

Too Much for Him.

"What will be the duration of the operation of this equipage at the next halt," inquired a Boston maiden of the conductor.

"Which—who—what?" he gasped, as he stared at her with unfeigned astonishment.

The young lady repeated the question, and the ticket taker looked more blank than ever. Suddenly he smiled and politely said:

"No ma'am; there's no such station on this road; but at the next stopping place I'll let you off, and you can take the down train back."

She said nothing, but thought he was a fool.

He passed on and imagined she was an escaped lunatic.

As to railroad progress in Mexico, the New Orleans Times, Democrat says: "The English were twenty years in building 263 miles of railroad from Vera Cruz to the capital. The Americans have built 2,500 miles of railroad on Mexican territory within five years."

Indian reservations cover 10,821 miles in Washington Territory, about one-sixth of its area.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifling with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctor gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By its continued use the cough was entirely cured. My cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. HOBART FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Group.—A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, MRS. EMMA GIBNEY, 159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effective remedy for coughs and colds we have ever tried. A. J. CRANE, Lake Crystal, Minn., March 15, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. HILGARD, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and will always cure when the disease is not already beyond the control of medicine. PREPARED BY DR. J. C. AYER & CO., Lowell, Mass. Sold by all Druggists.
