

Precious Lives.
Eleven years ago our daughter suffered from a bed of misery under the care of several of the best (and some of the worst) physicians, who gave her disease various names, but no relief, and a widow's rest red to us in good health by as simple a remedy as Hop Bitters. But we had waited for two years before using. We earnestly hope and pray that no one else will let their sick suffer as we did, on account of prejudice against so good a medicine as Hop Bitters—The Parents.
