

A Puget Sound Sawmill.

The Port Blakely Mill Company employs 450 men, chiefly in the logging camps, 200 head of work oxen and twenty mules. One of these camps puts 40,000 feet of logs in the water daily. The company loaded just 100 vessels in 1883, with cargoes aggregating 49,189,785 feet of lumber. Twenty-eight vessels were loaded during the first four months of the current year. There were shipped, also, 4,423 piles, 622 spars, 709,368,000 laths, 98,250 pickets, and 200,700,000 shingles. The daily capacity of the mill is 275,000 feet. The largest day's work was 283,000 in a run of eleven and one-half hours. The company owns two steamers and six sailing vessels, and has a large stock with a stock of goods worth \$25,000. A vessel is now being loaded with 250 spars for New York City. This is a good showing for a single firm of the many engaged in lumbering on Puget Sound. Such an industry would be considered a great one anywhere in the world.—Portland, West Shore.

In Dakota married women retain their own real and personal property and may make contracts, sue and be sued, as if single. Neither husband nor wife has any common interest.

The statement is now going the rounds of the press that the only dark horse who was successful in the Chicago convention was Lynch of Mississippi, the temporary chairman.

President Arthur and his cabinet are not going to make the sweat stand out on their brows this Summer in supporting Blaine.

The most nauseating fool is the religious crank who gets excited over the church a Presidential candidate at tends.

Blaine is about as badly tattooed as the stock market at present.

HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have to fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: the entire judgment of its possessors.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never assumed an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

BUCKINGHAM'S 'DYE FOR THE WHISKERS

Will change the beard to a natural brown, or black, as desired. It produces a permanent color that will not wash away. Consisting of a single preparation, it is applied without trouble.

PREPARED BY R. P. HALL & CO., Medina, N.H.

FOR ALL THE FORMS OF Scrofulous, Mercurial, and Blood Disorders, the best remedy, because the most refreshing and thorough blood-purifier, is Ayer's Sarsaparilla. Sold by all Druggists; \$1.50 per bottle, \$3.
