

The Effect of Competition.

Chicago is in a bad way. It finds its supremacy as a grain market endangered by the cheap freights from St. Louis & Liverpool, which enables the St. Louis dealers to pay higher prices for grain than those of Chicago.

A correspondent, who has been looking it up, reports that Thomas Jefferson was the only one of our Presidents who never had any receptions at the White House.

Ague Cure

Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and certain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, and all malarial disorders. In miasmatic districts, the rapid pulse, coated tongue, thirst, lassitude, loss of appetite, pain in the back and joints, and coldness of the spine and extremities, are only premonitions of severer symptoms, which terminate in the ague paroxysm, succeeded by high fever and profuse perspiration.

It is a startling fact, that quinine, arsenic and other poisonous minerals, form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their own drug poison in the system, producing quinine, dizziness, ringing in the ears, headache, vertigo, and other disorders more formidable than the disease they were intended to cure.

AYER'S AGUE CURE thoroughly eradicates these noxious poisons from the system, and always cures the severest cases. It contains no quinine, mineral, or any thing that could injure the most delicate patient; and its crowning excellence, above its certainty to cure, is that it leaves the system as free from disease as before the attack.

For Liver Complaints, AYER'S AGUE CURE, by direct action on the liver and biliary apparatus, drives out the poisons which produce these complaints, and stimulates the system to a vigorous, healthy condition.

We warrant it when taken according to directions.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.
