Several slanderous reports are in circulation concerning several of our young folks. A man who would circulate such reports is not fit to associate with respectable people. No preaching at the M B Church to-morrow on account of the illness of the pastor. There will be a S S Review concert at 7:30 in the evening. All are invited. Seats free. Mr B J Pengra and daughter, Miss Annie left for East of the Mountains last Thursday, expecting to be gone several months. Henry Stewart, who has been spending several months, returned home this week. We are glad to have his pleasant smiles with us again. Will Pengra, in dumping off some lumber from the car the other day, got one of his fingers mashed, which has compelled him to quit work for a few days, at least. Quarterly meeting was held at this place last Saturday evening and Sunday. Rev I D Driver preached excepting Sunday evening, when Rev J H Wood addressed a large audience. Fred Wilson, Marion Davis and Melvin Davis, of Mohawk were arrested on last Wednesday and brought to this place, they having been accused of stealing five chickens from John Mulkey, and taking them up to Bill Ware's, where they had a chicken feast. They were not spring chickens either, judging from what they cost. The trial was held before Justice Hamilton, who found the boys guilty, and sentenced them to pay a fine of \$25 each and costs, which amounted in the aggregate to \$37.50 each. Not paying their fines they were escorted to Eugene, and incarcerated in the county jail. Boys, be careful: chickens are too costly to feast on, especially when eaten without the owner's permission. Miss Elzina Taylor has so far recovered as to be removed home. Mr Moore, Treasurer of Douglas county, visited Mr Comstock's Monday. Mr J R Kendall has gone to Jackson county to engage in school teaching. Last Monday we had no north-bound mail in consequence of the mail train being delayed out South. Mr Geo Trembly, who has been stopping with Mr Arthur, his uncle, started Friday on return to California. Mrs Bodley and grandson Linn, who have been this winter at Mr Comstock's returned to Portland Tuesday. Hon Wm Allen, the Anti-Woman-Suffragist, was "doing" Latham last Thursday. We now oppose the Amendment is defeated. Shame on the young man that will invade the domestic circle, thereby disturbing the harmony of the marriage relation. Such conduct deserves the indignant rebuke of all respectable citizens. O. Mohawk Items. Blackberies badly injured. Lottie Hayfield intends spending the Summer at Farmington, W T. Stolen property recovered by "Detective" Mulkey. He is death on tracks. John Davis made Mohawk a flying visit last Saturday. Keep good locks on your houses for the hen roosts are gradually being vacated by noted chicken thieves. Mohawk is greatly in need of protection by legal authorities or a standing army. People are getting desperate. They are insulted while at worship. Respectable ladies and gentlemen are hoisted at, passing the road, out buildings pilfered at night, wagon wheels taken off at private parties, widow women's horses fouled and chickens stolen, by a set of vile trash. Boys 14 and 15 years old carry deadly weapons for certain parties, and display them at Sabbath School. We hope our Prosecuting Attorney has energy enough to investigate these affairs. My opinion is he will save the county several thousand dollars expense. They will not endure it any longer. The sooner it's looked after the better it will be for all parties. CITIZEN. ARRESTED.—Last Saturday deputy sheriff Cochran arrested one Abe Smith, at Big Prairie, on the Military road, on a warrant from Yakima county, W T, charging the said individual with stealing three head of horses in that county in September last. [FROM OUR SPECIAL CORRESPONDENT.] March 26, 1884. Weather still unsettled. Mr C E Byers left here one day last week with a bran new peddling outfit. We learn from a gentleman from Simlaw that the wife of Mr A J Doak is very sick. The coyotes are becoming very bold running sheep and howling in open day light, almost in sight of town. Several of our young men left town Monday for the Mountains. From the appearance of their outfits, when last seen, they might have been on their way to the mines. Each had a breech-loading rifle for self defense, we presume. The Suffrage question is being thoroughly discussed by our most able speakers. On the 14th we heard Mr A J Babb speak in favor of woman suffrage. On the 21st, Hon. Wm. Allen spoke against it, and on the 28th inst. Mr C H Wallace is to speak in favor of it. And of course, others will follow. APEX. Monroe Burned. CORVALLIS, March 25.—The principal business block in the town of Monroe, Benton county, was burned at 2 o'clock this morning with the following losses. G W Houck & Co., dealers in general merchandise, building and stock, \$13,000; a small portion of the stock was saved; insurance in the Connecticut and Commercial, \$7,000; L G Thompson, drug store, stock and building, \$2,000; insured, but the amount is not known; S Looney, livery stable, \$2,000; insurance \$400 in the State Investment; shoe shop, \$250. The fire originated in the oil room of Thompson's drug store, and is believed to be the work of an incendiary, as there had been no fire in the store after 4 P M.—Oregonian. Fern Ridge Items. March 21, 1884. Nice weather again. He left too early, but the rope was rotten. Mrs Purkerson is slowly recovering from a painful illness. It was a mistake about R Henderson having gone to Portland. He is still visiting at Mr Sherman's. There is going to be an I O G T Lodge organized at the Ellmaker school house, to-night, 21st. Our young folks will help the good work along with a will. FERN. MARRIED.—Thursday evening March 20th, at the residence of John Cox, in Roseburg, by Rev John Howard, Mr William Woods to Miss Rosa Gage. Mr Woods is an exceptional young man, and Miss Rosa is one of Roseburg's most charming young ladies. They have bright prospects before them; may their pathway never be clouded in the sincere wish of this office.—Roseburg Independent. Mr Woods is well known in this city, and his many friends congratulate him on his matrimonial venture. PURCHASED.—Mr E R Luckey, last Saturday purchased of Prof Geo Collier his residence and property on Ninth street, across the mill creek, paying the sum of \$2,900. Mr Luckey intends building a handsome dwelling on the east half of the lot the coming summer, while Prof Collier has rented the dwelling upon the other part. Prof Collier has owned the property a little over a year, the improvements and land costing him about \$1,600. A pretty good investment. CANNERY MACHINERY PURCHASED.—Mr W H Abrams, of this city, has purchased of J M Hicks & Co, the machinery used in the cannery and has moved the same to his factory. Mr Abrams informs us that he intends continuing the cannery business, but will put up only the better class of fruit. Our orchardists should go to work and weed out all the old worthless varieties of fruits, and plant only the best kinds. It will pay. NEW DEPOT.—A petition has been in circulation in this city during the past week asking the railroad company to build a new depot at this place. The old shanty at this place is a disgrace to the company and the city, and is not hardly fit to house a drove of cattle in. We hope the company will appropriate a few dollars for the purpose. HOPS.—The Patterson and Coughill lot of hops, mention of which was made last week, was sold by Mr A V Peters, at 20 cts per pound. None of the lot was rejected, so we are informed by Mr J M Shelley. CONTRACT LET.—We understand that the contract for the erection of the upper stories of Hendricks & Eakin's and R R Hayes' bricks has been let to Mr D E Rice. Terms, private. NO QUORUM.—At the adjourned meeting of the Council last Tuesday evening, no quorum was present, and the body transacted no business. The Council adjourned to meet Thursday evening, April 3d.

STATE UNIVERSITY.

A column devoted to the interests of the Laurean and Eutaxian Literary Societies, and the State University. ANNA PATTERSON, EDITOR.

Recalled.

Unexpectedly, we have been honored again with the editorship of this column, and we will say once more, that it will be our pride to discharge the duties as truly as our abilities will admit. We had expected that some other one would be selected to fill this place; but as it is, the duties and responsibilities are again given us, and we can but hope that our labors will be worthy the confidence reposed in us.

The Senior Class of 1884.

The following Scientific and Classical students will graduate at the coming commencement: Emma Bean, Bettie Shaw, J R Whitney, W W Cardwell, J M Neville, Geo W Hill, W C Taylor, B B Beckman, J D Fenton, Walter Eakin, Casper Sharples and Robert Collier. Bettie Shaw has been selected to deliver the valedictory address. The class poem will be written by Joaquin Miller and read by Emma Bean. B B Beckman pronounces the address at the tree. The following students will complete the Normal course at the same time: Susie Moore, Nellie Brown, Lillie Porter, Fannie McDaniel, A O Condit, D W Bristow and Turner Oliver. Susie Moore will deliver the valedictory address.

Election.

The following Eutaxian officers, elected the week before, assumed their respective duties last Friday: President, Fannie McDaniel; Vice-President, Nellie Brown; Secretary, Jenny McClure; Treasurer, Mande Tuffs; Marshal, Ida Hendrick; Editor, Anna Patterson. President McDaniel, in response to the calls made from the members, delivered an appropriate address. In well chosen words she thanked the society for selecting her to fulfill the highest office which it is in their power to bestow. She said she would use her best endeavors to preside without partiality, and hoped to uphold the dignity of the office in the rank it has always occupied. She reminded the members that it is only by their co-operation with her efforts, that the work of the society can be successfully carried on, and the objects of its organization effected.

A very pleasant gathering of young people was held at Prof Condon's residence last Saturday evening. The Rev J Trumbull Lee of Portland, will address the Laurean and the Eutaxian societies during commencement week. Summons.

In the Circuit Court of the State of Oregon for the County of Lane. Margaret Allison, plaintiff, vs C H Miller, defendant. To C H Miller, said defendant: IN THE NAME OF THE STATE OF Oregon, you are hereby required to be and appear in said Court and answer to the complaint of plaintiff within ten days from the date of this summons upon you, if served in Lane County, Oregon, and if served in any other County in this State, then within twenty days from the date of the service hereof upon you, and if served by publication of summons, on the 1st day of the April term, 1884, of said Court, which shall be six weeks after the first publication of this summons. And if you fail to appear and answer, judgment will be taken for want thereof, and the plaintiff will demand the relief prayed for in the complaint, namely: That two certain deeds of trust, executed to you by Geo M Miller, conveying to you the donation land claim of Hulm Miller and wife, Notification 3501, in T 16 S, R 3 W, and also the N 1/2 of the donation land claim of John Sippy and Nancy Sippy, Notification 3470, T 16 S, R 3 W, in Lane County, Oregon, be declared null and void and held for naught, and for costs and disbursements of this suit. This summons is published by order of Hon R S Bean, Judge of the Second Judicial District of Oregon, made on the 7th day of March, 1884, at Eugene City, Oregon. JUSTUS J. WALTON, ATT'Y for Plaintiff.

We understand that a certain ex-Laurean living not many miles from this city, has captured one of Eugene's fair school ma'ams and that before the spring has faded into summer she will have closed her career as a school teacher and become a "pedestrian" in name. Last Friday the seniors held in the auditorium their closing election exercises, which consisted of reciting the gauntlet and vocal and instrumental music. The exercises were well carried out, and all did remarkably well, showing that the excellent electionary training they have been enjoying all year, has not been lost. Mrs Spiller deserves much credit for the efficient manner in which she has prepared this and other senior classes for their final commencement exercises. The Laurean editor accuses the Eutaxians of deliberate attempt to destroy certain members of their society. This may be, but never yet has an attempt been made against the Laurean society as a body. Can the Laureans confess themselves thus innocent of design against the peace of the Eutaxians? Last Friday the doors of the Eutaxians hall were besieged by certain young Laureans, whose purpose it was impossible to ascertain, and which purpose, it is still held by some, were of a malicious intent. Brother Laureans, it is time to stop accusing the Eutaxians of plotting against you, as a cloak for your own bad deeds. If Pres Condit's chair broke down, accept it as an omen that the debate was wrongly decided, or that other occupations had rendered him unable to sit; but don't say it was caused by the Eutaxians fighting over their elections, when you know that the Eutaxians never take such methods of settling difficulties. The next time some of your members want to engage partners for a party, don't let them besiege the Eutaxian hall and carry off members from debate and the other duties they owe to their society. MONEY FOUND.—Mr S M Yoran found a couple of packages of money one day last week, on his premises, known as the Goodchild residence. He has advertised for the owner, and if no one claims it within a year, one-half will belong to the finder and the other half will go the county. ELMABAH MILL.—In another column will be found the advertisement of Messrs Crawford & Fuller, proprietor of the Elmabah saw mills. The best of cedar, fir, hemlock and maple lumber on hand at all times, and at cheap rates. Sash, doors and planing to order. Give the mill a call. Notice. Any person wishing to get turkey eggs to set can do so by calling at my residence 2 1/2 miles northeast from Eugene City, or at the Grange Store, Eugene City, at 50 cents per dozen. They are th large black and brown, and yellow or buff. They weigh 18 or 20 pounds at 6 months old and are easy to raise. GABRIEL BOGART. Belknap Springs. Tub and vapor or steam baths given; temperature of water, 185 degrees. Board and lodging given when wanted. The water of these celebrated springs cures rheumatism, scrofula, dyspepsia, catarrh and all kinds of skin diseases. J W HIXON. New Barber Shop and Bath Rooms. (One door North of Post Office.) BATHS, 25 CENTS. EVERYTHING fitted up in the best of order. Shaving and hair cutting done in the most approved order. JERRY HORN, Proprietor. FOR MARSHAL. I HEREBY ANNOUNCE MYSELF AS a candidate for CITY MARSHAL, to be voted for at the election Monday, April 7, 1884. Ed. McCORNACK. FOR MARSHAL. I HEREBY ANNOUNCE MYSELF AS a candidate for the office of Marshal, subject to the will of the people at the poll on April 7, 1884. CHARLES NELSON. FOR MARSHAL.
