

The genius of the Heppner Gazette says: A young lover at Walla Walla paid \$40 for a locomotive to run him thirty miles to Wallula to see his girl, and when he got there the family dog run him two miles and didn't charge him a cent. Corporations have no souls.

Messrs. Browne, Abernethy and Bean, of Spokane Falls, propose to invest \$25,000 in a joint stock water company whose capital stock will be \$50,000, and it is proposed to introduce the Holly system of water works, using the falls as the motive power.

Sheriff's Sale.

NOTICE IS HEREBY GIVEN THAT by virtue of an execution issued out of the Circuit Court, of the State of Oregon, for the County of Lane, on the 10th day of November, 1883, by the Clerk thereof, and to me directed, upon a judgment rendered in said Court November 11, 1873, in a suit then and there pending, wherein Laurence McMurray was plaintiff and M. W. McMurray was defendant, for the sum of twelve hundred (\$1200) dollars, and the further sum of twenty-six and seventy-five hundredths (26.75) dollars costs, commanding me that out of the personal property of said defendant, and if none be found, then out of the real property belonging to said defendant on or after November 11, 1873, I make such judgment and costs, I did on the 10th day of November, 1883, levy upon the following described real property, to-wit: Lot No 1, in Block H, in Mulligan's original donation to Lane County, Oregon, now Eugene City, Oregon.

Now, therefore, by virtue of said execution and to satisfy said judgment, costs, and accruing costs and expenses of sale, I will sell the above described real property at public auction to the highest bidder, for cash in hand, at the Court House door in Eugene City, Lane County, Oregon, on Monday, December 17, 1883, at the hour of 2 o'clock p. m. of said day.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifling with the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.
"In 1851 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL, a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."
—HON. F. PARROTIER.
Rockingham, Vt., July 15, 1882.

Group.—A Mother's Tribute.
"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
"MRS. EMMA GIBNEY."
159 West 126th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried."
—A. J. CRANE.
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL."
—JOS. WALDEN.
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles."
—J. BRADGON.
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
