

A curious illustration of the beauties of litigation has recently come to light in New York. A corporation known as the "Open Board of Brokers," possessed of over \$100,000 worth of property, and owing a dollar to nobody, concluded to go out of business. Upon application of the trustees to the attorney-general a friendly suit was commenced to put an end to the corporation and divide the property among its members. No opposition was made to the suit, but the lawyers got their work in all the same, and the board finds that after the property has been in the hands of "receivers" for two or three years that it is all swallowed up in attorney's fees, and that the members of the board will not get a solitary copper out of it.

HE HAS AN OFFICE.—Mallory, by the name of Rufus, has been in Oregon 22 years, of which he has held office 20 years. About two months ago he was succeeded by Judge Watson. The gentleman was very indignant at such treatment and thought his party had neglected him. He has found another office, however. This time he goes to China to find out what kind of stuff the Chinese have been trying to import here under the name of arrowroot, for which he is to receive the sum of \$10 per day. Now the question naturally arises, what does Mallory know about the root and can he find out any more than the minister at that place could? But Mallory must be provided for and it is probably as well to give him \$10 per day for this root business as anything else.

A FATHER'S REVENGE.—Considerable excitement prevails in Josephine county, says the Jacksonville Times, over a shooting affray that occurred in Alt-house precinct on the 22d, which resulted fatally to Walker Aikers. D. M. Gilmore, his slayer, is also seriously wounded in the thigh. We may not be correctly informed, but this is the version of the affair, as we have learned it: Aikers seduced Gilmore's daughter while she was in his wife's employ, and left the country when her condition became known. He returned recently, however, and the exasperated father took the matter in his own hands, with the above termination.

August Flower

The immense sale and great popularity of Green's August Flower in all towns and villages in the civilized world has caused many imitators to adopt similar names, expecting to reap a harvest for themselves at the expense of the afflicted. This Medicine was introduced in 1868, and for the cure of Dyspepsia, and Liver Complaint, with their effects, such as Sour Stomach, Costiveness, Sick Stomach, Sick Headache, Indigestion, Palpitation of the Heart, vertigo, etc., it never has failed to our knowledge. Three doses will relieve any case of Dyspepsia. Two million bottles sold last year. Price 75 cents. Samples 10 cents.

The leading Scientists of to-day agree that most diseases are caused by disordered Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restores and keeps them in order. It is a **POSITIVE Remedy** for all the diseases that cause pains in the lower part of the body—for Torpid Liver—Headaches—Jaundice—Dizziness—Gravel—Fever—Ague—Malarial Fever, and all difficulties of the Kidneys, Liver and Urinary Organs. It is an excellent and safe remedy for females during Pregnancy. It will control Menstruation and is invaluable for Leucorrhoea or Falling of the Womb. As a Blood Purifier it is unequalled, for it cures the organs that makes the blood. The remedy which has done such wonders is put up in the LARGEST SIZED BOTTLE of any medicine upon the market, and is sold by Druggists and all dealers at \$1 25 per bottle. For Diabetes, enquire for WARNER'S SAFE DIABETES CURE. It is a **POSITIVE Remedy** H. H. WARNER & Co., Rochester, N. Y.

## THE BEST REMEDY

FOR

Diseases of the Throat and Lungs.

AYER'S

CHERRY

PECTORAL.

In diseases of the pulmonary organs a safe and reliable remedy is invaluable. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, of such power as to insure the greatest possible efficiency and uniformity of results. It strikes at the foundation of all pulmonary diseases, affording prompt relief and rapid cures, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it readily. In ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergymen's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

Low prices are inducements to try some of the many mixtures, or syrups, made of cheap and ineffective ingredients, now offered, which, as they contain no curative qualities, can afford only temporary relief, and are sure to deceive and disappoint the patient. Diseases of the throat and lungs demand active and effective treatment; and it is dangerous experimenting with unknown and cheap medicines, from the great liability that these diseases may, while so trifled with, become deeply seated or incurable. Use AYER'S CHERRY PECTORAL, and you may confidently expect the best results. It is a standard medical preparation, of known and acknowledged curative power, and is as cheap as its careful preparation and fine ingredients will allow. Eminent physicians, knowing its composition, prescribe it in their practice. The test of half a century has proven its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
