Smith & Brasfield's saw mill has shut down for the winter. The large boom belonging to the mill came very near being washed away by the late high water, but by good luck was saved.

West Point Lodge No. 62, I. O. O. F., will install officers Saturday, January 17, at 1 P. M. The following are the officers elected: Alf. Bonnett, N. G.; M. Taylor, V. G.; Thomas Vaughn, Treas.; Jap Wilkins, Sec.

WICKED.—A hoary old bachelor at our elbow suggests that we publish the names of the marriageable young ladies—especially of those who have dallied in the sunshine of twenty-five summers. Cautionness is a predominant bump on our cranium, and this besides our respect for our auburn locks will deter us from following this course. We take no chances.

UNIVERSITY REPORT.—Hon Matthew P Deady, President of the Board of Regents of the State University, has made his annual report on the condition of University for the year ending June 30, 1879. We shall furnish the report in full to our readers in next week's issue.

King Henderson, an employee of the Standard, came up Wednesday, on a visit to relatives and friends.

Mr. J. W. Whalley, one of Portland's attorneys, was in town this week.

Mr. B. C. Pennington returned Thursday, after a week's visit to the metropolis.

"Uncle Jimmy" Goodchild has so far recovered as to be able to be on the street occasionally.

King Henderson, an employee of the Standard, came up Wednesday, on a visit to relatives and friends.

Mon. J. M. Thompson went to Salem Wednesday to attend the meeting of the Democratic State Central Committee.

OFFICERS INSTALLED.—On Tuesday evening the officers of Spencer Battle Lodge, No. 2, I. O. O. F., were installed by D. D. G. M. Canter, of Harrisburg, as follows: S. W. Miser, N. G.; T. W. Harris, V. G.; J. C. Church, R. S.; T. W. Shelton, P. S.; B. F. Derris, Treas.; Wm. Killingsworth, O. G.; A. S. McClure, I. G.; J. W. Cherry, Com; F. Darley, Warden; J. J. Walton, R. S. N. G.; J. R. Campbell, L. S. N. G.; G. A. Dorris, R. S. V. G.; E. M. Wilkins, L. S. V. G.; H. C. Humphrey, R. S. S.; Horace Knox, L. S. S. After the installation the members, with their guests from sister lodges, repaired to the supper table and sustained their epicurean reputations.

PERKINS' SURVEYING PARTY.—We learn from a card from Mr. H. C. Perkins, dated Canyon City, Jan. 1st, who with a party from here were surveying in Harney Valley, that snow fell there on the 18th ult., to the depth of two feet and on the Blue Mountains three or four feet. He was compelled to sell his wagons and pack out over the trail to Canyon City. He reports much suffering among the stock and that thousands of cattle will perish unless the cold weather abates soon.

A BOUNCING BABY.—Charles Goodchild is the happy man. It happened Sunday night. A female girl baby, and it weighs a clean thirteen pounds, and has black hair two and one-half inches in length. The mother and child are doing well, and with hard work Charles's friends expect to pull him through safely. He is a small man, but you may know him by the immense smile that illumines his countenance.

LOOK LOST.—About one week since during the high water, the boom holding the logs at Comstock's mill, near Latham broke, and the logs contained thereby were swept away. Most of them however lodged on a bar about one mile below the mill, and without it washes out, most of them will be saved.

WEEK OF PRAYER.—This week has been observed by the Christian people as a week of prayer. Appropriate services have been held in the different churches in this city, every evening.

Cottage Grove Items.

A correspondent at Cottage Grove sends the following items under date of Jan. 7, 1880: The harness shop is now all ready for business.

Business is very dull. Everything is as still as death. During the absence of Mr. Jas. Sterling at Drains, Mr. Handsaker, of Goshen officiated as operator.

The Band concert on Christmas eve was a success. They also went to Drains and played on New Year's eve. Some talk of getting up another entertainment soon.

On Christmas night we came near having another fire. Mrs. Burtel's house caught fire from a stove but by timely assistance was extinguished. Damage, about \$50.

About twenty-five went to the ball at Drains. We all enjoyed ourselves very much and feel grateful to mine host Luelling, of the Drains's hotel for his unformal courtesy. Special tickets on the railroad were provided.

On Dec. 20th, Mrs. V. Muller while talking with her husband fell off the chair on which she was sitting, dead. Supposed to be heart disease. She was a daughter of Marion Martin, and was highly respected by all. She leaves one child, a little girl.

The Good Templars entertainment New Year's night was good, but was slimly attended on account of the inclement weather. Those that did go had most all to sit up all night at the hotel, as the foot bridges were washed away so they could not get home.

During the high water, Jan. 1st, Jim Constock lost all his logs by the boom breaking. It is quite a severe loss, as there was about 1,000,000 feet. Brambaugh, on Bohemia branch, lost all his logs also—amounting to about 800,000 feet. The high water carried off the bridges in town again.

The citizens have raised money and let contracts for one across near the hotel, and another near Carey's house.

Jor. Mad, rain, wind, and high tide. Coburg will soon have a crack rifle team. The new chipping machine is doing good business.

Miss Eva Bassett, of Halsey, has a large class in music here. The public school commenced on Monday with L. T. Durkee teacher.

Grand Prairie Taxpayers Club.

IRVING, Jan. 1, 1880. ED. GUARD:—At a meeting of the citizens of this precinct, the following Constitution and By-Laws were adopted and a club formed. I was authorized to furnish you with a copy of the same, with a request that you publish it as a matter of news, as you solicit correspondence to inform you of all matters of interest transpiring in any part of the county.

A. C. JENNINGS, Sec. We, the taxpayers and legal voters of Lane county, State of Oregon, in order to secure a reduction of the salaries of county and State officers, thereby diminishing our taxes and a reduction of the legal rates of interest. Also to secure a proportionate representation of the laboring classes in our legislative bodies, do adopt this Constitution and By-Laws:

ARTICLE I. Section 1.—We demand honesty and economy in the administration of all public affairs.

Section 2.—Malfeasance in office should be classed with treason to the State and punished with the same penalty.

ARTICLE II. Section 1.—We are in favor of a general reduction of the salaries of officers in County, State and Nation.

ARTICLE III. Section 1.—We are in favor of reducing the legal rate of interest so it shall not exceed 6 per cent. per annum.

ARTICLE IV. Section 1.—We are in favor of the Legislature making only such appropriations as are absolutely necessary, until the State debt is reduced to limit, prescribed by the Constitution.

ARTICLE V. Section 1.—To defeat class legislation, we will endeavor to secure a proportionate representation of the laboring classes in our legislative bodies.

Section 2.—As both the Republican and Democratic parties have signally failed to correct the evils aforementioned, we pledge ourselves to vote for men we believe to be pure and upright, irrespective of party, who will pledge themselves to work for the passage of such laws as will secure the objects set forth in this constitution as early as possible.

Section 3.—This Club shall be known as the Grand Prairie Taxpayers Club.

Section 1.—The officers shall consist of a President, Vice-President, Secretary and Treasurer, who shall hold their respective offices for three months.
