

NOTICE.

Notice is hereby given that J. R. Campbell has severed his connection with the EUGENE CITY GUARD. The business will hereafter be carried on by I. L. Campbell, who will collect all debts due the firm of Campbell Bros.

I. L. CAMPBELL, J. R. CAMPBELL. EUGENE CITY, August 31, 1882.

How Times Have Changed.

If there was ever a man in this country upon whose head the republican press emptied its vials of wrath for his course during "the late unpleasantness," that man was J. R. Chalmers, of Mississippi. When, in 1876, he announced himself a candidate for Congress from the Shoe-string district, he was singled out as the one great enemy of the country, of the republican party and of the poor colored man, who should be beaten at all hazards.

Sec. 2. That due proof shall in all cases be made that the person making the entry or his successor, under the homestead laws, has in good faith actually resided upon and improved the land for the full period of three years immediately succeeding the date of his settlement or entry.

An Item of Interest to Settlers.

The following bill is of so much general interest to settlers that we give it in full:

To shorten the time required to acquire homesteads on the public domain, That section 2,201 of the Revised Statutes be, and the same is hereby amended by striking out the words "five years" where the same occur in that section, and inserting in their stead the words "three years."

Sec. 3. That section 2,297 of the Revised Statutes be amended so as to read as follows: Sec. 2,297. If at any time after the filing of the affidavit as required in section 2,291, it is proved after due notice to the settler to the satisfaction of the Commissioner of the General Land Office, that the person having filed such affidavit has actually changed his residence or abandoned the land, then and in that event, the land so entered shall revert to the Government.

Plow Deep.

The benefits of deep tillage are exemplified in the case of a party who last year purchased a farm in Yamhill county. He states that the land has been sown to wheat for many years and had ceased to be productive, in fact was considered worn out.

Think of the destructive power of the eighty-ton guns of the British ironclad "Inflexible," which was the heaviest vessel engaged upon the forts of Alexandria, throwing a ball or shell made of chilled steel the size of an ordinary barrel. The bore of the gun is sixteen inches in diameter, and the velocity of the ball, at a range of four miles, is so great as to cut through twenty-five inches thickness of wrought iron.

Geo. L. Woods, Ex-Governor of this State, has been nominated by the Republican Congressional Convention of the Second California District, for Congressman. It is said that he got the nomination by political jobbery, for which he is noted. Woods, while Governor of this State, proved himself to be a corrupt and profligate official, and we are confident that if he should run for office in this State, that not more than one-half of the Republicans could be induced to vote for him.

The paragraphists who lent a helping hand to Sarah Bernhardt will doubtless remember that Mrs. Langtry has a husband just six feet high.

A Delicious Appetizer. That ensures digestion and enjoyment of food; a tonic that brings strength to the weak and rest to the nervous; a harmless diarrhoea cure that doesn't constipate—just what every family needs—Parker's Ginger Tonic.

The Legislature of the State of Oregon meets in Salem next Monday. It looks at the present time as if a great portion of the session would be consumed trying to solve the Senatorial question.

NOTICE IS HEREBY GIVEN THAT the undersigned, administrator of the estate of Wm Deury, has filed his account for final settlement; and that Monday, November 6, 1882, has been fixed by the court for the hearing of objections to such final account and the settlement thereof.
