"I wish you would try it, Professor." "You do?"

"Yes, pa is awful jealous. 'He is lying with a shot gun right now for a man who called on ma. I reckon you had better go and buy a lot in the cemtery, for pa is awful on the hoot.

An edict of the Spanish Government which went into force last year frees one slave in in four every year. This will extinguish slavery from the island in 1888. A large planter from Cuba being interviewed, said: "Slave labor is not profitable in Cuba. I have worked and owned 600 on my plantation, but now do not own a slave, and hire all my laborers, and find it better and cheaper." The value of slaves has so decreased under the order for emancipation that thousands of them purchase their own liberty and hire themselves out to raise money.

Thomas Callahan and his wife were divorced about a year ago, but pres ently concluded that they had made a mistake and were married again by a Justice. Very soon it appeared that the Justice had forgotten to make out any certificate, and as the easiest way out of the matter, they were married to each other for a third time not long ago.-Hartford Courant.

Wm. Newhouse, of Marion county, appears at the experienced ago of seventy-two as plaintiff in a divorce suit. Young people cannot be expected to press forward with a long life before them with necks chafed by a galling yoke, and all must sympathize with the determination in this case to throw it off thus early in the journey.

KING'S EVIL

Was the name formerly given to Scrofula because of a superstition that it could be cured by a king's touch. The world is wher now, and knows that

SCROFULA

can only be cured by a thorough purification of the blood. If this is neglected,
the disease perpetuates its taint through
generation after generation. Among its
earlier symptomatic developments are
Eczema, Cutaneous Eruptions, Tumors, Bolls, Carbuncles, Erysipelas,
Purulent Ulcers, Nervous and Physical Collapse, etc. If allowed to continue. Rheumatism, Scrofulous Catarrh, Kidney and Liver Diseases,
Tubercular Consumption, and various other dangerous or fatal maladies, are
produced by it.

Ayer's Sarsaparilla

Is the only powerful and always reliable blood-purifying medicine. It is so effectual an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious diseases and mercury. At the same time it enriches and vitalizes the blood, restoring healthful action to the vital organs and rejuvenating the entire system. This great

Regenerative Medicine

Is composed of the genuine Hondurus Sarsoparilla, with Yellow Dock, Stillingia, the Iodides of Potassium and from and other ingredients of great potency, carefully and scientifically compounded. Its formula is generally known to the medical profession, and the best physicians constantly prescribe AYER'S SARSAPARILLA as an

Absolute Cure

For all diseases caused by the vitiation of the blood. It is concentrated to the highest practicable degree, far beyond any other preparation for which like effects are claimed, and is therefore the cheapest. as well as the best blood purifying medicine, in the world.
