

THE EUGENE CITY GUARD

EUGENE CITY, OREGON. SATURDAY, JAN. 31, 1880. Democratic State Convention.

A Democratic State Convention is hereby called to meet at Albany, on Wednesday, April 7, at 1 o'clock P. M., for the purpose of nominating a candidate for Congress, three candidates for Supreme Judges, Judges for each of the several judicial districts and Prosecuting Attorneys, and the election of six delegates to attend the National Democratic Convention, and to transact such other business as may properly come before the Convention.

It is recommended that no person cast more than two votes, either by proxy or otherwise, at said Convention, and a full representation is most earnestly requested.

A CONGRESSMAN. The press and politicians of this State are just now interesting themselves supplying the names of desirable candidates for the Congressman to be elected in June.

The press and politicians of this State are just now interesting themselves supplying the names of desirable candidates for the Congressman to be elected in June. The policy, whether intentional or otherwise, of selecting a new man without experience in the methods and routine of Congressional work, has done much to injure and retard the progress of our young State.

Political preachers are doing more in a day to injure the cause of religion, the Utica Observer declares, than the combined attacks of skepticism could accomplish in a score of years.

GENERAL GRANT is reported as saying with the pathos of a child that he has made many mistakes and been guilty of many sins in his life, and has now to reform, emphasizing his resolve by refusing liquor and cutting the acquaintances of old friends.

EX SENATOR MITCHELL is still a power behind the throne when Federal appointments are to be made. Ben Simpson has been appointed Postal Agent for Oregon and Washington Territory.

It is well enough to make note of the fact that of the seven members of the Maine Council only two were Democrats. The five others were Greenbackers and Nationalists.

THE Oregonian is exerting itself prodigiously to help along a Blaine boom. The third term Grant talk throws it into convulsions.

A Stalwart Rule that Works both Ways.

The Hartford Times does not intend that the Stalwarts of Connecticut shall with impunity, charge all manner of fraud and villainy upon Governor Garcelon and the Maine Council on account of their canvass of the returns of the late election in that State.

Mr. Rood was declared to be elected by a Republican Moderator. At another election, the vote for Town Clerk, Farmington, was as follows.

Charles F. Church, (Dem.)... 232 Gideon H. Welch, (Rep.)... 229 G. H. Welch, (Rep.)... 3 G. Welch, (Rep.)... 1-233 Mr. Welch was declared to be elected by a Republican Moderator.

The Pittsburgh Commercial says: If Horatio Seymour is nominated by the Democrats as their candidate for President he will be elected. He is a good and pure man, and stronger than any other man in the party.

THE New York Sun says: Mr. Cameron's little machine seems to work very smoothly in Pennsylvania. An early convention; snap judgment; Blaine's great majority disfranchised; Ring delegation from top to bottom; squealers squelched; fifty-eight votes for Grant, "first, last and all the time!"

Two hundred and thirty thousand dollars worth of produce was shipped from Independence last year. We have just received from the Eastern factory, direct, a large stock of window shades and wall paper.

Robinson & Church at the Hardware Store keep the largest and best selected stock of wall paper and border in Eugene City, comprising in part, Brown, Blanks, Setin, Gift and Embossed paper, which they purchase direct from the Eastern factories and will sell as cheap as the cheapest. All paper trimmed free of charge.

Business men should not forget the blank notes, bill-heads, statements, letter-heads, and every description of commercial printing are neatly and promptly executed at the GUARD office.

THE GUARD is the largest, and most extensively circulated of any paper in Lane county. The GUARD is also the official paper of Eugene City. Advertisers should make a note of this.

Answer This. Did you ever know any person to be ill, without inaction of the Stomach, Liver or kidneys, or did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Bitters would not cure. Ask your neighbor this same question.

Why Will You Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and Lung troubles when an immediate relief can be so readily attended. Boscche's German Syrup has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases.
