August Flower.

The immense sale and great popularity of Green's August Flower in all towns and vilages in the civilized world has caused many imitators to adopt similar names, expecting to reap a harvest for themselves at the expense of the afflicted. This Medicine was introduced in 1868, and for the cure of Dyspepsia, and Liver Complaint, with their effects, such as Sour Stomach, Costiveness, Sick Stomach, Sick Headache, Indigestion, Palpitation of the Heart, vertigo, etc., it never has failed to our knowledge. Three doses will relieve any case of Dyspepsia. Two million bottles sold last year. Price 75 cents. Samples 10 cents.
