THE GREAT FERRY .- Work has been begun on the great ferry to ply across 'the river at Kalama, for service of the N. P. R. R. Co. The work is under the superintendency of S. S. Hallet. H. Kimble will superintend the placing of the machinery. The keel is being Lane Co. Mercantile Aslaid on the river front, near Smith's naw mill. It will require more than a year in which to complete the work, and will fiurnish labor for many men. Her dimensions are as follows: Length between perpendiculars, 320 feet; length cent purchases for cash, our stock is now over all, 366 feet; breadth of hull, 41 feet; breadth over guards, 73 feet six inches; depth of hole, 13 feet six inches. She will be supplied with a boiler room on each side and two hori- In this county. We cordially invite a careful cramination of our stock, as we know we can zontal noncondensing engines 36 inches diameter and nine feet stroke. She will be furnished with side wheels 27 feet in diameter by eight feet face, Three lines of track will run along the deck, giving a capacity for twentyseven cars. When loaded she will draw about seven feet. The joiner work along the sides will contain state rooms, mess room, saloon, etc., for the accommodation of the crew.

Sunday of last week several boys were in swimming in the Santiam, between Lebanon and Sweet Home, when, says the Albany Democrat, Luellan Williams, a boy of 14, and a son of Mr. Dave Williams, had swam across the river, and had gotten nearly to a ledge in the middle on their way back, when he was taken with a cramp. He cried to the other boys for assist ance, but before help could reach him he was drowned. His body was soon

Another Canadian crank has come to the front, this time with advice and his experience relative to divorce cases, in which he says: Applicants for divorces are invariably blondes. Brunettes are certainly adepts in the art of managing husbands, who not only fear but respect them. Next to the brunette, comes the red-haired woman, who may be safely counted on as being competent to hold her own against any husband.

The bar of a Fall River rum seller was actually closed in unlawful hours, but the suspicious officers observed that he had numerous visitors in his residence. This house was searched several times without finding the whisky getting; but at length, on turning a gas-burner, the beverage ran from the pipe, which had been connected with a door in Eugene City. Organ to the believe barrel in the groggery cellar.

high on the rock in huge letters. Then he was informed by the owner of the property that he might repeat the feat tion. Sale to commence at 1 o'clock, p. m., of to scrape off the disfiguring letters or said day. stand a lawsuit for damages. He could hire nobody to do the job, and so made the ascent, but with far less vim than at first.

It is generally thought that Lander, who was shot by Ramsey, is going to recover. He made a most cowardly assault, and he has repeatedly threatened to kill the town marshal and others, as well as to burn the town. Should be recover, the general opinion is that his room is better than his company, and there appears to be a disposition to put that opinion into practical effect ... Coos Bay News.

A Chicago watchman needs to be put behind bars. He shot and fatally wounded a young lad recently because the latter was found too close to a railroad car which was filled with a valuable freight of watermelons. This wanton abuse of authority should receive heavy punishment and probably will, unless this idiot has political influence among the bosses.

The fires on the shore of Vancouver lake 'ten days ago invaded the logging camps, burning over large tracts in the camps on the Goddard, LaBelle and Attorneys and Counsellors-Anderson places, doing considerable damage. Baxter had about 790 logs caught out, which were destroyed. Work has been resumed in the camps.

Will PRACTICE IN THE COURTS of the Second Judicial District and in the Supreme Court of this State.

Special attention given to collections and matters in second. Work has been resumed in the camps, the fire having spent its force in that vicinity.

The water of the holy well at Mecca has been tound on analysis to contain 579 grains of solid matter to the gallon and is seven times worse than the sewers of London. This explains the prevalence of cholera among pilgrims

OF EVERY DESCRIPTION.

The leading Scientists of to-day agree that most diseases are caused by disordered Kidneys or Liver. If, therefore, the Kidneys and Liver are kept in perfect order, perfect health will be the result. This truth has only been known a short time and for years people suffered great agony without being able to find relief. The discovery of Warner's Safe Kidney and Liver Cure marks a new era in the treatment of these troubles. Made from a simple tropical leaf of rare value, it contains just the elements necessary to nourish and invigorate both of these great organs, and safely restore and keep them in order. It is a FOSITIVE Remedy for all the diseases that cause pains in the lower part of the body—for Torgel Liver—Headaches—Jaundice—Diziness—Gravel-Fever, Ague—Malarial Fever, and all difficulties of the Kidneys, Läver and Urinary Organs. It is an excellent and safe remody for females during Pregnancy. It will control Menstanation and is invaluable for Leucorrhoea or Falling of the Womb.

As a Blood Purifier it is unequaled, for it cures the greans that a ways the blood.

As a Blood Purifier it is unequaled, for it cures the organs that MAKES the blood. This remedy which has done such is put up in the LARGEST SIZED BOTTLE of any medicine upon the market, and is sold by Druggists and all dealers at \$1.25 per bot tle. For Diabetes, enquire for WARNER'S TAFE DIABETES CURE. It is a POSI-SIVE Remedy H. H. WARNER & Co. Rochester, N. Y.
