Add to this dried fruit, which he always had, but which will bring nothing this year, and see what diversified farming comes to. Please tell the editor to sing a different song until Portland or some other town gets enough enterprise about it to build some factories and bring some people duce. Wheat raising as a specialty will hold out just as long as cent per cent holds out in Portland.

Says the Benton Leader: "The people who are visiting Newport are having bushels of fun bathing in the surf. The bathing suits are of rather nondescript pattern or patterns. Each wearer getting up a suit out of the material at hand, We understand that some of them are works of art in their way. A young lady in describing them to us held her sides at the recollection. Everything from an old calico dress tied lown at the ank - feet, to a base took the pastry on his dress. It was a long bolster tick. At one end he cut a hole to put his head through and two in the sides for his arms, while a piece of cord around the waist completed the effect. We have not heard of any one bathing in the Georgia militia uniform yet, but suppose it is done further down the beach in the shelter of the rocks."
