This closes the school until next Fall.

All initiated members the blame should not have rested on her, as requested to be present. she had just commenced her term. I feel proud to say in behalf of both teacher and pupils, that the school is in good working order, and progressing finely. Miss Bradley has added a new feature to the practice of teaching in this county. The pupils select some subject and discuss it in place of the Friday afternoon declamations, and where

Cottage Grove Items.

A correspondent at Cottage Grove send the following items under date of May

The town is very much in need of a public hall and railroad office. The livery stable has changed hands, Mr.

H. H. Chance having bought out Mr. R. The crops at the present time are looking exceedingly well. The indications are that the crop this season will surpass any for

many years past. Our business portion of town is being in creased with a saddle and harness shop. Scott Chrisman, formerly of Eugene, is put-

ting up the same. The picnic given last Saturday, was a failure on account of the inclement weather. Those present were compelled to abander dancing on account of the rain.

Mr. C. W. Fitch, Democratic nominee for County Judge, was in town during the week. Mr. Fitch is making many friends and will

beyond doubt be our next Judge. Pacific Lodge, No. 179, L. O. G. T., of this place, is at present in a very flourishing condition. The membership roll reaches about 75, and is still on the increase.

The citizens of this place are making active preparations for a ball and celebration the coming Fourth of July. There will be a meeting next Saturday afternoon to make further arrangements for the same.

Our little burg was treated last evening to theatrical performance in Cottage Grove hotel by two wandering minstrels. The entertainment consisted of songs, jokes, music, etc., and was enjoyed by those present.

The bridge opposite the mill is getting in very bad condition and needs repairing. A bridge is also needed across the creek near the hotel, as it becomes impassable in Winter for teams. Can't the county do something towards this ?

Active preparations are now being made to establish a local telegraph line in town. will be a line between Lurch Bros. and E.
