German Syrap is the special prescription of Dr. A. Bosches, a celebrated German Physi-cian, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly ourse Coughs, Colds and all Lung troubles of the severest nature, removing as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of medicines of similar names, lately introduced Boschoe's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10

While I was in Tillamook last Winter, I was affected in my back and kidneys so that it was almost impossible for me to reach partland. When I got here I was induced to try the Oregon Kioney Tea. I drank, at my meals, the tea made from it, and it has effected a radical cure. I can highly recommend it to all who are afflicted as I was.
