FIRE DEPARTMENT ELECTION.

W. T. Campbell Elected Chief Engineer and A. C. Briggs First Assistant Chief. The members of the two fire companies, per call of Chief Engineer McClung, met at Dunn's hall, Thursday evening, for the purpose of electing a Chief Engineer and First Assistant Chief. The meeting was organized by electing Mr J H McClung, chairman, and S B Eakin, Jr., secretary. On motion, it was ordered that the meeting proceed to the election of Chief and Assistant Chief Engineer. Mr Geo W Fletcher and J W Christian were appointed tellers. Nominations for Chief being in order, W T Campbell, of E H & L Co No 1, was placed in nomination, and no other name being placed before the meeting, on motion, the rules were suspended, and the secretary was ordered to cast the vote of the Fire Department for said W. T. Campbell. The next business being the election of a First Assistant Chief, Mr A C Briggs, of Engine Co No 1, was unanimously elected. The Chief and Assistant were called, and each made a few well-timed remarks, after which they ordered refreshments. Thus ended the first election for officers of the Eugene Fire Department. False Statements. Under the above head the Prineville News has the following: Last Sunday's Mercury has an account of the lynching at Prineville, as reported by that "early headed boy, the boy who never told—anything else." This was "Nate Gird," who said he was just down from Prineville. That the people looked upon the lynchers as far worse than the lynched. That "Bad Thompson" was boss of the vigilantes, and was under arrest for murder. All of the above statements are drawn from the imagination of "the boy," and are false. Nate Gird has not been in Prineville for six months, but was on his way out here when he heard of the tragedy here, and suddenly concluded that there was no place like home. The Mercury is very litter in its denunciation of the actions of the vigilantes, but we would suggest to our contemporary that a better impression might be made in not being too hasty to publish to the world the statements of one so utterly destitute of veracity as is this same "Nate Gird." Reading School. The following programme will be rendered by the pupils of the Eugene City Public School, in the auditorium, on Friday eve., Jan. 10th, 1883: Chorus—"The Beautiful Silver Sea." Recitation—Alice Powell. Recitation—Ina Park. Duett. Recitation—Jessie Haines. Solo—Emma Test. Recitation—Lewis Bean. Reading—Edward Hausen. Recitation—Myra Norris. Instrumental Duett—Grant Test and Ada Page. Recitation—George Norris. Reading—Rose Migley. Essay—George Whittey. Instrumental Music. Reading—Eva Shinn. Recitation—Andrew Babl. Duett—Etta Hill and Kate Dorris. Leader—Nellie Snodgrass. Death of G. J. Baskett. Among the pioneers of Oregon few are better known than G. J. Baskett, who came to Oregon in 1848 and settled upon a donation claim adjoining Col. Nesmith's place at Dixie, Polk county, and his death will be read with regret by all who knew him. He died at San Louis Obispo, Cal., last Thursday. For some time Mr. Baskett had been in poor health, and through advice of his physician he sought a milder climate in hopes of improvement, but the disease—dropsy—had taken too firm a hold, and on last Thursday the sad news was received by his family that he was dead. Mr. Baskett was married at Pleasant Hill in Lane county in 1850, to the sister of E. L. Bristow, of this city, who, with a family of grown children survive him. Mr. B. always took a special interest in the improvement of horses, and some of the best ever run on our turf were raised and owned by him. He was a gentleman in every sense of the word, a good neighbor, husband and father. His remains will arrive on the Oregon and be taken to Dixie for interment.—Standard. TO LEAVE.—Wm. W. Moore and Geo. Croner leave this Saturday morning for South Bend, Chabais county, W. T., where they have accepted positions in a saw mill. Mr. Moore has been employed on the GUARD for the past four months, and we can recommend him to be a good workman and honest in every particular. We wish the boys success in their new home, both socially and financially. CHANGED HANDS.—The property on Wilamette street, known as the Lockwood lot, was sold to Mr J J Walton, Jr., for \$650, one day this week. Several days after Mr. Walton purchased the property, he sold the south 16 feet to Mr J M Horn. These two gentlemen are talking somewhat of erecting a brick building on the premises. DIED.—An infant child of Mr. and Mrs. Mark Barnett died in this city last Tuesday, aged 4 months. The remains were taken to Portland, Thursday, and interred in the Jewish cemetery. Mr. Barnett and wife have the sympathy of their many friends in this city. PLENTIFUL.—We are informed by a correspondent that Eugene is blessed with an unprecedented number of 69 widows in our midst. What town of 1500 population can beat this? Eugene is always ahead in everything. LANE COUNTY BASE.—We call the attention of the public to the advertisement of this bank in another column. The proprietors, Messrs. Hovey, Humphrey & Co., deserve a liberal patronage from our citizens. LOST.—A small milk cow, recently, by a son of Mr. David Cherry, between the M E Church and his residence. The finder will please return the same to the residence of Mr. Cherry.

Cottage Grove Items.

[FROM OUR SPECIAL CORRESPONDENT.] COTTAGE GROVE, JAN. 12, 1883. Considerable sickness throughout the country. It is the wish that the "Man-About-Town" would come up this way, as he might find out who it is that disturbs our meetings so that the preacher has to stop for a time in the middle of his discourse. It is said to be "some of the young people." Died—Mary S. Small died here, Jan. 5, 1883, aged 8 years, 3 months and 16 days; also Margaret A. Small, Jan. 8, 1883, aged 11 years and 18 days. Both were children of Wm. and Ann Small, and died from that dread disease, scarlet fever. They were buried side by side in one grave. Mr. Wm. Rose has been confined to his bed several days from a cancer in his throat, which has eaten the palate of his mouth entirely off. When last heard from he was somewhat better. He has a family, consisting of a wife and seven small children, who are in extremely straitened circumstances. Died, at his residence near this place, Jan. 9, 1883, Mr. Robert Cochran, aged 41 years, 9 months and 6 days, after a painful illness of more than two months, caused by his accidentally having a needle stuck in his knee, which was broken off. He leaves a wife and six children to mourn his untimely end. At a regular meeting of Cottage Grove Lodge No. 68, L. O. O. F., Jan. 3, 1883, the following officers were duly installed for the ensuing year: C. H. Wallace, N. G.; Frank Whipple, V. G.; Samuel Vetch, R. S.; Calvin Stevenson, Per. S.; J. A. Goudy, Treas.; H. Wright, Guardian. JUNCTION CITY. An Interesting Batch of Items from our Junction Correspondent. The holidays passed off without anything unusual happening. Mrs. Riley Kays, formerly of this city, recently died at her home in Polk county. Wm. Kays and sons have recently shipped several car loads of fine mutton sheep to Portland. We hear it reported that Messrs Kratz & Washburne will erect a large steam flouring mill here next summer. We have been informed that Johnny Williams intends soon to build a saloon on the lot where his old building was destroyed by fire. Several evenings since a slight smash-up occurred here, by a freight train running into some empty cars that were lying on a side track. No particular damage was done, except smashing the draw-heads of several freight cars. T. G. O. I. State Temperance Alliance. The Oregon State Temperance Alliance will hold its twelfth annual session in the city of Albany on Wednesday, Feb. 21, 1883, at 1 o'clock P. M. Article II of the constitution reads: "The alliance shall be composed of delegates elected annually and duly accredited from temperance societies and other organizations devoted to the interests of the temperance cause. The basis of representation being one for the organization and one for every twenty members and one for each fraction over ten." Delegates attending will pay full fares going over the O. & C. R. R. Co's lines to Albany, and will be returned at 20 per cent. of the usual fare, upon presentation of my certificate to the Albany agent, as this certificate will not be honored on the trains. The O. R. & N. Co. will return those attending at 80 per cent. of the regular tariff rates by presenting secretary's certificate to agent at Albany, and those going up or down the Columbia will be required to present a second certificate to the agent at Portland to secure reduction. Every temperance society, church and Sunday school in the State is urged to send full delegations, and let us make this the grandest rally of the hosts of temperance yet held in Oregon. By order of the President, DR. J. W. WATTS, J. E. HOUSTON, Secretary. Another Injustice. Sometime since we referred to the fact of the compensation paid to U. S. jurymen not being sufficient to pay their actual expenses, while many of them were forced to neglect their business at an expense and loss. On Friday prior to the holidays, the jurymen were all excused from attendance here until they were called again, being a recess of about ten or twelve days. Many of these men live in Polk, Lane and Benton counties, and to go home and return costs from \$8 to \$13, and to remain here would necessitate the usual expense during the recess. We learn that the jurymen are not either entitled to mileage going home nor are they allowed their per diem during that time. This is an outrage. It will not be long, under such circumstances, before it will be impossible to get proper persons to serve, as men will find some excuse by which to avoid paying money out of their own pocket while performing public duty. While some of the Federal officials are paid outrageously high salaries, the jurymen who are forced, in many cases against his will, is not paid a sufficient sum to meet his actual and necessary expenses.—Standard. UNCLE TOM'S CABIN TROUPE.—This excellent troupe played at Lane's Hall, last Thursday evening, to a very large audience. The company is a strong one, but most the theater-going people have seen the play so often that it has lost its effect, and many think the play should be prohibited. The acting manager, Mr. Walter S. Moss, is very successful in his tour in the interior, and is deservedly popular with all amusement-loving people. TO CONTRACTORS.—The directors of Goshen school district, No. 13, gives notices to contractors and builders, of their readiness to receive bids for the erection of a new school house. See advertisement in another column. HORSE SOLD.—Mr. Isaac Yeakum sold his horse in Portland, this week, for 90 cents per pound.

Match Hunt.

EDITOR GUARD:—The social events of the holidays had scarcely passed away when the nimrods of Irving and vicinity resolved to prove their skill and wreak their vengeance on the feathered tribe that had nightly disturbed their slumbers. Accordingly, the "shootists" of Irving assembled and selected as leaders Messrs Clay and Green Zumwalt, who selected their men. The 3d of January was the time set for the hunt, and the losing side was to pay for an oyster supper. At an early hour that morning the banging of guns could be heard in all directions, and many a goose squawked his last squawk, and the dying quack of the poor mallard was ushered into eternity without any conscientious scruples by the Irvingites, while the poor Jack-snipe stuck his bill in the mud and yielded up the ghost without the hall to render up his devotions. The scarcity of game cast a gloom over the boys, but the thoughts of an oyster supper served as an incentive. The shades of night found them approaching Fort Irving. They cautiously approached the breastworks of the city, and having successfully "passed the pickets," the grand charge was made and the city was surrendered, the game counted and the losers disarmed and only permitted to retain their pocket arms. Captain Green Zumwalt's side having made the most points, was declared winner. The winners assembled the losers into line, and to the music of an empty coal oil can, played by "Jeems" Bosserman, they proceeded to the sportsman's hall, where an elegant supper was prepared under the management of Mrs. Bosserman and Wimmer. Some boys were seen to kneel who had never knelt before. Toasts and speeches were the order of the night. Mr. James Bosserman gave a few instructions on the science of hunting, and James Yates delivered a lengthy oration on the science of eating oysters, with an illustration. The following is the SCORE: Capt. C. Zumwalt... 212; Capt. G. Zumwalt... 260; L. Gibson... 116; A. W. Bond... 50; J. E. Bosserman... 0; L. Prices Reduced to Living Rates. Meals 25 Cents. Messrs. Kitching & Harfill, two enterprising young gentlemen, purchased the well known Star Restaurant last week. They fully understand every department of the restaurant business, and have made many improvements since taking charge of that eating house. The first thing they done was to reduce the price of meals to 25 cents, which will make them deservedly popular with the farmers of Lane county. If anyone wants a good No. 1 meal we would advise them to give the Star Restaurant a call. It is situated on Willamette street, one door south of Rankin's Bazaar. Local Market Report. A Chinese Murderer who Butchers a Prostitute at Cheney Hung by a Mob: CHENEY, W. T., Jan. 7.—Saturday morning about 10 o'clock a Chinese prostitute named Chang Sow was found lying on her bed and literally chopped to pieces. She was still alive, but soon breathed her last. The weapon with which the murder was committed, an ordinary axe, was found in the room. It was supposed that Leo Chow, who until a few days since was a pantryman at one of the hotels here, was the murderer, and as he had left on the west bound train Saturday morning, a telegram was sent to Conductor Flinn, who arrested him at Riverville. The woman's jewelry was found on his person, and bloody garments and other incidents point to his guilt. He was brought to Cheney on the afternoon train and lodged in jail. At 10 o'clock Saturday night a mob of eighty citizens went to the jail, broke the lock, and in ten minutes Leo Chow was swinging from the limb of a neighboring bull pine. A guard, who had been placed in the jail, made no resistance, and there was but little noise or excitement. The murderer and his victim now lie side by side, and an inquest will be held to-morrow over both.—Oregonian.
