A MARVELOUS STORY
 TOLD IN TWO LETTERS.
FROM THE SON: "28 Cedar St., New York, Oct. 29, 1882."
 "Dear Mother: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect
Ayer's Sarsaparilla
 has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case.
 Yours truly,
W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of
Ayer's Sarsaparilla.
 Six months ago I was completely covered with a terrible humor and scrofulous sores. This humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, **AYER'S SARSAPARILLA.** Glover, Vt., Oct. 21, 1882.
 Yours gratefully,
HIRSH PHILLIPS."

THE MULLIGAN LETTERS.
Text of the Four to Which Mr. Curtis Refers
 Blaine and Logan's Services to the Little Rock Road.
 The following correspondence took place while James G. Blaine was speaker of the House of Representatives.
 AUGUSTA, June 29, 1869.

MY DEAR MR. FISHER.—I thank you for the article from Mr. Lewis. It is good in itself and will do good. He writes like a man of intelligent and comprehension. Your offer to admit me to a participation in the new railroad enterprise is in every respect as generous as I could expect or desire. I thank you very sincerely for it, and in this connection I wish to make a suggestion of a somewhat selfish character. You spoke of Mr. Caldwell disposing of a share of his interest to me. If he really designs to do so, I wish he would make the proposition definite, so that I would know just what to depend on. Perhaps if he waits until the full development of the enterprise, he might grow reluctant to part with his share; and I do not feel that I shall prove a dead-head in the enterprise if I embark in it. I see various channels in which I know I can be useful. Very hastily and sincerely, your friend,
J. G. BLAINE.
 MR. FISHER, India street, Boston.
 AUGUSTA, July 2, 1868.

MY DEAR MR. FISHER.—You ask me if I am satisfied with the offer you made of a share in your new railroad enterprise. Of course, I am more than satisfied with the terms of the offer. I think it a most liberal proposition. If I hesitated at all, it is from consideration in no way connected with the character of the offer. Your liberal mode of dealing with me in all our business transactions of the past eight years, has not passed without my full appreciation. What I wrote you on the 29th was intended to bring Caldwell to a definite proposition, that was all. I go to Boston by the same train that carries this, and will call at your office tomorrow at 12 m. If you don't happen to be in no matter. Don't put yourself to any trouble about it. Yours,
J. G. B.

W. FISHER, Jr.
 [Personal.]
MY DEAR SIR.—I spoke to you a short time ago about a point of interest to your railroad company that had occurred at the last session of Congress. It was on the last night of the session when the bill renewing the land grant to the State of Arkansas for the Little Rock road was reached, and Julian of Indiana, chairman of the public lands committee, and by right entitled to the floor, attempted to put up on the bill, as an amendment, the Fremont El Paso scheme—a scheme probably well known to Mr. Caldwell. The House was thin, and the Fremont interest had the thing all set up, and Julian's amendment was likely to prevail if brought to a vote. Roots and the other members from Arkansas, who were doing their best for their own bill (to which their seemed to be no objection), were in no despair, for it was well known that the Senate was hostile to the Fremont scheme, and if the Arkansas bill had gone back to the Senate with Julian's amendment, the whole thing would have gone to the table and slept the sleep of death. In this dilemma Koots came to me to know what on earth he could do under the rules, for he said it was vital to his constituents that the bill should pass. I told him that Julian's amendment was entirely out of order, because not germane; but he had not sufficient confidence in his knowledge to make the point, but he said Gen. Logan was opposed to the Fremont scheme and would probably make the point. I sent my page to Gen. Logan with the suggestion, and he at once made the point. I could not do otherwise than sustain it, and so the bill was freed from the mischievous amendment moved by Julian, and at once passed without objection. At that time I had never seen Mr. Caldwell, but you can tell him that, without knowing it, I did him a great favor. Sincerely yours,
J. G. BLAINE.
W. FISHER, Jr., Esq., 24 India street, Boston.
 AUGUSTA, Oct. 4, 1869.

MY DEAR MR. FISHER.—Find enclosed contracts to parties named in my letter yesterday. The remaining contracts will be completed as rapidly as possible, as circumstances will permit. I inclose you part of the Congressional Globe of April 9th, containing the point to which I referred at some length in my previous letter of to-day. You will find it of interest to read it over and see what a narrow escape your bill had on the last night of the session. Of course it was my plain duty to make the ruling when the point was once raised. If the Arkansas men had not, however, happened to come to me when at their wits end in despair the bill would undoubtedly have been lost or at least postponed for a year. I thought the point would interest both

you and Caldwell, though occurring before either of you engaged in the enterprise. I beg you to understand that I thoroughly appreciate the courtesy with which you have treated me in this railroad matter, but your conduct toward me in business matters has always been marked by unbounded liberality in past years, and of course I have naturally come to expect the same of you now. You urge me to make as much as I fairly can out of the arrangement into which we have entered. It is natural that I should do my utmost to this end. I am bothered by only one thing, and that is the indefinite arrangement with Mr. Caldwell. I am anxious to acquire the interest he has promised me, but I do not get a definite understanding with him as I have with you. I shall be in Boston in a few days and shall then have an opportunity to talk matters over fully with you. I am disposed to think that whatever I do with Mr. Caldwell will really be done through you. Kind regards to Mrs. Fisher. Sincerely,
J. G. BLAINE.
W. FISHER, Jr.

The following is a New York dispatch to the Chicago papers, which has failed to reach Oregon by the "impartial" and "reliable" Associated Press, or by the specials to our Republican contemporaries:
 New York, Aug. 11.—The Star this morning is authority for the statement that Maria Halpin is in that city, a prisoner in the hands of detectives employed by the Republican State Committee. She is said to be held to prevent the publication of the statements and affidavits refuting the scandalous statement of the man Ball, the reverend agent of the Republicans in the propagation of the scandal regarding Gov. Cleveland. Notwithstanding she is a prisoner, it is learned from a well-informed source that the statement made by Mrs. Halpin and backed by affidavits is in Democratic hands, and will shortly be given to the country.
Tell the Truth.
 [Boston Post, August 1.]
"Tell the truth," was the reply that Grover Cleveland telegraphed to an intimate friend who sent to him for advice as to what action should be taken in regard to the "woman scrape" scandal. Had Blaine been the accused he probably would have telegraphed: "See parbleu at once. Rhinoceros deposited." Grover Cleveland's prompt reply gives a clue to his character and suggests some of the reasons of his popularity among men of sterling worth in all the walks of life and in both the great political parties.
"He Has Taken Bribes."
 N. Y. Tribune, June 2, 1872.
 The startling exposure of Speaker Blaine's venality in connection with the Union Pacific road, Eastern Division, entirely destroys, of course, whatever credit some people may have given to his evasive denial of the Oakes Ames bribery, and puts the whole case of the Credit Mobilier upon a different basis. * * * Now it is shown that Speaker Blaine never deserved his good reputation. He had taken bribes in another case.
 A dispatch received from the City of Mexico states that Chas. Hamilton, who was implicated in the murder of J. N. Brown at Carrie Bradley's bagnio in Portland, was shot according to sentence. Twelve men were detailed from the company to which the soldier murdered by Hamilton belonged, to act as executioners. He died game, seating himself on his coffin and refusing to have his eyes bandaged. Six of the rifles were loaded with ball cartridges and six with blank cartridges. Six bullets pierced the breast of Hamilton and ended the life of a murderous, black-hearted man.
 News from San Francisco states that the last bridge across the Sacramento on the California & Oregon extension road was completed Aug. 16th. In the early part of next month the overland trips to Portland, through the completion of the California & Oregon railway to Delta, will be done in about two days and a half from San Francisco. The fifth bridge, about 33 miles from Redding, has been completed, the grading is finished, and material is on hand for the completion of track laying.
