## PERSONAL AND IMPERSONAL.

-Miss Kate Blake is a new beauty discovered in the south of England, and

is said to rival Mrs. Langtry. -Miss Minnie Goubley, of New Haven, Conn., is thirteen years old and weighs three hundred pounds.-Hartford Post.

-Mrs. McK. Twombly, daughter of William H. Vanderbilt, has, among her other possessions, a parasol of black satin and Chantilly lace that cost \$500.-N. Y. Sun.

-Maggie Mitchell refuses to play Sunday evenings. She was offered a guarantee that her houses on two Sunday evenings would agregate \$2,000, but she refused.—Chicago Journal.

-Paul A. Phipps, of Littleton, N. C., was on his way to Nebraska to look at land when an Iowa cyclone overtook him in the western part of that State and frightened him to death.—

Chicago Tribune. -Senator Edmunds is not only an expert fisherman, but he is a first rate amateur cook, and can broil a fish or make a punch with equal facility. It is said he takes great pride in the latter accomplishment, and is often called upon by his friends to exercise his skill. Troy Times.

-Archbishop Kenrick, of St. Louis, is now seventy-eight years old, but hale and vigorous. Visiting Philadelphia not long ago, he found a carriage placed at his disposal when he was going to a certain asylum to say mass. "No, my children," said he, "I prefer to walk." - Philadelphia Press.

-Bartley Campbell, the play-writer, is described as "tall, spare and slim, with a wide expanse of forehead, wavy hair, parted in the middle, and an earnestness in his manner and way of talking that seems absolutely incompatible with the creation of humor that is so prominent an element in some of his plays.

-Paul Eudel, the French exposer of art frauds, assures amateurs that it is no shame to them if they are now and then taken in, for there is no cabinet of curiosities without its false pieces. The provincial museums of France, and even those of the capital, contain them. The grand cabinet of medals of the National Library holds a certain number of notorious frands.

-Washington Wells, a man of seventy, born of-colored parents in Warren County, Va., visited Hagerstown, Md., recently, and was an object of interest, from the fact that his skin has changed to that of a white man. The change commenced sixteen years ago, and has now progressed so far that the color has disappeared from nine-tenths of his person. His case has puzzled the medical fraternity.—Baltimore Sun.

-"Rowser" Wit, a colored boy who died recently at Greenville, Vt., at the age of sixteen years, was, says the Boston Journal, a most remarkable example of a skeleton. Ten months after his birth his flesh began wasting away, and though he increased in stature, it was in bones only. He grew to five feet in height; with a well-developed head and neck, but the rest of his body was strictly skin and bones. When held in front of a strong light the pro-cess of digestion could be observed in He had never walked or his body. talked.

# "A LITTLE NONSENSE."

-"You don't mean to send us across the river in that horrid old boat, with that little boy?" "Tis all right, mum.

Accently at Lacien, France, an attempt through carelessly placing the wrong labels through carelessly placing the wrong labels shot was fired at him by a radical student, that little boy?" "Tis all right, mum.

The would-be regicide was arrested and The raising of flax has assumed im-Sure, an' the b'y can shwim loike a dook!"—Fliegende Blatter.

-"I admit," said the young lawyer, that I am not a very good man; but then, how could you expect it of me? It's practice that makes perfect, you

know; and that I haven't got." "Halloo!" shouted one boy to another whom he saw running wildly down the street. "Halloo! Are you training for a race?" "No," called back the flying boy, "I'm racing for a train."

-High tea: "Which part of the the cake will you take, Johnny?" "Oh, I'll take the soprano, I guess." "The soprano, what do you mean?" "The upper part, of course, ma!"-Burlington Free Press.

-"Yes," said a Denver man to his wife, "in the past week I have seen two rainbows, both red." "I can tell you the next thing that you ought to see, remarked the lady, quietly. "What is that?" "A doctor."—N. Y. Sun.

-Scene: Table d'hote at fashion-—Scene: Table d'hote at fashiou-able hotel on Deeside; big market day. Farmer of the old school has dined. Waiter—"Finished, sir?" Farmer— "Fat's the chairge?" Waiter—"Five shillings, please." Farmer (startled)— "Five shillin's? Weel, I'm nae deen yet." Resumes operations.

-Amateur Farmer (showing pet Jersey bull to friend from the city, who obstinately persists in staying on the other side of the fence)— 'He's perfectly gentle, George. See him come to me when I call him." Friend from City— "Oh, yes; he does that all right for me, too; the trouble is he doesn't mind when I tell him to go away."-Chicago

-- 'Won't you have another biscuit, Mr. Dumley?' asked the landlady politely; "I made them myself. Jane, pass Mr. Dumley the biscuits. "Thanks, no," replied Dumley. "won't eat any more of them, but might put a couple in my pocket. am going into a dangerous quarter of the city to-night, and, unfortunately, I left my revolver at the office."-Bos-

ton Post. -.. Why," he pleaded, "our very cir-Meats delivered to any part of the city free junis cumstances bind us together; our similar tastes, our friendship, long acquaintance"— "Yes," she replied, "even age, could bind us together."

"What age, dearest?" he asked. "Mucilage," answered she, gluemily. A minute later, as he paste up and down the room alone, he realized that his failure was gumplete.—N. Y. Indecle say

— 'There is not going to be any more marriages in Indiana,' said old Judge Daniels, a crusty old bachelor. 'How is that?' asked his nephew, who had just got married. "I see the Legislature has passed a law forbidding weak-minded persons to marry, and they are the only ones who ever think of doing such a thing." As old Daniels is rich, both the nephew and his young wife laughed heartily at the wit of the old man.—Texas Siftings.

Buyer season. (19, 100 and 13 In Buyer 1884, city. 1 30 In Si) per ton.

BARLEY—The market did not present so strong a front last week. Fancy Feed changed hands in retail fashion at \$1, but ordinary grade are hardly quotable at over 87c, while possibly a lower figure would be accepted if holders be anxious to realize. There are liberal offerings of No. 2 quality that can be bought at 87c, and probably less, while samples of yet is perfectly property of the shooting in the Northwest. He is the author of the Historical Map of the lateral offerings of No. 2 quality that can be bought at 87c, and probably less, while samples of yet is property of the shouting for the lateral offerings of No. 2 quality that can be bought

No. 1 Feed-
