AYER'S Hair Vigor restores, with the gloss and freshness of

routh, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, this hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a woak and sickly growth to vigor. It prevents and cures scurf and dandruff, and neals nearly every disease peculiar to the scalp. As a Ladies' Hair Dressing, the Vigon is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and sliken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHEN writes from Kirby, O., July 3, BSE: "Last fail my hair commenced failing out, and in a short time I became nearly baid. I used part of a bottle of AYER'S HAIR Viceon, which stopped the fail-ing of the hair, and started a new growth. I have now a full head of hair growing vigor-ously, and am convinced that but for the use of your preparation I should have been entirely baid."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Aven's Hain Vition is a most excellent preparation for the hair, I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vition is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRMAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Moss., Feb. 6, 1880. "Eversince my hair began to give al-very wridence of the change which fleeting time procureth, I have used Aver's HAIR Viout, and so have been able to maintain an appearance of youthfulness — a matter of considerable consequence to ministers, ora-tors, actors, and in fact every one who lives in the eyes of the public."

In the eyes of the public." MRS. O. A. PRESCOTT, writing from 18 Elms St., Charlestown, Mass., April 14, 1882, says : "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of Aven's Hain Vigon. It needs but a trial to convince the most skeptical of its value. PREPARED BY CREDIT.

REPUBLICAN CANDIDATE FOR PRESIDENT.

James Gillespie Blaine, the nominee of the Republican party for President of the United States, was born Jaunary 31, 1830, in Union Township, Wash ington county, Pennsylvania. James entered Washington College in 1843, being then thirteen years of age. At the end of the usual four years' course at college he graduated in 1847. From his Alma Mater young Blains went to Blue Lick Springs, Kentucky, and became a professor in the Western Military Institute, in which were about 450 boys. Mr. Blaine married a Miss Stanwood, a native of Maine, who after their marriage was anxious for him to make that State his home. This he de termined to do, and in 1853 the young couple removed to Augusta, where they have ever since made their home. In the following year Mr. Blaine entered into partnership with Joseph Baker, a prominent lawyer of that eity, and the wo purchased the Kenebec Journal. His career in journalism lasted six years. When the old Whig party went to pieces Mr. Blaine joined hands with Gov. Anson P. Morrill in organizing the Republican party in the Pine Tree State. In 1858, when in his session of Congress, and joined the

REPUBLICAN CANDIDATE FOR VICE PRESIDENT.

John A. Logan was born of Irish parentage, in Jackson county, Illinois, Feb. 9, 1826. The infrequent sessions of the school in the new settlement where he lived led his father to take upon himself the education of his son. Upon the declaration of war between the United States and Mexico he volunteered, was made Lieutenant in the First Illineis Infantry, and was for a time Adjutant of his regiment. At the close of the war he studied law with his uncle, Alexander M. Jenkins, In 1849 he was clerk of Jackson county. Subsequently he completed his legal studies at the Louisville University, and was admitted to the bar in 1852. His popularity may be inferred from the fact that in the year of his graduation he was elected to the State Legislature, and in the next year to the office of Prosecuting Attorney of the Third Judicial District, holding that office until 1857. He was re-elected to the State Legislature in 1853, 1856' and 1857, and was Presidential elector on the Buchanan and Breckenridge ticket. In 1858 and 1860, he was
