

There is a rumor afloat that the railway hands at Cow Creek have struck rich placer mines and jumped some of the company's ground.

A match game of base ball between the Dallas and Salem Clubs, for \$100 a side at Dallas, was played on Friday evening last and was won by the Dallas club.

On last Tuesday while Mr. Kazer, says the Independent, was trying to pass two teams with his wagon near Cornelius, the wheel of his wagon struck the end of a log, and it being on a hillside the wagon turned over and killed a three year-old boy and seriously injured another child.

Marion Smith, a Douglas county lad, 16 years old, while out hunting with several companions a few days since, accidentally discharged his gun into his bowels and died a few hours thereafter. The boys who were with him carried him five miles to the nearest house before assistance was procured.

The Hillsboro Independent is responsible for this: The county fair will not be a success although the weather is fine. The total receipts will not probably be more than \$3,500, and it looks now as if the prediction of a close observer that the society would "run behind" from \$1,000 to \$1,500 would prove true.

As might have been expected the star-route robbers will most likely go unwhipped of justice. There is no such thing as punishing corruption—no matter how stupendous it may be—while the Republican managers control the machinery at Washington. There was a clear case against these thieves; but the jury was packed in their favor, and the prosecution bought with their stolen gold.

The leading Scientists of to-day agree that most diseases are caused by diseased Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restores and keep them in order. It is a POSITIVE Remedy for all the diseases that cause pain in the lower part of the body—for Torpid Liver—Headaches—Jaundice—Dizziness—Gravel—Fever, Ague—Malarial Fever, and all difficulties of the Kidneys, Liver and Urinary Organs. It is an excellent and safe remedy for females during Pregnancy. It will control Menstruation and is invaluable for Leucorrhoea or Falling of the Womb.
