

APPALING EFFECT.—The recent oil fires in Pennsylvania destroyed over 70,000 barrels of oil. When our undertakers reflect that a barrel of oil is sufficient to cause the death of 3,000 careless women, the appalling effect of this loss will occasion them hours of bitter anguish.

THE ESPECIAL PURPOSE.—It looks now, remarks the Norristown *Herald* as if Columbus discovered this country for the especial purpose of enabling English walkers, lecturers and opera constructors to come here and carry home thousands of dollars belonging to Americans.

Syntax.—“What’s the matter Johnny—not at school? Are you ill?” “No, I’ve struck. You see I was getting ten cents a week for taking no sugar in my tea, and Bill Wilkins, he gets fifteen, and I want my rights. I’m a workingman.”

The Coast Mail says John Fishburn of Coos county was sentenced to three years in the penitentiary, on a plea of malicious injury to personal property. He was also sentenced to five years for burglary to commence after the expiration of the other three years, making eight years altogether.

Her Answer.—A little girl went to a store at Bellaire, Ohio, the other morning, and asked the clerk how many shoe strings she could get for five cents. “How long do you want them?” he asked. “I want them to keep,” was the answer, in a tone of slight surprise.

From the Web.

There is perhaps no tonic offered the people that possesses as much real intrinsic value as the Hop Bitters. Just at this season of the year, when the stomach needs an appetizer, or the blood needs purifying, the cheapest and best remedy is Hop Bitters. An ounce of prevention is worth a pound of cure, don’t wait until you are penetrated by a disease that may take months for you to recover in.—Boston Globe.

Advertising Charia.

It has become so common to write the beginning of an elegant, interesting article and then run it into some advertisement that we avoid all such cheats and simply call attention to the merits of Hop Bitters in plain honest terms as possible, to induce people to give them our trial, as no one who knows their value will ever use anything else.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS

NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brawly, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vison cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals more if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies’ Hair,

The Vison is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

For sale by all Druggists and Dealers generally.
