

13. That it is the sense of this Institute that the public sentiment of Oregon demands of our next legislature the passage of a five mill tax on taxable property in Oregon for the support of public schools.

14. That we thank Prof. Powell, and also those Lane county members of our last legislature who worked so faithfully for the accomplishment of the purposes set forth in this resolution.

15. That the press which has aided to make this Institute a success by publishing notice of the same, and publishing our proceedings, thus paving the way for yet more successful institutes in the future, merits the support and gratitude of every member of this Institute. Respectfully submitted.

MISS CARRIE CORNELIUS,
MISS LOUISA WILCOX,
T. M. MARTIN.

Music by the String Band.

The Institute was largely attended. One hundred and two were enrolled, sixty-one ladies and forty-one gentlemen.

Out of this number, seventy-seven, forty-six ladies and thirty-one gentlemen, are active teachers.

The sessions were harmonious, and those on the programme met their appointments, with but few exceptions, with a promptness that showed their devotion to their work.

The good seed is sown in good soil, and we expect to see a bountiful harvest that shall fill the storehouses of minds with whom these teachers hearts associate.

We have just received from the Eastern States, direct, a large stock of window shades and wall paper, among the latter are many very pretty styles embracing Grained, Embossed, Gilted and Lace Patterns, Plain and Common Blanks, all of which we sell cheap, and no charge for trimming paper.

THE BEST REMEDY FOR DISEASES OF THE THROAT AND LUNGS.

AYER'S CHERRY PECTORAL. Diseases of the pulmonary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable to every community. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merited the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergymen's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
