

Big Libel Suit.

After quoting several paragraphs from different issues of the Northwest, not perhaps complimentary to Prof. Chaney, that individual, in a voluminous complaint, now on file in the Circuit Court, thus acquits himself: "Plaintiff further alleges that said publications and representations were false and malicious, and by reason thereof plaintiff has been and is greatly injured and prejudiced in his reputation as an attorney and public lecturer, and in all his business for supporting himself and family, and has also lost and been deprived of great gains and profits which would otherwise have arisen and accrued to him in his said profession as attorney at law and public lecturer, and in his business generally; that by reason of the premises plaintiff has been injured in his reputation and credit to his damage ten thousand dollars." (Signed) W. H. Chaney, who certifies that he will appear as his own attorney in the case—a fortunate matter, perhaps, for the Portland bar.

Mr. Shelly, of Polk county, has a very unfortunate nose, says the West Side. When a boy he broke it while playing ball. A few years later he was thrown from a horse and broke it again. On Tuesday evening his 2 year old child, whom he was holding on his hip, hit it a blow with his head, breaking it the third time. Mr. Shelly has concluded to give the unfortunate nose another chance, and now he has it ornamented with strips of court plaster.

Mayor Yeiser of Seattle is a "thoroughbred." He recently borrowed from Eastern capitalists \$300,000; paid off \$50,000 pressing claims against himself, and now announces his intention to lend the remaining \$250,000 to his deserving fellow citizens, who are financially "good" but cramped for ready cash.

Frank Lewis, Corvallis' favorite foot-racer, recently beat Stone of Sacramento, the fastest in that part of California, winning \$5,000 for himself and backers. Lewis has few, if any, superiors in a 100 yard race.

D. R. SPINNEY,

No. 11 Kearney Street. Treats all Chronic and Special Diseases.

YOUNG MEN

WHO MAY BE SUFFERING FROM THE effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever offered to suffering humanity. DR. SPINNEY will guarantee to refund \$100 for every case of Seminal weakness or physical debility of any kind if cured, which he undertakes and fails to cure.

MIDDLEAGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a tiny sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin whitish hue, again changing to a dark and turbid appearance. These are many signs to which the medical faculty, ignorant of the cause, which is the second stage of seminal weakness, Dr. S. will guarantee a perfect cure in such cases, and a healthy restoration of the genito-urinary organs.
