September 9, 1884. Farmers in this section are through thresh-

ine. Bert Parkes and J W Guiley are running the grist mill at this place. Miss M E Handsaker has been employed to

teach the school at Trent. Born, Aug 21st, to the wife of G W Handsaker, a daughter. It is needless to say Geo is

is happy.

Nine wagon loads of Chinese passed this place last Saturday en route for the hop fields on the Middle Fork. Hop picking is in order now, and not very

good order either on account of so much rain. But there seems to be a determination on the

Public School

The Eugene public school will begin its ession for the coming school year Monday, September 22, 1884. The auditorium has been partitioned to accommodate the new missively to the dispensation of God's provi-dence, in removing our beloved brother from The following teachers will have charge of

## The Markets.

POBTLAND, OB, Sept. 12, 1884. Hers - We quote the following from Coch ran & Co's circular, dated at san Francisco

quiet and wholly devoid of interesting 25th, and continuing three days. The list of features. Sales are impossibilities. Growawards is liberal and well arranged, and the ers demand 30 cents and upwards, and with plans for its complete success well matured, a refusal they store their stocks, believing and with a certainty of a general disposition their demands will be complied with later in on the part of citizens of the county to exhibit the season. New York and London markets whatever of coriosity or merit they may pos remain quiet with little or no business being sess. This annual comparison of the products done, chiefly owing to a disposition to await and resources of our county will be made of the placing of the coming crop on the great value to all our people, and the days thus market. Ficking is rapidly progressing on spent will be the most enjoyable occasion of the this coast, and our estimates of 65,000 bales year. The Association has prepared a fine will be fully verified. Reports from England track for trials of speed and stalls for the exhibition of all kinds of stock in the western porshow that in some localities the crop has imtion of the city, where every necessary facility proved, while in others it has gone worse, will be afforded for the care and safety of and the repports in the main are, they will animals. Bring what you may have ready produce but one-half their usual crop. Rewithout extra preparation, and everyone should ports from Germany are unchanged. Reports of crops in New York State are very gloomy large additions to his buildings where the indeed; the New York Commercial Bulletin pavilion exhibits will be placed, and extra of Aug 29th says: "Reliable reports from efforts will be had to afford the most perfect day. He returned from Eastern Oregon last several prominent growing districts state facilities for the proper display of each article that late hops are beginning to turn red to placed on exhibition. As the time is short, we some extent, and that the outlook is not as urge upon all to call at the drug store of F M flattering by considerable, as it was a few Wilkins and secure a list of premiums offered days ago for quality, equaling that of last and prepare at once to take part in the exhi- and Salem. bition. The very low prices of season tickets year:" Our New York telegram of later should secure the attendance of every person date says that some picking has comin the county.

menced, the crop coming down shorter than was anticipated and of inferior quality. In the absence of any business, we quote the market nominal 25 to 30 cents. Receipts for the week 552 bales. No quotations are given in Portland, the market having not yet opened.

WHEAT-A further depression in Europe weakens the market here. Cannot quote above \$1 05 @ \$1 10 per cental, with dull sales.

OATS-Recent sales were made at 35 cents per bushel. Eaus-271 cents per dozen.

LOCAL MARKET. ECGENE, Sept 12, 1884.

WHEAT-Foreign advices are of a weaker one all round. Last week we quoted wheat at \$1 10 @ \$1 15 per cental in Portland, while now the price is down to \$1 05 @ \$1 10. Ty the above the price would be equal to 50 @ 524 per bushel on board cars here.

OATS-20 cents per bushel. None offering. Hops-No offers are being made yet. Growars have not completed picking yet, and are

not ready to sell. BUTTER-Very scarce at 30 cent per pound. Eggs- 25 cents per dozen. Market not lib

rally supplied. riage or buggy-artistic skill and workmanship Bacon-Sides 15 cents per lb and scarce considered; and to the owner of the team drawhams very scarce at 16 cts; shoulders 124 cts. ing the greatest number of pounds. GEORGE BELSHAW.

LARD-15 @171 cents per lb. POTATORS-Plentiful at 25(6:30 cts per bushe', with indications of lower prices.

FLOUR-\$4.50 per bbl.

HYMENEAL -- Uncle John Dillard, of Dil lard station, although having lived out man's alloted time of three score and ten years commencing, May 2d. Round fully cognizant of the fact that "it is not good for man to live alone," took unto him

self, last week, a wife in the person of a Mr<sup>3</sup> Dillard of Lane county, the former wife of a deceased brother. The fair bride is seventythree years old, and is a most excellent woman, and. "Uncle Johnny" is to be congratulated on his good fortune in securing a

tort him so pleasantly and make his last days so joyous and happy. May they each yet live many years to enjoy each others

smiles and company. -- Plaindealer, BANK CLOSED .- The State Bank-the treasury-is closed. At 4 o'clock yesterday

the massive doors, figureatively speaking, of the State treasury swung to not to be opened again until legally done so by the Legislature next January. All appropriations for carrying on the State works, the pay of officers, employees, schools, etc, were made for two years from the first Monday in September, 1882, and notwithstanding the fact that there is an abundance of

the "lucre" in the vanit, yet it cannot legally be paid out. All bills made prior to this date will be paid, if correct, but if afterwards they must stand over until the pro-per appropriations are made.-Statesman.

FROM THE EAST. -- Mr A S Patterson has

just received direct from the East a large consignment of all kinds of fancy and plain stationery, besides a large invoice of school books and miscellaneous works. If you want goods in this line, you can purchase them at Eastern prices with freight and a small per cent added. Give him a call at the Post Office Book Store.

FINE Hors,-Several bunches of very fine hops were sent to this office this week from the

hop yard of Mrs J H Brown that will bear comparison with any grown in the world. They are exceedingly large and plump. One of the ings, might be saved sound and whole. This well matared and good sized hops. If anyone the blood, and by which such complaints are orignated and fed.

the different departments; Principal-Prof W T Slater; Second grade -Nettie McCornack; Third grade-Augusta Patterson; Fourth grade-Gertie McLafferty; Fifth grade-Mattie Dickenson; Sixth grade-Mae Underwood; Seventh grade-Mrs T C Jackson. The attendance promises to greatly exeed the number present last year.

GRAND TREASURER L. O. O. F .-- J J. Wal ton, Grand Master, I O O F for Oregon, has tendered the appointment of Grand Treasurer, made vacant by the death of the late incumbent, Col I R Moores, to Hon J W Wright, of Chemeketa Lodge No 1, Salem. Mr Wright has accepted the appointment and will at once enter upon the duties of the office. The Grand Master has made a good selection, as Mr Wright is well known throughout the State as a man of sterling integrity and possessed of the best of qualificaions for the position.

WILLAMETTE STREET .- The Council has

ardered Willamette street improved from the O & C R R depot to Eleventh street, the work to be completed by December 1, 1884. It will be about one week before bids will he received for the work. The lucky bidder will be required to give \$2,000 bonds for the faithful performance of the contract.

To Hop GROWERS -- We would caution op growers against sending or contracting their hops to parties representing commission houses in Portland, as they will surely lose thereby. Our merchants, who are reliable nen, will pay all the market will permit, and growers will make more money by selling to

them. RELEASED ON BAIL .- Isaac Sylvester, who was arrested here several weeks ago by Sheriff Campbell upon a warrant from Umatilla county charging him with having set fire to the town of Weston last Fall, has been released upon \$1,000 bail.

PAPER PURCHASED .-- Lon Cleaver has aban loned the tooth carpentry business and has purchased the La Grande Record, and will im mediately assume the editorial pen. We wish him su cess in his new calling, but hardly think he has made a wise change financially speak ing.

RESIGNED .- Mr Jacob Conser at the last neeting of the Council, resigne 1 his seat therein on account of deafness. He made an ercellent member of that body, and the people of Eugene are sorry to learn that he has been compelled to resign.

PROPERTY SOLD .-- Last week Mrs M U

perty in the western portion of town for \$1,400.

BLACE MULTES. -- If nothing happens there will be a car load of Polled Angus cattle at the State Fair, and they will be for sale.

Wood is wanted at the GUARD office subscription account.

The river rose three and a half feet at this place Wednesday night.

The name of the new Republican paper will be the Eugene City Register.

A Cleveland and Hendricks Club will b organized in this city in the near future.

A fine stock of boys' clothing just received at Bettman's. Call and examine the goods. Miss Mary McCornack has gone to Independence to take charge of a class in music. The true harbingers of the near approach of

Winter, the geess, have commenced their annual flight southward. Mr Robt M Day has been appointed to the Council vice Mr Jacob Conser resigned. A

good appointment. Mart Van Winkle, the horse shoer, can be found at the old stand opposite Stewart's

stable on Ninth street. Bettman has just received from the East a very large stock of boots and shoes which will be sold very cheap.

A young man by the name of Jos Smart, residing near Mr Pepiot's on the McKenzie, died last Monday evening.

Miss Mary Hill has gone to Portland where she has secured a position as teacher a one of the public schools of that city. Religious services will be held at Rhine hart's Hall next Sabbath by the Universalist

Society at 11 A M. Sabbath School at 12 m. A man broke into a store at Junction Thursday and abstracted \$12 from the till. He was arrested Friday moraing by Sheriff

cent resources so advantageously and admira-bly set forth. The number also contains inter-esting miscellany, a valuable article on the "Discovery of the Rocky Mountains," and a continuation of Newton H Chittenden's explor-ations of Queen Charlotte Islands. 'THE FAITHFUL—Atter advertising liberally and a grand amount of drumming on the streets, about one-half dozen of the Faithful, belonging to the Blaine and Logan Club as sembled at the Court House to make arrange-ments to attend the demonstration to be held in Portland on the 24th inst. It was announced

THE FLAVEL CASE DISMISSED, -- In the United States District Court Tuesday, Judge wishing to attend the meeting at \$3.50 for the fround trip. But it seemed so chilly in the large room that the few present quietly blaw out the lights and silently and sorrowfully de-parted, hidden ty the derkness of the night. It will be darker still in November for the few faithful that run the G O F in Lane county and in the United States. DIED.-In Eugene City, Sept 8, 1884, of brain fever, Mrs Mary T Meller, aged 32 years and 4 days. The remains were buried in the Maaonic cemetery Tuesday, Sept 9th. Mrs Meller was highly esteemed and beloved by her many friends in this city. She had a

HARVEST.-It is an old saying that misforpleasant and loving disposition and was always tunes never come singly. Such seems the case with our farmers this year. The severe depression in the wheat market is followed closely by heavy rains which threaten the destruction of a large portion of the crops. It has rained pretty steadily for the past six or seven days. Since Thursday it has rained none, but at Fri-day noon it is cloudy and threatens rain. Far-murs inform us that the standing grain is not yet seriously damaged, but that the grain in the shock is hadly injured and has commenced sprouting and if the rain continues a few days it will prove a total loss. The hope are all right, yet. It is estimated that one-fourth of the grain in the county has not been threshed. heavy rains which threaten the destruction of

ARRESTED FOR SEDUCTON.-Last week Sam street will not be completed for these weeks Rosenblatt, oldest son of Mayer Rosenblatt, street will not be completed for three weeks vet. As will be seen by the above the Pro-fessor is not afflicted with any of the egotistical notions of some of our self-important public men. Simplicity and common sense is always to be admired. It is psculiarly unfortunate that some of Eugene's capitalists do not build a number of neat cottages for rant. HEARD FROM.—Monday we received a
