Cathartic Pills

Combine the choicest rathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases, caused by derangement of the stomach, liver, and howels, which require prompt and effectual treatment. Aven's Phila are specially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy acdirectly on the digestive end assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calonel, or any inturious properties, and can be administered to children with perfect safety.

Avre's Pills are an effectual cure for Constipation or Costiveness, Indigestion. Dyspepsia, Loss of Appetite, Foul Stomach and Breath. Dizziness, Headache, Loss of Memory, Numbness, Biliousness, Jaundice. Rheumatism, Eruptions and Skin Diseases, Dropsy, Tumors, Wortus, Neuralgia, Colic, Gripes, Diarrhea, Dysentery, Gout, Piles, Disorders of the Liver, and all other diseases resulting from a disordered state of the digestive apparatus.

As a Dinner Pill they have no equal.

While gentle in their action, these Pills are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the aspetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

Ir is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diserses peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair,

The Vigon is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and surpassed in its excellence.
