

THE EUGENE CITY GUARD

KUPUNE CITY, OREGON.

SATURDAY, MAR. 13, 1880

Democratic County Convention.

At a meeting of the Democratic County Committee, held at Eugene City, Feb. 20, 1880, it was ordered that the Democratic County Convention be held at Eugene City, on Saturday, the 27th day of March, 1880, for the purpose of selecting 10 delegates to the State Convention, to be held at Albany, April 7th; also of nominating a candidate for State Senator, 4 candidates for Representatives, 2 candidates for County Commissioners, a candidate for County Judge, Sheriff, Clerk, Treasurer, Assessor, School Superintendent, Surveyor and Coroner. It was also recommended that the precinct conventions be held at the respective places of voting on Saturday, March 20th.

The County Convention will consist of 60 delegates, apportioned one for each precinct and one for every 25 votes or fraction thereof of 15 or over, cast for State Senator at the June election, 1878, as follows:

Table with 2 columns: Precinct Name and Number of Delegates. Includes Pleasant Hill, Sunlaw, Lanaster, etc.

Total. J. M. THOMPSON, Chairman.

Compliments Returned.

A. S. Duniway, the editorial correspondent of the New Northwest, in her last correspondence from Eugene to that journal stops over, and discovers to the critical public a florid and profuse imagination. She essays to make a mountain out of a molehill and would leave the impression with the few readers of her pestilential sheet, who are not acquainted with the facts that Mrs. Duniway was a whole team, tar bucket and bull dog under the wagon thrown in, and that the good people of Eugene had placed her royal foot upon their necks, and vowed submission. Her letter is filled with a disgusting and fulsome laudation of herself and some of her weak-minded dupes. She animadverts on one of our county officials for refusing her the use of a hall for which she had paid nothing for the use of, the previous evenings, burning the lamps dry, and otherwise injuring the room, she not even thanking him for lighting up and, otherwise caring for the hall. This we think is cheek gone to seed. A woman's right advocate should pay her way and not seek to dead-head it. Her remarks about this paper are not worthy of our notice. Ever since a former proprietor of the GUARD demonstrated his ability to cope successfully with her in slang and billingsgate, the old lady has felt sore and never lost an opportunity to defame it. In conclusion, we should have left her as religiously alone as a certain North American animal, had she treated us with common courtesy.

Yaquina Bay.

Senator Slater has presented, in the Senate, a memorial signed by the Governor and other officials, and several thousand citizens of Oregon praying for an appropriation for the improvement of the Yaquina Bay. This is a question of vital importance to the Willamette Valley, and deserves favorable consideration by Congress. The improvement of the harbor of that bay will be soon followed by a railroad from Corvallis to the bay, thus giving us a competing line. The distance of land transportation would be less, and the excessive tug charges for a hundred miles up the Columbia river avoided. The country adjacent to the bay has great timber and agricultural resources, which any appropriation in aid of the entrance would serve to develop, and add greatly to the wealth of the State. We are glad to note that our Senators and Representative in Congress are active in behalf of securing assistance from the government to assist in the improvement of the bay.

Of No More Importance.

Voorhis, the Congressman from New Jersey, who is about to lose his seat on account of certain criminal irregularities, is a Republican, from a Democratic district, and there is but little doubt, the Quincy Herald thinks that his successor will be a Democrat. Mr. Voorhis' record has not been such as to strengthen his party in that Congressional District. A Democrat elected to succeed him would give the Democrats a majority by States, and then the pious DeLoe Matye of Indiana, will be no more importance than any other ordinary Congressman.

A Protest.

We are sorry to observe that that at one time, old and reliable exponent of Democratic principles, the Mercury, has retrograded, and from opposing the common enemy has turned its batteries against its own party. The course it is now pursuing meets with the disapproval of every sound consistent Democrat; and we are not surprised to learn that many are refusing to receive it longer, considering it an enemy in disguise. Its assaults upon the honor and integrity of some of our best citizens, men whose lives and characters are above reproach, its uncalled for attacks upon the highest judiciary of our state, pursuing them with a venom and malignancy unworthy of a respectable journal should receive the condemnation of every honorable and just man. We have no sympathy with a wing of the democratic party in this state, that seeks its own aggrandizement by endeavoring to destroy other and as good men, who have heretofore enjoyed the confidence, and received positions of public trust from the party. Their cause cannot however, be benefitted by wholesale and unjust denunciations, calculated to involve the whole in a common destruction. The Mercury should amend its course if it desires to retain the respect and patronage of the Democracy.

Let every democrat attend the primary meetings next Saturday. United work will secure the victory.

From present indications there will be no lack of candidates for county offices.

Fair Play.

COTTAGE GROVE, Mar. 10, 1880. EDITOR GUARD:—I crave some space in the columns of your paper to ventilate a matter in which the citizens of this county are deeply interested. My excuse for doing this in a Democratic paper is that the Republican paper would not, probably, notice a communication from me on this question.

The subject to which I wish to call attention is that of the selection of a Republican candidate for state senator. The Federal ring, if they have not already selected their man for that position, have set their faces against the candidacy of others they know cannot be controlled by them. We have in this precinct a man who would make a good senator, and would carry a strong vote, but these self constituted dictators say that he must not be nominated. They will oppose any man that will not wear their collar, and vote as they dictate. The Republican party in this county cannot afford to allow a few men to override the wishes of the rank and file, and I, in common with other Republicans, will convince them that although they may nominate their creature, they cannot elect him. We wish no secret clique of Federal officials to assume the rights belonging to the party, and will promptly resent any interference in them.

A REPUBLICAN.

We have just received from the Eastern factory, direct, a large stock of window shades and wall paper; among the latter many very pretty styles embracing Grained Panels, Embossed, Gilt and Lace Patterns, Satin and Common Blanks, all of which we sell cheap, and no charge for trimming paper.

BLEMISHES UPON THE FEMININE COUNTENANCES, if of a complexional nature, speedily vanish when GLEN'S SULPHUR SOAP is used to obliterate them. Pimples, blotches, moth, redness, patches, roughness, tan and freckles are invariably banished by the incomparable clarifying agents. Eruptive ailments, sores, cuts, bruises, scalds and other affections and injuries of the cuticle are likewise removed by it. Sulphur baths have long been renowned as the best remedy for skin diseases, Rheumatism and gout. GLEN'S SULPHUR SOAP is in every respect as efficacious, and far cheaper. By opening the pores and promoting a vigorous superficial circulation, this excellent article contributes to the health of the entire system as well as to that of the cuticle. Since its introduction to public notice it has repeatedly been commended by the medical profession as a pressed and few external specifics have won such "golden opinions" among all classes. It prevents obnoxious diseases as well as remedies them, and disinfects clothing and linen impregnated with disease. Dandruff is entirely eradicated by it, and its use is, on that account greatly desiderated by persons whose hair is thinning out in consequence of dryness of the scalp. Those who have used ointments and liquids without avail for the cure of eruptive skin of an obstinate character, will find, if they try it, that GLEN'S SULPHUR SOAP removes scabrous complaints irremediable by less efficacious means, and prevents the recurrence of such disorders. For bleaching fine articles of needlework and all kinds of white woolen, cotton and linen fabrics this soap is superior to any article that can be used for the purpose.

Sold by druggists. Price 25c. per cake. 1 box (3 cakes) 75c., sent by mail, prepaid, on receipt of price. C. N. CRITCHEM, Prop'r, 512 Broadway, New York. Hill's hair and whisker dye, black or brown, 50c.

Shrewdness and Ability.

Hop Bitters so freely advertised in all the papers, secular and religious, are having a large sale, and are supplanting all other medicines. There is no denying the virtues of Hop plant, and the proprietors of these Bitters have shown great shrewdness and ability in compounding a Bitters, whose virtues are so palpable to every one's observation.—Exchange.

FRANK LESLIE'S SUNDAY MAGAZINE.—The March number is promptly on our table, taking precedence of all its contemporaries. It is in every respect a most admirable one; a religious, pure and moral tone pervades its pages, and still they abound with articles which appeal to all tastes and classes, and from the pen of such good things that it is difficult to select the most notable features. The opening article, by Heart Lytton, entitled "Esther Brandon's Mission Class," is a very pleasing narrative of the lady's experience in the mission. "The Puritan Revolution," by Rev. Lyman Abbott, is replete with the stirring incidents resulting in the organization of the Puritan party under Cromwell. Those admirable articles on "The Persecutions" of the Huguenots in France under Louis XIV. Etc., etc. An elaborate article on the late Frank Leslie, by the editor (with illustrations), is a beautiful tribute to the artistic and personal merit of the deceased. There are poems of great excellence, sketches, essays, and adventures, etc. One hundred and twenty-eight quarto pages and 100 illustrations; the price of a single copy 25 cts., or \$3 per annum, postpaid. Address, Frank Leslie's Publishing House, 53, 55 and 57 Park Place, New York.

This subject is agitating the minds of the people of Oregon to a great extent, and reminds one of the time when Capt. Eads constructed the jetties in the Mississippi river. But all these topics of the day are thrown in the shade since the introduction of the celebrated Oregon Kidney Tea. The first case it has failed to cure in complaints of the kidneys and bladder, is yet to be heard from.

A Good Thing.

German Syrup is the special prescription of Dr. A. Boesche, a celebrated German Physician, and is acknowledged to be one of the most fortunate discoveries in medicine. It quickly cures Coughs, Colds and all Lung troubles of various nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of imitations of similar names, lately introduced under Boesche's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10 cents.

Ye Pimpled, Bloated and Ulcerated Victims.

Of Scrupulous diseases, who drag your unclean persons into the company of better men, take DR. HYDE'S GOLDEN BLOOD SYRUP, and purge out the foul corruption from your blood. Restore your health and you will not only enjoy life better, but make your company more tolerable to those who must keep it.

Quick Consumption.

Are you going to let that cold run and drive you into a Consumptive's grave? You should not when you can purchase that great vegetable lung preserver, Dr. Young's Yankee Cough Syrup, at 75 cents per bottle. Two doses will relieve the worst cold.
