

THE PLATFORM.

The Democratic party of the State of Oregon in convention assembled, cognizant of the important consequences depending upon its deliberations, and affirming the principles of popular liberty and rights laid down by the founders of this government, do declare as follows:

- 1. That we favor honesty, efficiency and economy in every department of the government, both state and federal.
2. That we favor the equal protection of the rights of labor and capital under just laws.
3. That while we recognize and respect the legal rights of railroad enterprises, we demand that our legislatures, state and federal, exact such laws regulating the same, as may be necessary to prevent any unjust discrimination and oppression of the people.
4. That we denounce the present tariff system as class legislation favorable to the few and oppressive to the many; and therefore demand an immediate revision thereof, a reduction of all important duties to a strict revenue standard; and that the free list be so enlarged as to include all articles of mechanical, agricultural and domestic use among the people, as far as the needed revenue of the government will permit.
5. That the president's veto of the Chinese immigration bill is a public misfortune. It sets the degrading mark of competition with coolies of China upon the labor of the workmen of America, and it treats with contemptuous disregard the unanimous protests and appeals of the entire Pacific coast. In behalf of the people of Oregon we disapprove and condemn it, and declare it to be the duty of every citizen, regardless of party, to express his disapproval with his vote as well as with his voice.
6. That the assassination of President Garfield was a national calamity to be regretted by every law abiding citizen, and that said assassination was the result of the pernicious practice of the republican party in applying the spoils system to every branch of the civil service of our government.
7. We believe that polygamy is a crime punishable by law and that its existence should be made odious and impossible.
8. That we are in favor of a repeal of the navigation laws, and the removal of the duties on all materials that enter into the construction of vessels, so that produce can be carried in American bottoms, and the American people be able to enter into competition for the carrying trade of the world.
9. That we regard the improvement of the Columbia river and its tributaries, the Yaquina and Coos bays, the harbor of refuge at Port Orford, the Copville river, the construction of the locks at the Cascades and Dalles of the Columbia river, and the improvement of other harbors and rivers of our state as essential to the prosperity of its people, and we demand of our senators and representative in congress their best endeavors to secure liberal appropriations and favorable legislation therefor by the general government, to the end that the whole of Oregon may share in the certain benefits ensuing from competition in transportation.
10. That we favor the maintenance of public schools, the hope and pride of a free state, and we demand such ways and means as will contribute to the increase of funds for that purpose.
11. That we favor the taxation of all mortgages in the county where the same are recorded.
12. We assert that it is the duty of the legislature to enact such laws as will make the compensation of clerk and sheriff of every county in this state commensurate with the services performed.
13. We denounce any organization or legislation that would prescribe any citizen on account of religion or nationality.

WARNER'S SAFE

The leading Scientists of to-day agree that most diseases are caused by disordered Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restore and keep them in order. It is a POSITIVE Remedy for all the diseases that cause pains in the lower part of the body—for Torpid Liver—Headache—Furuncles—Dizziness—Gravel—Fever, Ague—Malarial Fever; and all difficulties of the Kidneys, Liver and Urinary Organs. It is an excellent and safe remedy for females during Pregnancy. It will control Menstruation and is invaluable for Leucorrhoea or Falling of the Womb.

As a Blood Purifier it is unequalled, for it cures the organs that makes the blood. This remedy which has done such wonders, is put up in the LARGEST SIZED BOTTLE of any medicine upon the market, and is sold by Druggists and all dealers at \$1.25 per bottle. For Diabetes, enquire for WARNER'S SAFE DIABETES CURE. It is a POSITIVE Remedy. H. H. WARNER & CO., Rochester, N. Y.

Ayer's

Ague Cure

Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and certain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, and all malarial disorders. In malarial districts, the rapid pulse, coated tongue, thirst, lassitude, loss of appetite, pain in the back and loins, and coldness of the spine and extremities, are only premonitions of severer symptoms, which terminate in the ague paroxysm, succeeded by high fever and profuse perspiration.

It is a startling fact, that quinine, arsenic and other poisonous minerals, form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their own drug poison in the system, producing quinsin, dizziness, ringing in the ears, headache, vertigo, and other disorders more formidable than the disease they were intended to cure. AYER'S AGUE CURE thoroughly eradicates these noxious poisons from the system, and always cures the severest cases. It contains no quinine, mineral, or any thing that could injure the most delicate patient; and its crowning excellence, above its certainty to cure, is that it leaves the system as free from disease as before the attack.

For Liver Complaints, AYER'S AGUE CURE, by direct action on the liver and biliary apparatus, drives out the poisons which produce these complaints, and stimulates the system to a vigorous, healthy condition.

We warrant it when taken according to directions.
