NOTICE.

Notice is hereby given that J. R. Campbell has severed his connection with the EUGENE CITY GUARD. The business will hereafter be carried on by I. L. Campbell, who will collect all debts due the firm of Campbell Bros. I. L. CAMPBELL, J. R. CAMPBELL. EUGENE CITY, August 31, 1882.

Press Opinions.

We herewith present to our readers the opinions of the different papers of this State, on the recent betrayal by the so-called Democrats who voted for Mitchell. It will be seen that the comments are not wholly confined to the Democratic press, but is indulged in by the representative papers of both parties:

The Reveille of Baker City, denounces these men as unworthy of public confidence.

Four Democrats went over to Mitchell, "bag and baggage," on Saturday last. Their constituency will probably ponder awhile ere they return them to the Oregon Legislature. — Hillsboro Tribune. (Ind.)

Lane county has already passed resolutions denouncing Democratic Representatives who deserted Prim, and others will follow in its wake. The Democrats who voted for Mitchell done it in such a manner that many will doubt the honesty of the motive which impelled the change. — Dalles Times-M. (Rep.)

Signin, Sifers, Long and Curtis, four Democratic members of the Legislature with D. M. Dunbar of this county, have gone over to Mitchell. The denunciation of the four Democrats is indulged in by the Democratic State press. It is boldly charged that they were bought. Dunbar's action is a rascally betrayal of his constituents. — Hillsboro Independent. (Rep.)

A large indignation meeting was held by the Democrats of Eugene City on last Saturday evening, at which resolutions were unanimously passed condemning the treacherous conduct of John Long of that county, who disgraced himself and them by voting for Mitchell; and requested him to immediately resign the position he so outrageously disgraced. — Lafayette Register.

One of the Democrats voting for Mitchell has heard from his constituents. It is Long of Lane county. He is declared by a public meeting at Eugene City to have disgraced himself, misrepresented his constituent, betrayed his trust, and brought reproach upon his party. His resignation is therefore demanded by the Democrats of Lane county. Do you hear John Long. — Oregonian. (Rep.)

The course of Representative Long, from Lane county, in staying out of the Democratic Caucus is universally condemned by his fellow members, and we know the Democracy of Lane county will share with the members in this condemnation. The Democracy of Lane county have always heretofore been represented by men who were above suspicion of a violation of their trust. — Standard.

The four Democrats who deserted Prim and have continued to vote for Mitchell have, according to our way of thinking, proven recreant to their trust, and are unworthy of the further confidence of partisan Democrats. We believe these four Democratic member will get their just deserts at the hands of their constituents in the future and be relegated to private life. Mountain Sentinel. (Ind Dem.)

The Democracy of Lane county are very indignant at their Representative, John Long, who, although elected as a Democrat, has been voting for Mitchell and they have met and passed a series of resolutions, demanding that John Long resign the seat he dishonors in the Oregon Legislature: Apparently John has got a-Long to the end of his political rope in Lane county. — a short and far from brilliant career. — Yaquina Bay Post, (Rep.)

The Democrats of Lane county assembled in mass meeting on the 25th inst., with Hon. R. B. Cochran as President, and adopted resolutions strongly censuring Mr. Long, Representative from that county, for voting for Mr. Mitchell. The resolutions request the resignation of Mr. Long. It is probable the request will be made several times before Mr. Long sees it in that light. There's some voting to be done yet, and Mr. Mitchell needs him. — Benizer, (Rep.)

We make no charges of corrupt motives. With motives we have nothing to do. It is enough to know that Senators Curtis and Sifers, and Representatives Curtis and Long, have betrayed the party that elected them, and cast their votes for Mitchell, who, besides being a bitter partisan, is by no means the choice of the better class of the people of the State. That they have abandoned the choice of the Democracy of Oregon as expressed through truer representatives than they, is a fact beyond peradventure or dispute. — Albany Democrat.

We believe every Democrat who has voted for Mitchell, or who will vote for him hereafter, has so voted in consequence of a bribe. This will be the opinion of all men. Many persons and papers who are interested in Mitchell's cause will scout this idea, but they will all believe it just the same. Let these dishonored men remember that in spite of their protestations, which nobody believes, in spite of the mercenary tools of Mitchell, who deceives no one, they are despised by men of all parties. They have betrayed a high and an honorable trust for the sake of a pecuniary gain. No baser epithet can well be applied to any men than properly belongs to them—mercenary traitors. — East-Oregonian.

The Democracy of Lane county feel themselves greatly outraged by the course pursued by their Representative, Long, and for his benefit, they held a mass meeting, and proceeded to call upon Mr. Long to resign the seat he has so shamefully disgraced. It will be in order for Mr. Long to rise to a questing of privilege in joint convention, and make a spread eagle speech to show that he is not "cattle." In speaking of "cattle" we notice that the Legislature is about to pass a bill preventing owners of cattle from cutting off more than one-half the year in marking, hence, we say to our Lane county Democrats this bill will probably become a law before Mr. Long return to his constituents. We give below the action of the Democratic mass meeting held for the benefit of this "Long" who has been cut "Short." — Salem Statesman, (Rep.)

The resolutions adopted by the Democrats of Lane county on the 25th inst., which we publish in another column, are a fitting and stinging rebuke to Representative Long of that county, for his action in voting for Mitchell for U. S. Senator. From their tenor it is evident that Lane county Democrats not only do not want Mitchell, but that they regard the contest which has been going on at Salem for the past two weeks in its true light, namely, as a Republican fight for which and for the results of which Republicans alone should be responsible; and that they do not intend that the Democratic party of Lane county shall assume any of the responsibility of Mitchell's election, or of his acts as United States Senator. In requesting Mr. Long to resign, they simply ask him to do that which is now his clearest duty to his constituents. — Benton Leader.

THREE of Mitchell's strikers, all "claiming" to be Democrats, were in town this week trying to get the Democrats of Lane county to petition our members of the Legislature to vote for J. H. Mitchell for U. S. Senator. They were informed that all the Democrats here were against that individual's election, and most of the Republicans. We are informed that they did not succeed in getting the signature of even one Democrat. The trio departed the next morning after their arrival, looking very crestfallen. The Democrats here will not lend their influence to the election of any Republican. John Long does not even have one Democratic sympathizer in this place.

It is the opinion of the best lawyers that in the event of a failure by the Legislature to elect a Senator there is not such a vacancy as will authorize an appointment by the Governor. The constitution provides that the appointment shall be by the Legislature, and the omission of that body to perform the duty cannot authorize the Governor to perform it for them. Only a vacancy that occurs during a recess of the Legislature, and after an election has been had, can be filled by the Governor's appointment.

The last vote taken on the senatorship at Salem resulted, Mitchell 39; Shattuck, 29; Failing, 14; R. Williams, 7; "Flaxbreak" Williams, 1. Since our last issue Eakin has been voting for G. H. Williams, and Plumer for R. Williams, instead of for Mitchell as heretofore.

A Varied Performance. Many wonder how Parker's Ginger Tonic can perform such varied cures, thinking it essence of ginger when in fact it is made from many valuable medicines which act beneficially on every diseased organ.

Holloway Pills—What is Life Insurance? Apoplexy, &c.—Many people insure their lives to benefit their families by death—how paradoxical is this. To prolong life by preserving the health would be a far more rational manner of assuring it. Apoplexy is swift and insidious in its attack, striking its victim without a moment's warning. Happily a preventive has been discovered—Holloway Pills—the only safe and certain antidote for this disease, they cool the blood and equalize its circulation through the system. To preserve the stomach in a sound condition and the blood pure is the true secret of health. Holloway's Pills will do this most effectually, and thousands owe their actual existence to them at the present day. IMPORTANT NOTICE.—None are genuine unless the signature of J. HAYDOCK surrounds each box of Pills and Ointment. Boxes at 25 cents, 62 cents and \$1 each. Beware! There is considerable saving by taking the larger sizes. HOLLOWAY & Co, New York.
