Increased Cost of Living.

Here is an article clipped from the extol Mr. Villard for his munificent gifts Boston Globe which shows how we are to the State University. Our corres- robbed at both extremes of the counpondent, who is the peer of any gentle- try. Here by reduced prices and there man in the State in point of intelli- by increased cost of home productions. gence and ability, seems to think that
Mr. Villard's is a benevolent monopoly
that will deal fairly with the people.
While his reasoning may be good, exwhile his reasoning may be good, exwhile his reasoning may be good, extelligent people can or will, or ought to

therity and control will abuse their increased cost of living is now a subpower. We do not expect the corporaject of general comment. A visit to
tions, of which Mr. Villard is the
market shows that the prices of staple
there will do otherwise; they have the
articles are much higher than they head, will do otherwise; they have the articles are much higher than they extentire Northwest Coast under their were a year ago. In the one article of control, and will make all they can flour the wholesale rates have risen in from their investments without entire. a single twelvementh from \$5 and by raining the goose that lays the gold- \$5 85 per barrel to \$7 75. The retail en egg. We trust that Mr. Villard had rate is now from 89 to \$10 per barrel.. zo no mercenary motive as a mainspring Wheat which was selling at \$1 25 in to his kind acts to the University. It September, 1880, nowforings \$1 50 per is universally demanded by our people bushel. Butter is worth ten cents that freight rates should be cut down more than it was a year ago, and the from their present exorbitant figure, price of eggs has also advanced. Pork and no representative should be elected which was sold for \$16 a year ago, is from this county to the next Legisla- now quoted at \$22 and \$24. Sweet ture, who will not pledge himself to vote and other potatoes has also equally adfor measures that will check and restrict vanced in price. It is the same with other farm products. On potatoes the increase is estimated at 119 per cent., ABOUT \$10,000,000 are now lying on apples 100, corn 68, flour 40, wheat idle in the U. S. Treasury at Washing- about 55, and fresh meats at least ten ton for the rederaption of matured per cent. It is believed by many economists that much of this rise is artifirious dates from before Jan. i, 1867, cial, and that so soon as the high prices to July 1, 1881. There is also all compel a marked decrease in the deamount of some \$12,000,000 or more mand the prices will also decline. But yet presented for redemption. The come. In consequence of the high probability is that but little, if any, of prices of living, boarding-houses have this large amount will ever be called increased their prices and restaurants

GEO. W. KINSEY, AGENT.

Eugene City, April 23, 1881.

A Cough, Cold or Sore Throat with the exercisiting pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOWS SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about. There is not a mother on earth who has ever mod it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sole everywhere. 25 cents a bottle.

In an Incurable Lung Disease or Consumption. BROWN'S BRONCHIAL TROCHES are certain to give relief in Asthma Bronchits, Coughs, Catarrh, Consumptive and Throat Diseases. For 30 pears the Troches have been recommended by physicians, and always give person and always give person and always give person to the statisfaction. They are not new or unstant use for nearly an entire generation, they have attained well merited rank among the few staples wells of the age. Public speak.

Holman's Pad.

Liver AND

IN ALL CASES OF BILIOUSNESS AND Maharia in every form as a preventive and cure of all kinds of fever, Dr. Holman's PAD is a perfect success; and for Dyspepsia, Sick Headache and persons prostration, as the FAD is applied over the pit of the stomach—the great nerve center—it annihilates the disease at once. It removes Torpidity of the Liver and restores a natural action of the Stomack. It neutralizes and destroys Bland Poisons caused by the Virus of Scrudala, Canoer, Maharial or Contaginus Diseases, and challes the whole system with Natures tree twic. It regulates the Liver and Stomuch so successfully that digration becomes perfect.

that digration becomes perfect.

Professor D. A. Loomis save: "It is nearer a universal Panacea than anything in medicine."
This is done on the principle of Alsorption, of which DR. HOLMAN'S PAD is the genuine
