BRIEF MENTION.

Politics.
Sunshine at last.
How will you vote?
Pigeon shooting match to-day.
The county candidates speak at Creswell to-day.
The candidates are rustling around through the country after votes.
Ice cream this evening at Ruf. Robinson's.
The first of the season.
M. C. Felch has returned after a visit of several weeks to his home in Wisconsin.
Mr. Wm. Irving and Mr. David Cherry are both absent on the excursion to Victoria.
The highest price paid in CASH for Hides, Furs, Deer Skins and Chickens, at the store of S. Rosenblatt & Co.
The foundry has been bought by Abrams Bros., and has been removed to a lot adjoining their planing mill.
Charles Horn has received a large stock of canes of fancy patterns. He sells them cheap. Call and purchase one.
The candidates for surveyor were announced by posters to speak at the Court House, Wednesday evening, but they failed to come to time.
A. S. Ross, special agent of the Travelers Insurance Co., visited our city this week. Hovey & Humphrey have been appointed agents for Eugene City.
Marshal Attebery captured a couple of vags last Tuesday. They were confined in the calaboose over night, and released in the morning on their promise to leave town.
There will be the usual church service at the Christian Church next Lord's day. Rev. S. Monroe Hubbard has gone to the Clear Lake campmeeting and will preach next Sunday there.
Business men should not forget that blank notes, bill-heads, statements, letter-heads, and every description of commercial printing are neatly and promptly executed at the GUARD office.
The citizens were notified some time since to clean the streets and alleys adjoining their property. The time has expired, and Marshal Attebery proposes now to cart away the trash, and charge the expense to the interested parties.
The St. Charles Restaurant is a cozy place kept by Mrs. A. Renfrew in the brick building adjoining the old St. Charles hotel. A number of neat lodging rooms also belong to the house. Meals and lodging, 25 cents each. Board, lodging by the week on reasonable terms. Give her a call.

INCORPORATED.—The following articles of incorporation have recently been filed in the office of the Secretary of State at Salem: Junction City Warehouse Company, duration five years, pursuit, leasing building and conducting storage, commission, shipping, buying and selling of wheat. Capital stock, \$1,000. Incorporators, J. C. Jennings, J. R. Crow, M. M. Eccleson.

FOR MICHIGAN.—Geo. Humphrey and wife who left here on a trip to California, concluded to extend their tour and visit their old home in Michigan, left San Francisco on the 20th. Over 30 years have passed since they left that state for Oregon. Mr. Humphrey's health, we understand has been improved by traveling.

THOS. B. MERRY.—This gentleman, the Democratic candidate for State Printer, spent a couple of days with us this week. Mr. Merry makes many friends by his genial and engaging qualities, and is deserving of the office.

STATE GRANGE.—The seventh annual session of the Oregon State Grange met at Salem, Tuesday, May 25th. Lane county Granges were represented by Mr. and Mrs. J. A. Ayres, Mr. A. Board, and Mr. and Mrs. John Simpson.

WILL NOT SPEAK.—Judge J. J. Whitney will be unable to fill the appointment here next Monday evening, as announced last week. His throat has given out, and he is compelled to retire from the stump.

POMONA GRANGE.—Lane county Pomona Grange will meet with the Grand Prairie Grange at Clear Lake hall on the 1st Saturday in June at 10 A. M. All 4th degree members are invited.

BLUE RIBBON CLUB.—At the last meeting of the executive committee of the Blue Ribbon Club, it was decided to adjourn until Fall. Due notice will begin of the next meeting.

School Superintendent's Visits.

Miss Mary Brown is teaching her first term in number 56, and is doing very good work. Her pupils are studious and orderly; the attendance is somewhat larger than last year.

In district No. 31 Miss Ellie Hale is again engaged. There has been some little trouble in this school during this term caused principally by truancy. Parents and teachers should endeavor to break up this practice as it works very materially to the injury of the entire school; in order to accomplish this object would recommend teacher to report to the parents of such pupils and frequent visitations to the school of such parents.

Mr. H. T. Kristov is conducting school in No. 1 very successfully and has an attendance of 45, mostly small scholars. This district needs a new and more commodious house, very badly, also two teachers, as one is so crowded that it is impossible to do justice to all that may wish to attend.
J. Lamphier is conducting the school in No. 7. I find some improvement in this school since I visited it last year. At that time the teacher was finding some difficulty in getting some of the larger pupils to take up the study of arithmetic, but finally before the close of his term succeeded. All who are large enough are pursuing this branch.

Miss Lertha Cook is engaged in the school in No. 60. Her school is an improvement over the one last spring in work done, attendance and order.

Mr. James M. Kerr is teaching his first term in No. 18, with an average of about 21 pupils. The patrons of this district are very negligent in regard to visiting the school. The teacher informed me that he had received only one visit since he commenced his term about six weeks ago. This is wrong; look out for your school; go and see how your children are instructed, what habits are being formed, &c. Mr. A. C. Spencer was with me at this place and was very well pleased. Mr. Kerr as a matter of course could not be expected to be at the same case as an experienced teacher, one who has been engaged in the business for years, but all this will come as his experience increases.
R. G. CALLISON, Supt.

Cottage Grove Items.

A correspondent at Cottage Grove sends the following items under date of May 26, 1890:

Business very dull during the previous week.

Mr. Shelly, Republican candidate for Sheriff of this county, was in town during the week.

The telephone and telegraph lines between Whipple Bros. store, and Larch Bros., received their finishing touches to-day, and both work like a charm.

Scott Chisaman's harness and saddle establishment, is now ornamented with a new sign. Improvements can be seen in all parts of the town.

Mr. J. W. Gowdy and wife left for Eastern Oregon to-day. Mrs. Gowdy has been ill for some time past, and the trip has been taken to improve her health.

Messrs E. W. Whipple & Bro. contemplate erecting a wheat warehouse at the depot. Work will commence very soon, and the same will add greatly to our growing town.

Willie, only child of J. W. Gowdy, of this place, died last Friday evening at 8 o'clock after a lingering illness. He was buried last Saturday afternoon, having had a very large funeral. DOR.

Irving Burned.

During Monday night the stores of J. E. Bosserman and J. M. Kitchen, of Irving, were destroyed by fire. Mr. Kitchen saved most of his stock which consists principally of drugs and his loss amounts only to about \$400 fully covered by insurance. Mr. Bosserman was not so fortunate. He saved about \$1,200 worth of stock, the rest of it being destroyed, entailing a loss of about \$3,000; no insurance. The fire caught in the rear of Bosserman's store, supposed to be the work of an incendiary.

SERIOUS RUNAWAY.—The following item should have appeared last week, but the copy was mislaid and hence the failure: On Sunday last, rather a serious mishap befell a party of young people of Pleasant Hill—Miss Ida Morgan and Ida Rutledge, and Mr. Buchanan and Mr. Rutledge—as they were returning home from church at Springfield while near the Coast Fork bridge, the strip holding the neck yoke broke, allowing the tongue to fall to the ground. The horses became frightened and commenced to kick and run completely demolishing the carriage and throwing the occupants to the ground bruising them severely. Dr. Shelton was called and found that no bones were broken, nor permanent injuries sustained.

TO BUSINESS MEN.—By the last postal decision, business men can actually make money by using bills and statements of account and bills of sale that are printed, as such can be sent through the mail for one cent if the envelopes are left unsealed; whereas, if made on unprinted paper they will cost three cents. Thus by patronizing the printer, two cents can be saved on every bill or statement sent through the mails. Send in your orders to this office and have a neat and tasty billhead or statement printed, at the lowest rates.

GONE.—Mr. A. T. Hawley, correspondent of the S. F. Bulletin has gone from our gaze after a brief sojourn among us. Mr. Hawley is a gentleman, and we can recommend him to the confidence of other localities where he may visit.

PASSED.—The graduating class of the State University have all passed the examination, and are now preparing for the commencement exercises.

For Lane Back, Side or Short use SHILOH'S POROUS PLASTER. Price, 25 cts. Sold by Osburn & Co., Druggists, Eugene City.

Dodges the Question.

Mr. George in his speeches, has nothing to say in regard to his position on the tariff. He dodges the issue completely, but it will do no good. The people understand him to be in sympathy with the protectionists of his party, and as our Oregon farmers having been paying three prices for their Eastern goods and machinery, they do not propose to add another Radical vote in Congress for their oppression. Mr. George should take a stand on this important question. Will he dare to do it?—Standard.

APPOINTMENTS.

The candidates on the Democratic ticket of Lane county will meet the people for the discussion of political topics at the following places and times:

Cresswell.....Saturday, May 29
Cottage Grove.....Monday, May 31
Salem.....Tuesday, June 1
Richland.....Wednesday, June 3
Long Tom.....Thursday, June 3
Junction.....Friday, June 4
Eugene.....Saturday, June 5

The opposing candidates are cordially invited to be present and divide the time.

THE OREGON KIDNEY TEA.
Read the following testimonials, not from persons 3,000 miles away, whom no one knows, but from well known and trustworthy citizens of Oregon, whose names, written with their own hands, can be seen at our office:
SALEM, Jan. 18, 1883.
I bought a can of the Oregon Kidney Tea and have used only a part of it, but my back-ache is entirely cured. It has a splendid effect upon the urinary organs.
J. F. HOBSON.
SILVERTON, March 20, 1880.
I have used the Oregon Kidney Tea, for pains in the back and am satisfied with its effects. I have no hesitation in recommending it as a mild and safe remedy for lame back or derangement of the kidneys.
C. EISENHART.

This great remedy was discovered by a mission ary in South America. Send a self-addressed envelope to Rev. JOSEPH T. ISMAIS, Station D, New York City.

No Deception Used.

It is strange so many people will continue to suffer day after day with Dispepsia, Liver Complaint, Constipation, Sour Stomach, General Debility when they can procure at our SHILOH'S VITALIZER free of cost if it does not cure or relieve them. Price, 75 cts. Sold by Cresswell & Co., Druggists.
Robinson & Church at the Hardware Store keep the largest and best selected stock of wall paper and border in Eugene City, comprising in part, Brown, Blanks, Satin, Gilt and Embossed paper, which they purchase direct from the Eastern factories and will sell as cheap as the cheapest. All paper trimmed free of charge.

BLEMISHES UPON THE FEMININE COUNTERTAIN-ces, if of a complexional nature, speedily van-ish when GLENN'S SULPHUR SOAP is used to ob-berate them. Pimples, blotches, moth, red-ness, patches, roughness, tan and freckles are invariably banished by the incomparable clar-ifying agents. Eruptive ailments, sores, cuts, bruises, scalds and other affections and injuries of the cuticle are likewise removed by it. Sul-phur baths have long been renowned as the best remedy for skin diseases, Rheumatism and gout. GLENN'S SULPHUR SOAP is in every re-spect as efficacious, and far cheaper. By open-ing the pores and promoting a vigorous superfi-cial circulation, this excellent article contrib-utes to the health of the entire system as well as to that of the cuticle. Since its introduc-tion to public notice it has repeatedly been com-mended by the medical profession and a pres-ent "golden opinion" among all classes. It pre-vents obnoxious diseases as well as remedies them, and disinfects clothing and linen im-pregnated with disease. Dandruff is entirely eradicated by it, and its use, in that account greatly desolated by persons whose hair is thinning out in consequence of dryness of the scalp. Those who have used ointments and liquids without full avail for the cure of eruptions of an obstinate character, will find, if they try it, that GLENN'S SULPHUR SOAP re-moves scabrous complaints irremediable by less efficacious means, and prevents the re-currence of such disorders. For bleaching fine ar-ticles of needlework and all kinds of white woolen, cotton and linen fabrics this soap is su-perior to any article that can be used for the purpose.
Sold by druggists. Price 25c. per cake. 1 box (3 cakes) 75c., sent by mail, prepaid, on re-ceipt of price. C. N. Crittenton, Prop'r, Sixth avenue, New York. Hill's hair and whisker dye, black or brown, 50c.

A Good Thing.

Gerr's Syrup is the special prescription of Dr. A. Boesche, a celebrated German Physi-cian, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures Coughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has a good test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of medicines of similar names, lately introduced Boesche's German Syrup was intro-duced in the United States in 1872, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10 cents.

Underwood Bros. are representing four of the most popular and reliable Insurance Companies on this Coast to-wit: Connecticut of Hartford; New Zealand, of Auckland; Commercial Union, of London; Hamburg & Bremen of Hamburg; representing a capital of over \$20,000,000 gold coin. "Don't wait till the horse is stolen before you lock the stable door."

I wish Everybody to Know.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most in-fluential citizen, and Christian Minister of the M. E. Church just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumptive Cure." It is having a tremendous sale over our country and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. Bourbon, Ind., May 15, 1878.
