

CITY AND COUNTY

BRIEF MENTION.

April showers. The epizootic still rages. Rather a dull court week. Gen. Joseph Lane is no more. Straw hats for Summer wear for sale at Hendricks'. If you wish to buy goods cheap call at S H Friendly's. Last Sunday was Easter. Oh! how the eggs suffered. Horse bills printed at the GUARD office at reasonable rates. Call and see that large stock of goods for sale at Friendly's. The new building for the GUARD office was raised this week. For good dentistry at reasonable figures go to Dr. Davis, over Grange store. Something new—lace kid gloves at S. H. Friendly's. Call and examine them. Silver Plated Ware—A complete assortment; ALL NEW STYLES, at Crain Bros. S H Friendly sells cheap for cash boots, shoes clothing, hats, cap fancy goods, etc. Frank Rankin executes all photographic work with neatness. Call and examine samples of his work. Half-fare rate was given all who wished to attend the funeral of General Joseph Lane, by the O. & C. R. R. A couple of young men broke one of the glass in the front show window of Wilkins' drug store this week. Frank Sutter of Coburg was indicted by the grand jury for assault with a dangerous weapon on John Lo g. Money to loan, any quantity, on long time, and reasonable terms. Inquire of Judge Walton, room No. 4, over Grange Store. Remember and attend the readings to be given by Mrs. D. F. Smith, at the M. E. Church, next Wednesday evening. See the notice of the County Judge's in another column, in relation to a vacant scholarship in the State University. Gen. Lane leaves eight children all residing in this State. Mrs. Barlow, of Siuslaw in this county, is one of his daughters. Mr S H Friendly will pay the highest cash market price for wheat. Give him a call before selling your grain elsewhere. James Fay and Wm. Perkins were allowed a scholarship each in the State University, at the last term of the Douglas county court. The Recorder had two cases of drunkenness before him this week, but on account of their lack of finances, they were dismissed, on promise of leaving town. We understand that the snow on the mountains, on the McKenzie road, is only four feet deep, and that only for a few miles. A person can cross on horseback. Go and see that large stock of goods just received at Hendricks' before purchasing elsewhere. The best stock of mens clothing and unshining goods at prices to suit the times. T G Hendricks has just received a fine lot of tobaccos, including the Carrows, Captain Jack and Corncob brands. Melrose cigarette tobaccos of fine quality. Call and examine his stock. Business men should not forget that blank notes, bill-heads, statements, letter-heads, and every description of commercial printing are neatly and promptly executed at the GUARD office. Elder S. Monroe Hubbard will preach in the Christian Church of this city, next Sunday, morning and evening. Subject for morning, "What Shall I do to be Saved?" evening, "The Poem of Human Life."

When a man stops his paper he thereafter reads it regularly, expecting first, that it will say something about him; and, second, that it will at once begin to dwindle and die. But, to his surprise, it seems to go on just as usual. We acknowledge the receipt of a complimentary ticket to a grand entertainment and ball, to be given by the Old Fellows of Portland, on Tuesday evening, April 29th, for the benefit of the Orphans Home and Education Fund. HEAVY SHOWERS.—Last Saturday evening about 6:30 o'clock in the evening, it commenced sprinkling but soon turned into one of the heaviest rain storms, for a few minutes, we ever saw in Oregon. The rain fell in torrents and the streets in town were one sheet of water. FOR SALE.—We call attention to the advertisement in this issue of Geo. W. Kinsey announcing that he has for sale, very cheap doors, moulding, frames, and sash, also wagons, buggies and other articles in the wood working line. The property belongs to the estate of J. D. Kinsey, deceased, and must be sold. ANNIVERSARY EXERCISES.—The Rebekah Degree Lodge, I. O. O. F., of this city, will celebrate the sixty-second anniversary of the introduction of Old Fellowship into the United States, at their hall next Tuesday evening, April 25th. A good time is expected. BASE BALL.—The University and Town clubs had a match game of base ball last Saturday afternoon, resulting in a victory for the University club, by a score of 24 to 19. This afternoon they play the second game of the series. INDICTED.—John Roberts has been indicted for an assault with a deadly weapon and his trial is set for next Monday. Sayre, now in jail, was indicted on a charge of committing burglary. CONTRACT LET.—The contract for the building of a bridge across the North Fork of the Middle Fork on the Military Wagon road, has been let to Miller & Son for \$1400. DIED.—Mr. David Thompson, of Spencer precinct, aged about 22 years, died one day this week, of typhoid fever.

Special Term of County Court.

A special term of the county court convened at the Court House, Monday, April 15, 1881. Present—Judge C. W. Fitch, Commissioners J. M. Spores and J. A. McMahon, Sheriff Shelly and Clerk Ware. In the matter of the building of a bridge across the North Fork, in Hazel Dell precinct, it was ordered by the court that Stephen Higdon be appointed Superintendent. The county agreed to pay one-half of the contract price, providing said contract price of building said bridge should not exceed \$1,400; and further that said county will pay no money thereon until said bridge shall be approved by the County Court. Adjourned.

Murder.

A man named M. Nykard, who had been working in the logging camp of Mr. J. Wikman, on South Slough, left the camp last Friday in a skiff, saying he was going to Marshfield, and would return to camp on Sunday. On his way to Marshfield he called at Empire where he remained till about 9 o'clock in the evening. On Monday last the body was found a short distance north of Empire City, on the beach, and upon examination several bullet holes and a cut from a sharp instrument were found upon it, indicating that he had been fatally dealt with. We understand a warrant has been issued for the arrest of the supposed murderer.

HANDSOMEST WOMAN.

The \$10,000 prize offered by the citizens of Oregon for the handsomest woman in the United States, has been awarded to Miss Annie Pauline Scott, of Monongahela City, Pa. It is true she is said to possess a handsome form, and to be in the words of an enthusiastic scribe, "superlatively lovable," and not unlike in face of the late Adelaide Neilson. We are surprised that some of the Oregon girls did not compete for the prize, for we are sure that they would have carried off the honors.

WENT TO ROSEBURG.

The following persons went to Roseburg from this city Thursday to attend the funeral of Gen. Lane: Gov John Whiteaker, R B Cochran, J M Thompson, C W Fitch, J G Gray and wife, J M Shelly, G S Kincaid, M S Wallis, O R Bean, I D Driver, and H C Humphrey. Judge Watson, W P Willis, Dr Bayley, Jas Conantock and M Martin, who were here at the county court, also attended.

DIED.—Mrs. Duffy

died at the residence of G. M. Whitney, Friday night April 15th. Death was caused by an ovarian tumor. The physician in attendance, Dr. Sharples, had all arrangements made to attempt the removal of the tumor the day subsequent to her death. An examination after her death was made, which disclosed the fact that the removal of the tumor would have been impossible.

ADJOURNED.—Circuit Court

adjourned last Thursday noon, until next Monday morning, on account of the death of Gen Lane; the Judge and several of those in attendance on court wishing to attend the funeral. Court will last several days next week, as there is considerable business yet to be attended to.

HORSE SHOW.

The annual horse show was held in this city last Monday and was a very creditable affair. A goodly number of horses were in attendance, and we are glad to say that the great majority of them are owned in Lane county.

STOCKMEN—Look to your own interest.

Smith Bailey, of Springfield, has the best Lamax herd in the county, which he will stand at Springfield Wednesdays, Thursdays and Fridays.

Dexter Items.

April 19, 1881.

Mr A R Randall, P M at Tay, died Saturday.

Mr J A Williams had his left foot injured while at work in the logging camp.

Messrs Clayton & Renshaw are teaching a writing school in which great interest is taken.

The young lady from Eugene, mentioned in my last as being employed to teach the school here, failed to meet her engagement, and Mr E F Mulkey of Pleasant Hill is employed.

Miss Emma Briggs, is teaching school at Hill's school house; Miss Mary Laffin at Fall Creek; Miss Mary Ball at the upper district in Lost Valley; and Miss Fanny Comegys at the Butte.

Leg Amputated.

The following we take from the Yakima Record of a recent date: John Splawn, who got into a shouting scrape in Yakima City last October and retired from the fray with a ball in his hip, has since suffered constantly with the wounded member. Physicians hoped to save the limb but were unable to do so, and last week recourse was had to amputation in order to save the patient's life. He is reported as having stood the operation well for one in his debilitated condition and should not erysipelas, to which he is subject, set in, it is thought he will recover. He has the sympathy of the entire community in his long and very painful affliction.

Siuslaw.—We are informed

that on the Lower Siuslaw there is about 150 whites, and plenty of room for at least 1,000 more permanent settlers. The land is covered with an undergrowth, but is easily cleared. The river is a fine body of water, it being at least one-quarter of a mile wide and very deep. The tide extends up the river for 25 miles. At the mouth of the river there is a better harbor than either Coos Bay, Alsea or Yaquina, and in fact, the best between the Golden Gate and the Columbia, it having 19 feet of water on the bar at high tide, and it has only about three breakers across the channel.—Plaindealer.

ARTESIAN WELL.—Last Monday

morning work was commenced on an artesian well in Portland, Oregon, the apparatus having arrived from San Francisco on the last steamer. The machine worked like a charm and it was but a short time after it was set in motion that it reached gravel and when it struck the bed it did not seem to check its progress in the least. This we believe is the first artesian well ever bored in this valley, and are inclined to the belief that it will give such excellent results as will induce hundreds of others to adopt the same means of getting pure, fresh and healthful water in great abundance.

SELECT READINGS.—We are informed

that the noted electionist, Mrs. D. F. Smith, of Portland, will give one of her entertainments at the M. E. Church, in this city, next Wednesday evening, April 27th. We can assure the people of Eugene that this lady is one of the most accomplished electionists in the State, as many of our citizens, who attended her readings last Winter, can testify. All wishing a rare treat should be present. We hope to see a full house. Reserved seats can be secured at Crain Bros. music store.

STILL IN THE SERVICE.—Mr. Wm. Rubell,

formerly of this city, who it will be remembered enlisted in the English army, is still in service. His father, Mr W H Rubell, of Dallas, has recently sent the necessary money to Senator Slater, to purchase his discharge, and before long we may expect to hear of his being honorably discharged. He probably will not again soon take such a foolish streak, and will probably be content to return to his old home in Oregon and earn his livelihood by the sweat of his brow.

ATTORNEYS IN ATTENDANCE.—We noticed

the following attorneys in attendance on the Circuit Court this week: J M Thompson, J W Watson, Geo B Harris, C W Fitch, R S Bean, D M Risdon, Horace Knox and H C Humphrey, Eugene; Geo S Washburne and J L Wright, Junction; Judge J F Watson, District Attorney J W Hamilton and W E Willis Roseburg; John Barnett and John Kelbay, Corvallis.

FINE STOCK.—Last Monday about 20

head of fine horses, belonging to Mr. J. F. Miller, of Salem, passed through this place on their way to Lake county. Among the number were the fine horses, Eye Straw, Black Stranger, and the fast mare, Haidoe. Most of the horses were in a very poor condition, which reflects no credit on the owner.

DISAGREED.—The jury in the case of the

State of Oregon vs J. R. Cartwright, for manslaughter, which has been on trial this week in the Circuit Court, disagreed, after being out all of Wednesday afternoon and night, and were discharged. We understand that the last ballot in the jury room stood 7 for acquittal to 5 for conviction.

FOURTH OF JULY.—It has been several

years since the people of Eugene have celebrated our national day. Would it not be well to have a celebration here this year, and by this means save our money at home instead of having to go to some of our neighboring towns. Who will make a move in this matter?

BAND TOURNAMENT.—Five bands

have signified their intention of entering the contest at Dallas on the 31 and 4th of June. Eugene, Amity, North Yamhill, Lafayette and Albany, will each send a band to compete for the honors and share in the deficits of the occasion.

NEW COLVERT.—The city authorities

have let the contract for the continuation of the culvert, at the railroad crossing, across the street.

RETURVED.—The Wheeler surveying

party have returned home, having finished the contract.

Dr. Bailey, of Corvallis, spent several days in this city this week.

Mr. Harry Miller, of Portland, was in town one day this week, on business.

Mr. and Mrs. Frank Miller of Portland, are in town. Mr. Miller is superintending the Eugene bridge.

Mrs. A. Renfrow, at one time proprietor of the St. Charles Hotel, was in town this week attending Circuit Court.

Nels. Lunkey, one of the old residents of this county has been in attendance on the Circuit Court. He hails from Iatlam.
