

CITY AND COUNTY.

Agent at Portland.

Mr. W. L. Eppinger is our authorized agent at Portland.

BRIEF MENTION.

Circuit court meets November 3d. Chew Jackson's best sweet navy tobacco. Mr. C. Hodes now wears a smile—it's a boy.

There will be no open air concert given to-night. Public school convenes next Monday morning.

See School Superintendent's notice in another column. The GUARD is the best advertising medium in Lane county.

Mr. S. H. Friendly will pay the highest market price for wheat. The State Temperance Alliance meets in this city next February.

We understand that Mr. Robert Day is quite ill with fever at Salem. The hops of this county are being picked, and we learn that the crop is good.

The surveying party of Mr. H. C. Perkins will leave next Monday, without fail. We invite correspondence from every part of the county. Send along the news.

We are informed that Dr. Patterson will have about twenty tons of hops this year. If you want to see a specimen of GUARD job printing see the new Astor House cards.

Dr. Foley, the proprietor of Foley Springs, on the McKenzie river, was in town this week. Patronize John Lenger if you want good milk. He furnishes a first rate quality at a reasonable price.

Mr. Baker, of the Astor House, wishes it distinctly understood that no advance in the price for board by the week or by meals has been made.

Mr. J. A. Winters presented us this week with a photographic view of Eugene City. It is just the thing to send off to friends at a distance. Buy one.

We regret to learn of the illness of Mr. M. V. Brown, of the Albany Democrat, and hope before many days he will be at his former post on his valuable paper.

The Blue Ribbon Club met last Wednesday evening and transacted the regular routine of business. The officers of the club will be elected next Wednesday evening.

Preaching at the M. E. Church to-morrow morning and evening at 11 A. M. and 8 P. M. Sunday School at 3 P. M. Prayer and praise meeting on Thursday evening at 8 o'clock.

Mr. W. S. Ladd, of Ladd & Tilton, bankers, Portland, was in town Tuesday. He came in private conveyance to this place, and went on South Wednesday to Snowden Springs.

Most of the harvesting will be through this week, and from what we can learn, the crop is a great deal better than at first expected. Very little wheat will be burned in the fields.

There will be about forty gin mills, and God only knows how many tramps, at the so-called Salem State Fair this fall. Visitors should keep their hands well up their pockets books.

The GUARD is the largest, and most extensively circulated of any paper in Lane county. The GUARD is also the official paper of Eugene City. Advertisers should make a note of this.

Business men should not forget that blank notes, bill-heads, statements, letter-heads, and every description of commercial printing are neatly and promptly executed at the GUARD office.

We are requested to state that the rumor that the St. Charles will be closed is a mistake. Mrs. Renfrew will still run the house, and will continue to give good meals, and lodging as heretofore.

Mr. N. D. Snelling and lady, in company with Mrs. Eleanor Steele and Miss Della Snelling, departed this week for Eugene City, to remain during the fall, visiting friends and relatives.—Lakeview Herald.

Mr. Wm McWilliam, agent for Jas McMurray's adjustable strainer and cast iron steamer, called upon us yesterday. This is an important patent, and every farmer should purchase one. The steamer will save the price of themselves in two weeks.

Remember that the St. Charles Hotel is the only first-class hotel in the city. Meals served in first-class style for 25 cents, also dining for 25 or 20 cents, according to the room occupied. Board and lodging per week \$5 to \$7. Satisfaction guaranteed. Give us a call.

Among the most remarkable productions of this age and country is Hall's Hair Renewer. Its success is unparalleled. It is sought after by rich and poor, high and low, young and old. Inhabitants of foreign lands—the people of Australia, of Europe, and of South America find means to get it at whatever cost. It is because it works like magic. It restores the hair to its youthful color and beauty, and robs approaching age of one of its disagreeable accompaniments. If you are getting bald, try it. Try it if you are getting gray, or if you have any disease of the scalp. Try it if you wish a good hair dressing. It will not disappoint you.—Muncie (Ind.) News.

JEWELRY HOLIDAY.—Last Thursday, the 18th inst, was Eosh Hashonah—according to the Hebrew calendar, New Year. The holiday was observed by the Israelites of this city, and their stores remained closed all day. This holiday is observed by them all over the world.

Local Market.—Wheat—50 cts per bushel. Oats—35 cts. Butter—25c per lb. Eggs—10c per lb. Bacon—Sides, 8@10c; hams, 10@12c; shoulders, 6c.

Painful Accident.

On Wednesday morning much excitement was caused by the sight of a span of horses tearing down Willamette street at a maddened rate, and a rush of people running toward the depot. It seems that J. H. Hayden, Esq., an old and respected citizen was at the depot, and while working with his team they became unmanageable, throwing him under feet and wounding him severely. For some time he was to all appearances dead. He was immediately taken to the residence of J. B. Underwood, Esq., and his wounds dressed by Dr. S. Hemenway. On Thursday his daughter Mrs. Welch arrived from Portland, and on Friday his daughter Mrs. Easton arrived from Roseburg and his son-in-law, Mr. Welch, from Portland. They are all with him at Mr. Underwood's, where every attention is rendered that can be given. He is in a very critical condition as we go to press, with little chance of recovery.

Hops.

The following is Emmett Wells' Hop circular of Sep. 5th: With this issue of our Circular, we enter upon the new Hop season of 1879 '80. About 200 bales of the new growth of the early seedings variety, have been received here, and have been sold for shipment at prices ranging from 35 to 40 cents. The later sorts are being sold at 25 to 36 cents. Picking is now progressing all over the country, and if nothing unforeseen happens between now and the time of finishing, we will have a crop of fine quality, but considerably below that of last year in number of bales. We will not attempt to make any estimate of the crop until later, when something more definite can be learned of how the crop comes down. The first arrivals of new Hops in market usually causes a decline in price of Yearling and Olds, but this season has proved an exception to the rule, and instead of a decline, they are held firm at present quotations. The shipments to London this week are heavy, amounted to 3,496 bales.

The State University.

On Monday morning last, at the usual hour, the fourth school year of the University of Oregon commenced under very flattering prospects. The school is under the control of Profs Johnson, Coudon, Bailey, Straub, Callier, Gatch and Mrs M P Spiller, the best faculty north of the University of California. The apparatus, purchased East last year at a cost of \$4,000 by Mr J. J. Walton Jr. Secretary of the Board of Regents, has been placed in position and will be used this year. Undoubtedly this school now gives the best facilities for instruction of any institution of learning in the State. More students were in attendance this week than was anticipated, and everything argues well for a prosperous year for the University of Oregon.

Lodge Organized.

On Saturday evening August 9th, C A Schredde, G W C T assisted by J E Houston, Jennie Moore, Maggie McClure, Minnie Starr, Ella McClure, W L Houston, David Houston, Mary Test, and May Test of the Lodge at Junction, organized Golden Gate Lodge, No. 188 at Irving, with twenty-one charter members. The following officers were installed: Chas Jennings, W C T; Hellen Bond, W V T; Walter McIntosh, T; John McConnell, W M; A A Keays, W Chap; Clara Bond, W G; Mary Potter, W O G; Eddie Potter, P W C T; Levi Elmaker, W A S; Sarah Strange, W L S; and B F Bond, L D.

Bear-ing the Market.

Messrs. E. J. McClanahan and H. C. Humphrey as we announced last week, purchased a black bear for \$8, and shipped the same to Portland, at a cost of about \$4. They telegraphed to their agent (?) in Portland that the bear would be down on the evening train, and the "agent" tried to sell the bear to every butcher in Portland but he could not get rid of the carcass at any price. After running over town several hours trying to sell the bear he had to pay a drayman \$5 to bury Brain. If you want to have fun with the boys just mention their speculation. The boys are sadder, but wiser, to the tune of \$17.

HIS WORD FOR IT.—Under date of the 12th inst, Calvin B. McDonald writes from Oakland, Cal., that he is not dead. Under the circumstances the public will be compelled to accept his statement, notwithstanding the hundreds of handsome obituary notices he received from the press in this State and the adjoining Territories. He says he has not "fallen from grace," and is still an ardent temperance advocate.

LECTURES.—Mrs. Anetia Peckham, lectured at the M. E. Church last Monday and Tuesday evenings, on temperance and woman suffrage. She had a good audience the first evening, but on the following evening there was only a fair audience. She advanced no new ideas, and only few signed the pledge.

ENTERTAINMENT.—The entertainment given by the pupils of the public school, at Lane's Hall last evening was a perfect success in every particular.

MARRIED.—At the residence of the bride's parents, Sept. 17, by J. Handsaker, Mr. W. Vogel and Miss M. F. Babre; both of Lost Valley, Lane county, Or.

DIED TOGETHER.—The Capital of Salem, a sickly looking sheet, and the Rising Star, originally a greenback organ in the same city, are both dead.

WANTED.—A number of Bears. The highest market price will be paid. Address Humphrey & McClanahan, Bear Brokers, Eugene.

THANKS.—We acknowledge the receipt of a fine box of cigars from the hands of Mr. L. G. Adair, railroad agent. Thanks.

The Institute convened according to programme on Tuesday, the 9th inst, and was called to order by State Superintendent Powell, who opened with prayer. He then favored the Institute with introductory remarks in regard to the object to be attained, etc.

Second, The thanks of the Institute are tendered to the Junction City choir for excellent music rendered.

PUBLIC SCHOOL.—The District School will commence on next Monday morning with a full corps of teachers. Owing to the fact that the public funds are not sufficient to pay its necessary expenses of conducting the school the directors have been compelled to fix the rate of tuition for pupils attending school who reside in the district at one dollar and a half for each quarter. And the rate for those who reside outside of district will be the same as last year. The cheapness of instruction will permit each and every pupil in the District to attend and we expect to be able to mention the fact next week that the school opened with a larger roll than ever before.

RETURNED.—We notice the healthy countenances of our young friends Butterfield, Kelly & Co., on their return from McKenzie. Eight deer and lots of fish, is their report. Good for the boys. Come again. Portland knows where to gain health.

Summons.—In the Circuit Court of the State of Oregon for Lane county. Gustav Hiekethier, plaintiff, against Eliza Hiekethier, defendant. Summons. Suit in equity for Divorce. To Eliza Hiekethier the above named defendant: IN THE NAME OF THE STATE OF OREGON, you are hereby required to appear and answer the complaint of plaintiff now on file against you in the above entitled court within ten days if served on you in Lane Co., Oregon, and if served on you outside of Lane county, and within the date of Oregon, or the date of service on you by publication, then you are required to appear and answer by the first day of the next term of the Circuit Court of the State of Oregon for Lane county to be begun and held at Eugene City, on the first Monday, the 31 day of November, A. D. 1879. And the defendant will take notice that if she so fail to appear and answer the complaint of plaintiff, that plaintiff will take judgment against defendant for the relief prayed for in plaintiff's complaint, to-wit: for a dissolution of the marriage contract now existing between plaintiff and defendant, and for such other relief as the court may deem just and equitable. This service is made by publication by order of Hon. J. F. Watson, Circuit Judge. Made at chambers, September 16th, 1879. C. W. FITCH, Attorney for Plaintiff.
