

CITY AND COUNTY.

REMOVAL.

Patrons of the GUARD will take notice that the office has been moved to the building formerly occupied as a store, by J. W. Cleaver, a few doors north of the post office.

Agent at Portland.

Mr. W. L. Eppinger is our authorized agent at Portland.

BRIEF MENTION.

Soft wood is only \$9 per cord at Walls Wall. Mr. S. H. Friendly visited Portland one day this week. F. R. Dunn will pay the highest market price for wheat.

Call and see us in our new quarters and subscribe, or pay up old dues.

Mr. E. L. Bristow has withdrawn from the firm of Wright & Bristow, Salem.

Horace Knox was at Cottage Grove attending to legal business the first of the week.

Robert Blair killed a deer last Saturday at Corvallis Point, about four miles above town.

A new window has been put in the Grange building, up stairs, in the room occupied by Dr. Davis.

Patronize John Lenger if you want good milk. He furnishes a first-rate quality at a reasonable price.

The stairway in the Underwood block has received a coat of paint, which improves its appearance greatly.

We were favored this week, by Mr. Nightwander, of Siuslaw, with a fine basket of apples. Thanks.

Mr. P. C. Reufrew, one of the live men connected with the Melanize Road Company, spent several days in town this week.

The GUARD was ably represented, at the masquerade, by Mrs. Fanny Crouch. The GUARD feels honored that it was represented by so graceful and accomplished lady.

It is not true as has been asserted, that some of the members of the Sportsmans Club engaged in the hunt to-day, intend taking a small boy with them to kill their game.

At Dr. Davis' office, last Saturday, a lady submitted to the operation of having a couple of tumors removed from her head. Those witnessing it, compliment Dr. Davis highly on his success. The patient is doing well.

The St. Charles Restaurant is a cozy place kept by Mrs. A. Renfrow in the brick building adjoining the old St. Charles hotel. A number of neat lodging rooms also belong to the house. Meals and lodging, 25 cents each board. Lodging by the week on reasonable terms. Give her a call.

FINGER BITTEN.—A couple of residents of Siuslaw got into a scuffle the other week and one of them got his finger badly bitten. The injured member was not properly taken care of; and the swelling from it became so great as to endanger the safety of his arm. A physician was called however, and by proper care, no permanent injury resulted. A sheep-killing dog was the cause of the trouble.

LOST.—Mr. Lemuel Boy, a young man aged about 26 years, who formerly lived with his parents near Creswell, wandered from Rock Creek, Wasco county, on the 18th of December, and is supposed to have perished in the snow. He was unmarried. His parents now live in Polk county.

HEMORRHAGE.—John Reid, a butcher in the employ of Miller & McCornack, had an attack of hemorrhage of the nostrils, Sunday morning, and came near bleeding to death. The hemorrhage continued for a number of hours, and was checked only after persistent labor by the attending physician.

CLUB ROOM.—The Sportsman's Club has commenced fitting up a seat room in Underwood's brick building over the express office, for a meeting room. When completed it will be a pleasant place to spend an evening. The room will be well heated and lighted.

IMPROVEMENT.—A new awning and front has been built to the building formerly used as a shop by Mr. Boyd. It now presents quite an attractive appearance. Miller & McCornack will soon move their meat market into the building.

HANGED HIMSELF.—Wong Fook, the Chinaman, who was to have been hanged at Corvallis, Tuesday, took the game into his own hands, and cheated the gallows by hanging himself in the cell of the county jail Monday night.

BALL AT CRESSWELL.—A grand ball will be given at the Cresswell Hall, Cresswell, Friday, February 20th. The hall has recently been completely refitted and renovated. Good music will be in attendance.

MARRIED.—At the residence John B. Stowell, in this city, on Thursday evening, Jan. 15th, by Rev. E. R. Geary, Mr. M. M. McMurray to Mrs. M. S. Berry.

ELECTED DIRECTORS.—Mr. H. C. Owen and H. C. Perkins of this city, have been elected directors of the Portland and Tualatin Water Company.

FOR RENT.—Two rooms suitable for offices, upstairs in Underwoods brick. Apply at Express office.

Sportsmans Hunt.

The game must suffer. The members of the Sportsmans Club resolved to have a hunt to-day, and before your eyes scans this announcement, gentle reader, the contestants are slaughtering — perhaps — the innocent game. We subjoin a list of the gentlemen interested in the hunt:

Frank Belshaw, Capt. Ed McClanahan, Capt. Jas. Huddleston, J. W. Johnson, C. M. Horn, M. M. Davis, G. S. Kincaid, M. M. Davis, H. C. Huddleston, Rodney Scott, H. N. Crain, C. Hodges, Jos. Niehoff, Geo. Noland, J. H. McClung, J. R. Campbell, D. C. Underwood, J. C. Church, J. B. Underwood, T. W. Harris.

Messrs. A. S. Patterson, A. V. Peters and P. H. Farrell have been chosen referees to count the game at 6 o'clock this evening, when all must report at the club room in Underwood's brick. It is hinted that an oyster supper will be furnished by the losers.

The following are the points allowed for the different kinds of game:

Table with columns for animal and points. Elk: 1000, Bear: 800, Deer: 600, Otter: 100, Fox: 150, Beaver: 100, Mink: 50, Skunk: 25, White Squirrel: 100, Sand Hill Crane: 50, Wild Cat: 25, Coyote: 250.

Crushed to Death.

Tuesday morning a young man named George Drueck, aged 17 year, met with a horrible death at the saw mill of his father, about five miles above Vancouver, W. T.

The particulars are as follows: The storm of the 9th had blown down a portion of the mill flume, leaving the remainder in such a condition as to endanger the safety of the mill, and it was determined to tear it down. Tuesday morning the work was commenced, ropes were made fast to the flume for the purpose of hauling it down, and during the course of the work a huge piece of timber became displaced and hung across the flume, swinging to and fro and imperiling the lives of the men at work.

Young Drueck, with the intention of cutting the log to which the rope was made fast, started down a ravine with an axe, but after striking a dozen blows the piece of timber, losing its balance, descended, and though Drueck endeavored to escape, he stumbled and fell and it struck him on the head crushing the skull and killing him instantly. His parents who witnessed his tragic death hastened to his side, but found him dead on reaching him. The body was removed to the residence of the parents and was buried Wednesday.—Standard.

Quicksilver Mines.

But little progress is being made in the quicksilver mines of Southern Oregon. A gentleman who has just returned from that section informs the Statesman that but little progress is being made at present in opening up the New Idrian mine, but is putting up the furnace, and will be ready to work in about six weeks. The company have a tunnel in the mine some 300 feet, and a shaft sunk to the depth of about 80 feet, and will continue the work until the tunnel is tapped. Quite a large amount of the ore has been taken out. Mr. Jesse Ray, formerly of Eola, Polk county, has taken up a claim about one mile east of the New Idrian, and has about 150 feet of tunnel in the mine. Mr. Curg Jackson, formerly of this city, has also taken up a mine near by, and proposes in the "sweet by and by" to make his everlasting fortune out of it.

PLANK ROADS.—Why will not plank roads pay in Oregon? Timber is plenty and lumber is low. A good plank road from Portland to Eugene City, with a few side branches extending east and west would greatly facilitate getting around in the rainy season. We believe such a system of roads, if properly constructed, would pay a handsome dividend to the company inaugurating the same. Let's have some good plank roads; who will build the first ten miles?—Junction Republican.

PAINFUL ACCIDENT.—Last week a little son of Wm. Millhorn, of Junction City, while riding in a wagon with his father met with a very painful accident. The boy was playing with a piece of rope, swinging it around his head, when the rope caught in the wheel of the wagon and tore off half of the first finger of the left hand. The little chap, armed with a huge stick of candy, stood the necessary pain of dressing the wounded finger bravely.

STATE TEMPERANCE ALLIANCE.—The State Temperance Alliance will hold their regular annual meeting in this city, commencing Wednesday, February 18th. At the Blue Ribbon Club Wednesday evening it was resolved, that a committee be appointed by the president to make arrangements for the accommodation of the numerous visitors expected on that occasion. It is thought that the hotel accommodation will not be sufficient.

REACHED CORVALLIS.—The West Side Railroad has reached Corvallis, the iron horse reaching the center of that town on Tuesday. President Kohler, Superintendent Brandt and other of the railroad officials were present. The advent of the railroad was hailed with great joy by the residents of Corvallis.

SURPRISE PARTIES.—Several surprise parties have taken place the last week. Saturday evening at Mrs. Swift's; Tuesday evening at the residence of Mr. Jas. Robinson, in honor of Miss N. Hughes; Wednesday evening, at the residence of Mr. G. B. Dorris.

SUNDAY SCHOOL OFFICERS.—The annual election of officers for the first Presbyterian Sabbath School resulted in the election of L. G. Adair, Superintendent; A. W. Stowell, Assistant Superintendent; Mrs. A. W. Stowell, Organist; E. Geary, Secretary.

Irving Items.

A correspondent at Irving, under the date of Jan. 23d, sends us the following items:

Items are scarce.

Our school reopened last Monday, our lost son having given a satisfactory account of himself. The scholars in our school deserve credit for the interest manifested and the advancement that has been made during the past Summer and Fall, under the direction of Mr. Hale.

A son of Mr Pittenger living one-half mile south of Irving, was the recipient of a very painful accident which took place a few days ago; he was climbing a fence, when the lock of his gun struck the top rail causing the discharge; some of the shot took effect in the boy's thumb thus taking off a goodly part of that limb while the rest of them passed through the brim of his hat.

The Good Templars are still progressing in the Golden Gate Lodge; they have about thirty-five members. The following are the names of the officers: B. F. Boad, L. D.; Lewis Potter, W. C. T.; Clara Boad, W. T.; Edwin Potter, W. G.; Mrs. Clara Boad, A. S.; Clay Zumwalt, W. T.; John McCosnell, W. F. S.; Lincoln Boad, W. C.; Miss Lou Rowe, D. M.; Lou Keys, W. C.; Miss Josie Pittenger, W. R. S.; Miss Mary Potter, W. L. S. Besides the usual business transacted we have a paper read at each meeting of which, G. Hale, is editor and Miss Lou Bond, assistant. At the last meeting the members decided to give a public entertainment in about three months.

Postal Regulations.

A postal regulation has been in force now for two months, which is not well known among business men, or it would be more generally availed. We refer to the fact that statements, bill, etc., can now be mailed in an unsealed envelope with a cent stamp.

Thus the monthly statements which are made out by wholesale and retail dealers each month, can be mailed for one cent, but no writing other than the legitimate bill can be placed on the statement. No such words as "please remit" can be, neither can a bill receipted be sent. If it is necessary to have the words "please remit" on the statement or bill they can be printed as part of the heading. Publishers of newspapers have the right to enclose bills for subscriptions in their papers, and also receipted bills for the same; but not to write the words, "please remit," which, however may be printed on bill without infringing the law.

The Postal Department has issued an order, relative to letters dropped unattended in offices. The persons to whom such letters are addressed are to be informed that letters unpaid are directed to them, and, if the postage be sent, the letters will be forwarded.

DIED.

Near Smithfield, Oregon, Jan. 10, 1880, L. M. Baker, aged 52 years.

The deceased was born in Jessamine county, Ky., Oct. 23, 1827. Arriving at manhood he passed through all the hardships incident to our civil war, and at its conclusion in 1865 emigrated to Oregon. He first settled in Yamhill county where he lived until 1873, when he moved to this county.

Decceased was a member of the M. E. Church South, and also was a member of Franklin Grange, No. 155, at the time of its organization. He was a kind husband and father, temperate and charitable, and loved and respected by all his acquaintances. He leaves a wife and eight children to mourn an irreparable loss.

Notice to pay Up.

Persons indebted to J. P. Gill & Son are requested, in the most delicate manner in the world, to call and settle up their small accounts, for we know that they can pay small accounts when, perhaps, they could not pay larger ones. J. P. GILL & SON.

God Bless you Doctor!

Were the words of a poor mother thanking Dr. Young for saving her child, who had been given up by Chicago's best physicians. Yes, in deed! Thousands owe to Dr. Young's YAN KEE COUGH SYRUP their lives the simplest and, most pleasant remedy for diseases of the Lungs ever produced. Children will take it when they refuse all others. Cheering News for Oregon.

Our people have been cut off from communication with the outer world so long that anything which tends to hasten the time when they can come and go without that awful ocean voyage, is hailed with the deepest satisfaction; but better than an Eastern railroad connection is the discovery of the wonderful Oregon Kidney Tea. If you have the backache, or any trouble with the kidneys or bladder, no matter what the cause, it will cure every time and no humbug. Ask your druggist for it.

Ladies' Attention.

Berlin Fashion Patterns at Dunn & Street's.

Now is the time to subscribe to Frank Leslie's Popular Monthly. The January number, commencing a new volume, of this very excellent magazine is an unusually attractive one in its literary and artistic departments. A new serial story of deep interest, entitled "Not Guilty," by Etta W. Pierce, is begun, and those who read the opening chapters will scarcely fail to follow the story to the end. The leading article, "Febrile and Dangerous Encounters at Sea," by Capt. Barrett, of the U. S. Navy, is replete with information and exceedingly interesting. "The Exodus from the Gulf States," by Fred Douglas, "Dwelling House Reform," by Geo. J. Hagar, an article on "De Talleyrand," and one on "Teeth" by Dr. Wilson, will not fail to attract considerable notice. There are 128 quarto pages, with about 100 illustrations together with a beautiful colored frontispiece, entitled "Maternal Solicitude." Those of our readers who desire pleasant and instructive reading should subscribe to FRANK LESLIE'S POPULAR MONTHLY for the new year. The annual subscription is \$3, single copies, 25 cents, postpaid. Frank Leslie Publishing House, 53, 55 & 57 Park Place, New York.

SIR ASTLEY COOPER'S VITAL RESTORATIVE.

It is not a stimulant nor excitant, is perfectly safe to take, is not a quick nostrum, and produces results that are wonderful.

BLEMISHES UPON THE FEMINE COUNTENANCES, if of a complexional nature, speedily vanishes when GLENN'S SULPHUR SOAP is used to liberate them. Pimples, blotches, moth, redness, patches, roughness, tan and freckles are invariably banished by the incomparable clarifying agents. Eruptive ailments, sores, cuts, bruises, scalds and other affections and injuries of the cuticle are likewise removed by it. Sulphur baths have long been recommended as the best remedy for skin diseases, Rheumatism and gout. GLENN'S SULPHUR SOAP is in every respect as efficacious, and far cheaper. By opening the pores and promoting a vigorous superficial circulation, this excellent article contributes to the health of the entire system as well as to that of the cuticle. Since its introduction to public notice it has repeatedly been commended by the medical profession as a preservative and few external affections have won such "golden opinions" among all classes. It prevents obnoxious diseases as well as remedies them, and disinfects clothing and linen impregnated with disease. Dandruff is entirely eradicated by it, and its use is, on that account greatly desiderated by persons whose hair is thinning out in consequence of dryness of the scalp. Those who have used ointments and liquids without avail for the cure of eruptions of an obstinate character, will find, if they try it, that GLENN'S SULPHUR SOAP removes scurfy eruptions, irremediable by less efficacious means, and prevents the recurrence of such disorders. For bleaching fine articles of needlework and all kinds of white woolen, cotton and linen fabrics this soap is superior to any article that can be used for the purpose.

Sold by druggists. Price 25c. per cake. 1 box (3 cakes) sent by mail, prepaid, on receipt of price. G. N. Crittenton, Propr., Sixth avenue, New York. Hill's hair and whisker dye, black or brown, 50c.

Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and Lung troubles when an immediate relief can be so readily attended. Boschee's German Syrup has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Bosch's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.

Answer This.

Did you ever know any person to be ill, without inaction of the Stomach, Liver or Kidneys, or did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Bitters would not cure? Ask your neighbor this same question.
