An Austin small boy was recently discovered purloining some apples from the front of a grocery store. The proprietor gave chase, but failed to overtake him, and was obliged to shake his fist, and shout after him:

"Never mind, my young kid, I'm going up to see your mother about this."

"That's all right," yelled back the small boy, "you just go right along up there. Pa filled a man with buckshot the other day for going to see my ma, and I reckon he's got another dose laid away somewhere for you .-- Siftings.

## AYER'S Cherry Pectoral.

No other complaints are so imidious in their attack as those affecting the throat and lungo; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a triffing or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL line well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. A Terrible Cough Cured.

"In 1867 I took a sovere cold, which affected my langs. I had a terrible cough, and passed night after night without sieep. The doctors gave me up. I tried Aven's Contev Fratorial, which relieved my image, badwed sieep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the Petrorial a perminent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your Cherry Petrorial saved me.

This was tried in small and frequent doses, and to our delight in less than half an hear the little patient was breathing easily. The doctor said that the CHERRY PETORAL had saved my darling's life.
