AYER'S Cherry Pectoral.

No other come and sare so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AVER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and imag diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1851 I took a severe cold, which affected my lungs. I had a terrible cough, and persed night after night without skep. The doctors gave me up. I tried Aven's Country President, which relieved my lungs, induced skeep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the Presonal, a permanent cure was effected. I am now 62 years old, hade and hearty, and am satisfied your Unitary President, saved me.
