GENERAL GRANT has written a letter to Mahone which indicates on its face that he is in the field for the Presidency in 1884. This time there will be no Secretary Sherman to split up the Southern delegations.

Oregon wants an industrial school badly, to gather up the itinerant youth scattered through the State without occupation or visible means of support. Albany could contribute several youths to such an institution as well as not, and probably every town of note in the State could do the same. Let some philanthropic person offer $10,000 for the endowment of such a school and start the ball rolling.—Albany Herald.

A homicide occurred at Prairie City, Grant county, recently, a well known resident, A. E. Starr, shooting and killing a young man named Jeff Parry. The cause given is that the latter had refused to marry the daughter of the former, with whom he had been keeping company. The girl is but 16 years old and all connected with the affair have heretofore been persons of good repute.

Is a compound of the virtues of sarsaparilla, stillingia, mandrake, yellow dock, with the iodide of potash and iron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the purest, safest, and most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Face-grubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Rheum, Scald-head, Ring-worm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood and cause derangement and decay. It stimulates and enlivens the vital functions, promotes energy and strength, restores and preserves health, and infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair who will give AYER'S SARSAPARILLA a fair trial.

It is folly to experiment with the numerous low-priced mixtures, of cheap materials, and without medicinal virtues, offered as blood-purifiers, while disease becomes more firmly seated. AYER'S SARSAPARILLA is a medicine of such concentrated curative power, that it is by far the best, cheapest, and most reliable blood-purifier known. Physicians know its composition, and prescribe it. It has been widely used for forty years, and has won the unqualified confidence of millions whom it has benefited.
