Old Winnemucca.

Old Winnemucca, Emperor of all the Piutes, is in town. He will remain here five days. Whither he will direct his steps next, is uncertain. He says that out about Wadsworth and in the neighborhood of the Pyramid Lake Reservation there is a plan on foot to assassinate him. He is in as much trouble as the Emperor of all the Russias. We judge from his descriptions in the Umatilla river above the he gives of his enemies that they are agency. aboriginal Nihilists. These desperate autochthones want to blow him up. He has been blown up so much by the Em- asylum. press Winnemucca and the Princess Winnemucca; by the Princes of his famlly, by his Prime Minister, and by the several ministers that have at various times been placed in charge of the Reservation as "Agents," that he don't scare much at the blowing up business, promise abundantly.

of Hill, in Alleghany, saw a dim light in it. They approached quietly and but he suspects that they have set all the witches of his empire to work on

He has recently discovered that the hair of his eyebrows is becoming astonishingly long. It gets into his eyes in Douglas countries and annoys him. This is the work of French creek. witches, and will soon blind him. His toe nails have lately taken to growing Yaquina, was lately destroyed by fire in a manner that is startlingly luxur-duringhis absence from home. iant. He will soon be like an old badger, he fears and only be able to walk on the ends of his toe nails. He also GUARD OFFICE—Newspaper, book and job printing office, corner Willamette and Seventh his appetite is so great that frequently the means of satisfying it cannot be GRANGE STORE—Dealers in general mer-chandise and produce, corner Eighth and Willamette streets. the means of satisfying it cannot be found; therefore he believes that the witches are so ordering things that witches are so ordering things that ing. presently he will starve to death.

Poisoners have been also employed, and he fears to open his correspondence. He never touches a letter until it has been thoroughly fumigated. He makes his secretary place all letters in the ton mail carrier, rides 58 miles a da tongs and hold them in the smoke of each day in the week except Sunday. burning camphorwood before he even allows them to be opened in his presence. It was but a few days ago that he found a spider in his champagne. shot-guns, breech and muzzle loyders, for saic.
Repairing done in the nextest style and warranted. Shop on 9th street.

This decided him to leave his palace
and seeks the counsel and aid of the and seeks the counsel and aid of the whites. He wants particularly to see John Mackay. He says if he can but see Mackay and get \$5 of him the worst LYNCH, A -Greeries, previsions, fruits, vegetables, etc., Willamette street, first door mies can be bought off. It is for this pupose of striking Mr. Mackay for \$5 that he has concluded to remain five days in town. He expects Mr. Mackay McCLAREN, JAMES-Choice, wines, liggors, and cigars-Willamette street, between Eighth However, should Mr. Mackay not come back from San Francisco next Sunday. he can wait ten days for him, as his MELLER, M.—Brewery-Lager beer on tap and by the keg or barrel, corner of Ninth and Olive streets.

he can wait ten days for him, as his condition cannot well be worse than it now is.

He called at this office last evening piece now and then, till Mackay returned from the "Bay,"he would cease for a time to worry about his eyebrows and toe nails-would, in short, brace up and bid defiance to all the witches and poisoners.

A Strong Case.

A Detroit lawyer had a bill of \$240 against a certain citizen put into his hands for collection the other day, and he wrote a note asking the debtor to call at his office and see about it. The man promptly appeared, looked the bill

over, and said: "Well, I guess that's all correct." "You acknowledge the indebtedness, do you?"

"I do." "And what arrangements will you make to settle it?" "I'll put in an offset. I've been

feeding two hogs for this man all win- Willamette University. ter, and my bill is just \$240. I was figuring it up this very morning." "What, \$240 for feeding two hogs for three or four months!" exclaimed

the astonished lawyer. "Just four months, sir, and the bill

is correct."

day? "Ten dollars apiece." "Well you'll find it hard to convince

the Court that your hog-feed was worth any such sum. "Hog feed," shrieked the other, as he suddenly jumped up, "do you suppose I'm charging \$240 for the feed the pen and was gobbled down, and for my anxiety of mind for fear the pork ers would catch the mumps from my children. Mental anguish is the backbone of this case sir, and every one of It is said by the best judges in such

A Secret for 30 Years.

Pittsburg Posr.

Pirrisauro, April 11.-Light has been thrown on a mystery that has been inexplicable for over thirty years. The devolopments are of a startling nature and concern a man named Griffith, sexton of the First Presbyterian Church, Alleghany, who disappeared about that time. He was addicted to habits of intemperance, and it was sup-posed that he had run away from his family and gone to parts unknown. woman, gone crazy, an inmate for our After these many years it has been revealed that he was murdered. The strange story which comes from a responsible source, is as follows. Two butchers, when going to Pittsburg with their meat in the dead hour of night, Through Yamhill there is a greater in passing an old graveyard on Point in it. They approached quietly and saw Griffith in the act of lifting a body out of a grave which he had opened. One of them took in his hand a piece of board and struck him a blow, the One of the most substantial bridges edge striking him on the head splitting the skull. He fell dead on the body rench creek.

Allen Parker's house at Oneatta what they had done, they concluded aquina, was lately destroyed by fire to fill up over the two, holding that the murder would never be known. In the course of time one of the butchers left for some other parts and there died. The other became dissipated and once while under the influence of liquor stated these facts to some friends, versity and narrowly escaped drown- cret, as the occurrence took place many years ago, and nothing but trouble could be made out of it at this late date. The man died a few years ago, and the friends keeping the secret until the present time.

A Chair from Heaven.

From Chamber's Journal.

In throwing out a ballast or any small article from a balloon, a certain yonville, by two road agents, who comdegree of caution is requisite, as a bottle or any similar object falls with such velocity that if it were to strike the roof of a cottage it would go right Lussac, in an ascent in 1804, threw out a common deal chair from the height Silvertown is a town of oaks. They of 2,300 feet. It fell besides a country straight down from heaver the blessed virgin to her faithful fol-The eighth crib of the Coos Bay imlowers. No one was skeptical enough provement was sunk last Sunday mornto deny it, for there was the chair or rather its remains. The most the incredulous could venture to do was to criticise the coarse workmanship of the miraculous seat, and they were busy The engineers at Coos Bay have con- carping and fault-finding with the cestructed large water-tight tanks which lestial upholstery when an account of are lashed to the sides of the cribs which M.
