# Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lunga; none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious ex-posure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured. A Terrible Cough Cured.

"In 1807 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried Aven's Christy Prevoral, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the Petronal a permanent cure was effected. I am now 62 years old, hale and hearty, and am ratisfied your Christy Prevoral, saved me.

Croup. - A Mother's Tribute. Croup. —A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AVER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

MISS. ENNA GEDREY."

159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried.

Lake Crystal, Minn., March 12, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no suc-cess, I was cured by the use of AYER'S CHER-RY PECTORAL. JOSEPH WALDEN." Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. ERAGDON." Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AVER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine. PREPARED BY
