State Election.

The returns from the State election are meager, but enough is known to state that Republicans elect their entire ticket by from 1,000 to 3,000 majorities.

Undoubtedly the Case.

In an interview with a World reporter, Senator Slater assigned the loss of Oregon to the Democrats, among other reasons, to the following, which undoubtedly is the main and only cause:

Then there was money sent there from Washington, and this was undoubtedly used in some of the back counties. I say money was sent there because I know by putting certain circumstances together that such was the case.

May Have Cause to Regret.

The New York Times, (Rep.) speaking of the result of the election in this State, says:

The result of the election in Oregon will disappoint many Democratic demagogues who have predicted that the first political canvass in the Pacific States since the turmoil over the anti-Chinese bill would be a signal rebuke to the perfidy of the Republican party.

New Postal Order.

The very general demand made by the people for some modification of the existing money order law, whereby sums smaller than \$5 can be sent by the mails with the same security as by money order, but at a less rate, and in a more convenient manner, has led to the preparation of a bill to meet this demand, which will probably be passed whenever it is reached by congress.

The New York Sun prints an interesting statement of the increase of circulation following great events, which shows that after a presidential election circulation moves up 73 per cent, 35 per cent after State and city elections, 20 per cent during the last days of walking-matches, and from 5 to 10 per cent after occurrences like hangings and big fires.

Mr. Moody's majority over Mr. Smith will be less than 1,300 in the State. The Republican managers in this county knew what they were about and what they needed when they bought about a thousand cattle and voted 500 illegal voters.

The Siuslaw.

EUGENE, June 12, 1882.

ED. GUARD.—Recently I took a short trip to the lower Siuslaw country to find out if possible the true state of the river and bar and its availability for commercial purposes.

I can say from what I saw and from what information I could gain, that there are large bodies of the very best fir timber in that section of the country. Above the mouth of Lake Creek there are large quantities of timber that can be sent down the streams with a slight rise of water to tide water and there safely caught with a boom.

CHANGE OF ROUTE.—The Roseburg Plain-dealer says: We hear just before going to press that the manager of the O & C R R extension has concluded to accept the survey through the Grave Creek hills, which makes it necessary to take the long tunnel instead of the short one.

There was displayed near the soda water fountain, in a drug store, the sign "Bovine Vaccine." A young man, accompanied by a young woman, who might have been his country cousin or sweetheart, entered, and in response to the inquiring look of the boy who tended the fountain, said: "You may give me bovine." The young woman's eyes had been resting on the unusual sign near the fountain, and when her companion turned to her and asked how she would have here, she said, timidly, "I guess I'll try a little vaccine!"

Foley Springs.

These healthful and medicinal hot springs have been purchased by Mr. Peter Raney late of Astoria. Mr. Raney will thoroughly rest and renovate the buildings on the premises, and will be prepared to accommodate those in quest of health or pleasure.

HOLLOWAY PILLS—What is Life Insurance? Apoplexy, &c.—Many people insure their lives to benefit their families by death—how paradoxical is this. To prolong life by preserving the health would be a far more rational and secure way of insuring it.

IMPORTANT NOTICE.—None are genuine unless the signature of J. HOLLOWAY surrounds each box of Pills and Ointment. Boxes at 25 cents, 50 cents and \$1 each.

Croup, Whooping Cough and Bronchitis, immediately relieved by Shilo's Cure. O. & Co. Catarrh Cured, heat and sweet breath secured by Shilo's Catarrh Remedy. Price 50 cents. Nasal Injector free. Sold by Osburn and Co.

MOTHERS! MOTHERS! Are you disurbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere. 25 cents a bottle.

A Cough, Cold or Sore Throat should be stopped. Neglect frequently results in an incurable Lung Disease or Consumption. BROWN'S BRONCHIAL TROCHES are certain to give relief in Asthma, Bronchitis, Coughs, Catarrh, Consumptive and Throat Diseases. For 30 years the Troches have been recommended by physicians, and always give perfect satisfaction. They are not new or untried but having been tested by wide and constant use for nearly an entire generation, they have attained well merited rank among the few staple remedies of the age. Public speakers and singers use them to clear and strengthen the Voice. Sold at 25 cents a box everywhere.

Never Known to Fail.

H. H. WARNER & Co. Sirs—I have recommended your Safe Kidney and Liver Cure to many hundreds of people from Texas to New York, have seen it tried by many of these, and have yet to hear of a single case of failure.

Gentlemen whose beards are not of a pleasing shade complain of the defect by the use of Buckingham's Dye for the whiskers.
