The leading Scientists of to-day agree that most diseases are caused by disordered Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restores and keeps them in order. It is a POSITIVE Remedy for all the diseases that cause pain in the lower part of the body—for Torpid Liver, Headaches—Jaundice—Dizziness—Gravel—Fever, Ague—Malaria Fever, and all difficulties of the Kidneys, Liver and Urinary Organs. It is an excellent and safe remedy for females during Pregnancy. It will control Menstruation and is invaluable for Leucorrhoea or Falling of the Womb. As a Blood Purifier it is unequalled, for it cures the various skin diseases such as Eruptions, Itch, Scabies, etc. This remedy which has done such wonders, is put up in the LARGEST SIZED BOTTLE of any medicine upon the market, and is sold by Druggists and all Dealers at \$1 25 per bottle. Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for diseases caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. AYER'S PILLS are especially applicable to this class of diseases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value as a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel or any injurious properties, and can be administered to children with perfect safety.

As a Dinner Pill they have no equal.

While gentle in their action, these PILLS are the most thorough and searching cathartic that can be employed, and never give pain unless the bowels are inflamed, and then their influence is healing. They stimulate the appetite and digestive organs; they operate to purify and enrich the blood, and impart renewed health and vigor to the whole system.
