DEMOCRATIC PLATFORM FOR OREGON.

The Democratic party of the State of Oregon in convention assembled, profoundly sensible of the important consequences depending upon the immediate result of their deliberations, do declare and reassert the principles of popular liberty and rights laid down by Washington, Jefferson and the other founders of the republic. We believe the tendency of the Republican party to centralization and consolidation are contrary to the principles of our institutions; we insist on unity, fraternity and concord, and that the issues formed by the war shall not be revived. We demand honest elections and an honest count of the vote. Never again by fraud or force shall the popular will be set aside by unscrupulous partisans. That we are unqualifiedly opposed to any one holding the office of president of the United States for three terms.

RESOLVED, 1. That we favor honesty efficiency and economy in every department of the government, state and federal.

2. That all property should bear its just proportion of taxation, and we favor the enactment of such laws as will accomplish this end.

3. That we favor the equal protection of the rights of labor and capital under just laws, thereby lessening the burdens and increasing the advantages of the working people.

4. That we claim as amongst the powers reserved to the states, the right to pass at any time by their legislatures, laws designed to prevent common carriers from making unjust discriminations against persons and places.

5. That we favor the maintenance of the public schools, the hope and pride of a free state.

6. That the democracy demand free and fair elections, and to that end denounce all interference with elections by the military power; that the experience of this and other countries has abundantly proved that the presence of troops at the polls is destructive of the freedom of elections and is incompatible with the existence of free institutions.

7. That the efforts of the republican party to open and keep alive the war feeling between the north and the south are to be condemned by every lover of his country.

8. That we favor continued lawful agitation on the subject of mongolian emigration to this country, until the federal government is moved to modify our treaties with the Chinese empire so as to prohibit it, and thus save those of fellow citizens who depend upon labor for support from unjust and degrading competition. We condemn and denounce in the severest terms the veto of R. B. Hayes of the bill limiting Chinese immigration to this country, and this experience shows that the people have no hope for relief from the scourge except from a Democratic President.

9. That we regard with alarm the recent decisions of the supreme court of the United States as having been made in the interest of the republican party, and intended to blot out the last vestige of states rights, centralize and consolidate the federal union, and change it to an empire.

10. That we hold to the constitution with all its amendments, but we insist on an interpretation of the amendments in consonance with the spirit of the original instrument.

11. That we pledge our earnest endeavors to upholding a system of untrammeled suffrage absolutely free from federal force and supervision.

12. That the democracy oppose all favoritism and class legislation. No single interest or class of persons should be protected at the expense of others.

13. That we are opposed to any and all protective tariffs, and are in favor of a tariff for revenue only, and we pledge the democratic party to abolish all restrictions upon commerce as soon as practicable.

RESOLVED, That while we recognize gold and silver as the constitutional currency and regard it as the only real money, we deem any further contraction of the paper issue of the government unwise in the present financial condition.

RESOLVED, That believing the fees of clerk and sheriff to be exorbitant and onerous to litigants, we favor the passage of a law by the next legislature materially reducing their compensation so that the amount paid them shall not exceed the value of their services.

Ayer's *Hair Vigor,*

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

IT is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The VIGOR cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair,

The VIGOR is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.
