

Democratic State Convention.

A Democratic State Convention is hereby called to meet at Portland, on Wednesday, April 25th, 1882, at 11 o'clock, A. M., for the purpose of nominating a candidate for Governor, a candidate for Chief Justice, a candidate for Secretary of State, a candidate for State Treasurer, a candidate for Superintendent of Public Instruction, a candidate for Prosecuting Attorney in each of the Judicial Districts, and to transact such other business as may come before the convention. The convention will consist of 202 delegates, apportioned among the various counties as follows:

Table with 2 columns: County Name and Number of Delegates. Includes Baker, Benton, Clackamas, Clatsop, Columbia, Coos, Curry, Douglas, Grant, Jackson, Josephine, Lake, Multnomah, Polk, Tillamook, Washington, Wheeler, Yamhill, and Total.

The committee suggests, unless otherwise ordered by the local committees, that the primaries be held on Saturday, March 25th, and the County Conventions on Wednesday, March 29th. By order of the Democratic State Convention.

A Singular Request.

The Indian Ka-ta-ta, who was sentenced to be hung on the 31st inst., says the Standard, has requested that his time might be shortened in order that the interpreter, Mr. George Kestrometoff, and the Indians here as witnesses might be present at the execution. As they will sail on the 29th or 30th, Judge Deady yesterday ordered that the execution take place on Tuesday, the 28th. It is not often that a condemned man makes such a request, but it is hardly to be wondered at in this case, as should the interpreter and witnesses be gone the poor wretch would have to meet his death surrounded entirely by strangers, not one of whom could understand a word he might say, and with not one friendly or familiar face present.

Mr. John Denny, who resides near the foot of Washington Butte, Linn county, has received the 29 Mongolian pheasant set to him by his brother O. N. Denny, Consul at Shanghai. He proposes turning them loose on the butte, and the Albany Register warns all hunters, should they be in the vicinity of Washington Butte, or anywhere else in the county, not to harm a feather of them, under the penalty of being prosecuted.

Capt. Delson of the engineer corps of Surveyors, now in the field, informs us that the tunnels through the Cow Creek and Grave Creek mountains will be about 1900 and 3300 feet respectively. The longest tunnel is between Grave Creek and Junipfer Joe. Bids were received and opened Wednesday last for this work.—Plaindealer.

Ayer's Hair Vigor, FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR. It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed; while to brassy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable. The Vigor cleanses the scalp, cures and prevents the formation of dandruff; and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible. As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass. SOLD BY ALL DRUGGISTS EVERYWHERE.
