probably hers, and I determined to quit, to go away, to look upon her face no more. I packed my trunks for Leadville. I started out to buy my ticket, when a plan flashed to me—a plan, a plan, a plan! I went back. I tried it. I won!' 'And the plan?' 'I hired myself to her father as a coachman.'

Of Gen. Lee's taste for rigid simplicity a correspondent of the Herald, of Boston, says: 'One of his Inspectors—Generals, Col. Murray, was quite advanced in life, and some friends, wishing to contribute to his comfort, had presented him with a cushioned camp-chair. Tents had been struck and the baggage all packed in the wagons preparatory to starting on the day's march,—all except the cushioned chair, in which the Colonel sat, waiting to join the General as he passed. A few moments later General Lee rode up, regarded the Colonel for a moment, and then quietly remarked: 'Col. Murray, I would advise you, the next time we start on a campaign, to bring your camp-chair with you. It is needless to say that that chair was never again seen at the army headquarters.'

Too HEAVY FOR HIM.—This comes from Waterford, London county, Va.:

A colored meeting was lately held in this place, at which the attendance was large and the converts numerous. The stove-pipe happening to fall, the minister asked one of the brethren to put it in position again. Brother Johnson essayed to do it, but, being rather slow, the old minister said, 'Pick it up, brudder, pick it up; de Lord won't let it burn you.'

Brother Johnson, with faith in the assurance, seized the hot pipe, and of course had his hand blistered. He dropped it with the inappreciable remark, 'De debil he won't!'

It was just a little too heavy for him.—Harper's Drawer.

Centaur LINIMENTS.

These great pain relieving and curative remedies have already worked their way into every hamlet where the English language is spoken. That the reputation of and demand for such remedies as these are should extend and increase, could not be otherwise. There is no pain, soreness or swelling which they will not alleviate. There are but exceptional cases of constitutional humors and distorted joints, which they do not cure, and none they will not benefit. They are soothing, absorbing and emollient. They extract the pain from and heal burns and scalds without scars. For Rheumatic affections, pains in the back, stiff joints, wounds, strains and eruptions, they act with absolute certainty. These preparations are of two kinds, the Family and the Animal Liniment. Being universally adapted to the external ailments of man and beast, the name of the Half Horse and Half-Man Centaurs was naturally attached to them. They perform cures never before effected by any remedy. Undoubtedly more of them are sold than of all other liniments, ointments, oils, embrocations, plasters and so-called pain-killers combined. The White Centaur Liniment cures Rheumatism, Sciatica, Lumbago and Tic douloureux.

It relieves Neuralgia and all kinds of pain. It heals wounds, sores, galls and poisonous bites. It cures Itch, Pimples and Salt Rheum. It subdues inflammation and pain. It cures broken breasts and sore nipples. Boils, Felons, etc., are rendered nearly painless. Contracted Cords and stiff joints are limbered.

R. F. STORY, 155 W. 21st St., N. Y.: Inflammatory Rheumatism; ankle suppurated; foot turned black; amputation recommended. Cured and leg saved by two dollars worth of Centaur Liniment. Had spent several hundred dollars with physicians and for other remedies.

JACOB BYRD, Belfair, Va., hobbled on a crutch 6 years; maturated sore leg. Cured. Cost; 50 cents.

Mrs. CATHERINE LYNCH, South Boston. Inflammatory Rheumatism; hands, feet and joints drawn out of shape. Cured. Cost, \$1.

R. HANCOCK, 67 years old, West Windsor, Easton Co., Mich.: Rheumatism 10 years. Cured. Cost; \$1.

P. T. BARNUM, the celebrated showman says: 'My teamsters and veterinaries speak in the highest terms of the Centaur Liniment.'

'THE YELLOW CENTAUR LINIMENT IS THE BEST REMEDY EVER IN OUR STABLES. We have used it upon hundreds of horses. Signed: H. MARSH, Supt. Adams Express Co. stables, N. Y.

N. S. OLIN, Supt. National Express Co. stables, N. Y.

P. McGRATH, Esq., the great Kentucky horse and mule breeder, says: 'Nothing to be compared with it (the Yellow Liniment), has been used on my stock.'

Ten thousand similar testimonials could be added. There is no doubt, NO UNCERTAINTY as to what the Centaur Liniments will do. They perform more than is advertised for them every time. They are reliable, they are cheap, and they are everywhere attainable.

CASTORIA

The great success of Pitcher's Castoria is because of its power to assimilate the food in the stomachs of children. Thus, sour curd, vomiting, wind-colic and diarrhoea are prevented. Castoria contains neither mineral, morphia, nor alcohol. Unlike Castor Oil it is as pleasant to take as honey, and unlike narcotic Syrup, it is harmless. It allays feverishness, and is death to worms. When the child has health the mother can rest.

Wei De Meyer's CATARRH CURE

The most important discovery in medicine since vaccination, is that of a real cure for Catarrh, by Dr. F. W. WEI DE MEYER, of N. Y. A pamphlet containing facts and proofs of the work being performed by the wonderful remedy, can be obtained gratis of Messrs. D. R. DEWEY & CO., agents, No. 46 Dey Street, New York. The testimonials therein contained, are the most remarkable on record. The Cure is delivered at \$1.50 for single package, or 2 packages for \$7.50. Send for Dr. W's pamphlet.

False Impression.

It is generally supposed by physicians and the people generally that Dyspepsia can not invariably be cured, but we are pleased to say that Green's Aromatic Flower has never, to our knowledge, failed to cure Dyspepsia and Liver Complaint in all its forms, viz: as Sour Stomach, Costiveness, Sick Headache, palpitation of the Heart, Indigestion, bad taste in the mouth, &c. Out of 50,000 dozen bottles sold last year, not a single failure was reported, but thousands of complimentary letters received from druggists of every part of the world, who will relieve a way case. Try it. Sample bottles 10 cents. Regular size 75 cents. For sale by all druggists.

Cured of Drinking.

'A young friend of mine was cured of an insatiable thirst for liquor, which had so prostrated him that he was unable to do any business. He was entirely cured by the use of Hop Bitters. It allayed all that burning thirst, took away the appetite for liquor, made his nerves steady, and he has remained a sober and steady man for more than two years, and has no desire to return to his cups; I know of a number of others that have been cured of drinking by it.'—From a leading R. R. Official, Chicago, Ills.

OLD, TRIED, AND TRUE. MEXICAN Mustang Liniment, FOR MAN AND BEAST.

People are getting acquainted—and those who are not ought to be—with the wonderful merits of that great American Remedy, the

MEXICAN Mustang Liniment, FOR MAN AND BEAST.

This liniment very naturally originated in America, where Nature provides in her laboratory such surprising antidotes for the maladies of her children. Its fame has been spreading for 35 years, until now it encircles the habitable globe. The Mexican Mustang Liniment is a matchless remedy for all external ailments of man and beast. To stock owners and farmers it is invaluable. A single bottle often saves a human life or restores the usefulness of an excellent horse, ox, cow, or sheep. It cures foot-rot, hoof-ail, hollow horn, grub, screw-worm, shoulder-rot, mange, the bites and stings of poisonous reptiles and insects, and every such drawback to stock breeding and bush life. It cures every external trouble of horses, such as lameness, scratches, swiny, sprains, founder, wind-gall, ring-bone, etc., etc. The Mexican Mustang Liniment is the quickest cure in the world for accidents occurring in the family, in the absence of a physician, such as burns, scalds, sprains, cuts, etc., and for rheumatism, and stiffness engendered by exposure. Particularly valuable to Miners. It is the cheapest remedy in the world, for it penetrates the muscle to the bone, and a single application is generally sufficient to cure. Mexican Mustang Liniment is put up in three sizes of bottles, the larger ones being proportionately much the cheapest. Sold everywhere.

INCORPORATED JANUARY, 1878. WORLD'S DISPENSARY MEDICAL ASSOCIATION. BUFFALO AND LONDON.

(Successors to H. V. PIERCE, M. D.) DR. E. V. PIERCE, having acquired a world-wide reputation in the treatment of Chronic Diseases, resulting in a professional business far exceeding his individual ability to conduct, some years ago induced several medical gentlemen to associate themselves with him, as the Faculty of the World's Dispensary, the Consulting Department, which has since been merged with the INVALID HOTEL. The organization has been completed and incorporated under the name of World's Dispensary Medical Association, with the following officers: Hon. E. V. PIERCE, Pres. F. D. PIERCE, V. Pres. JOHN E. PIERCE, Sec. LESTER SMITH, Treas.

NINE PHYSICIANS AND SURGEONS of eminence and skill have been chosen as the Faculty. CHRONIC DISEASES of all forms come within the province of our several specialties. LUNG DISEASES.—This division of practice is very ably managed by a gentleman of mature judgment and skill. Bronchitis, Throat, and Lung Diseases treated with the most successful results. DISEASES OF WOMEN.—Especially are our facilities of a superior order for the cure of all those chronic diseases peculiar to females. GOUT AND RHEUMATISM.—Paralysis, Nervous Debility, Epilepsy (Fits), Chorea (St. Vitus's Dance), Neuritis, and other nervous affections, receive the attention of an expert in this specialty.

NOT NECESSARY TO SEE PATIENTS.—By our original system of diagnosis, we can treat many chronic diseases as successfully without as with a personal consultation. For particulars see "People's Common Sense Medical Adviser" (1,000 pages, sent post-paid for \$1.50) or "Invalids' and Tourists' Guide" (100 pages, sent post-paid for 50 cents).

SURGICAL CASES.—Among the operations which we are called upon most frequently to perform, are those for Nasal Polypus, Tumor, Stricture, Hemorrhoids, Piles (Baptists), Hemiplegia (Droop of the Face), Varicocele, Hernia, and Uterine Tumors, Calculi (stone in the Bladder), Stricture, etc., etc. We also treat successfully, by a new method, the most obstinate cases of Gonorrhoea, Syphilis, Spinal Curvature, and other deformities.
