

The kind of a girl they grow in Rose valley, Prince Edward Island, is illustrated by the following incident which took place at Breadalbane last week: One of the fair maids of the valley drove in a single wagon and pulled up in front of a store occupied by a well known oat speculator. She gracefully alighted from the vehicle and inquired the price of flour. The proprietor was standing in front of the store in conversation with a number of friends. He pointed to a barrel of flour on the platform, and said: "Miss M—, if you put that barrel of flour in your wagon you can have it for nothing." It is known that the gentleman who made this reply is not given to charity or liberal with his fair share of the world's goods, and his astonishment and disgust may be more easily imagined than described when the fair maid of Rose valley gripped the barrel and landed it clean over the front wheel into the body of the wagon, took her seat upon it, and thanking the merchant for his kindness, drove off amid the cheers of those who witnessed the act.—Toronto Mail.

The venerable statesman, Horatio Seymour, has an article on Grant in the October number of the North American Review. It is probably the shortest article ever written for any review in the world. Here it is: "While I was not intimate with Gen. Grant, we were always upon pleasant terms. I held him in high regard. His words on his death-bed, like his deeds upon battle-fields, served his country. They strengthened our Union by promoting good will between all sections. HORATIO SEYMOUR."

The late Democratic Legislature in Ohio did some practical work for the labor of that State. It passed a law, which goes into effect this month, requiring all wages to be paid weekly in cash. This cuts off the "store pay" swindle, which especially at coal and iron mines, has kept labor always under.

The taxable property of Baker county, for 1885, as reported to the secretary of state is \$2,000,000. The taxable property for last year for the same county was \$1,966,000.

Germany may be in a pacific mood as the official dispatches represent, but her navy is getting ready for emergencies.

Seats in the New York Stock Exchange which used to sell for \$35,000 can now be got rid of for \$20,000.

All persons indebted to E. W. Whipple & Bro's, either by note or book account will please call and settle the same. Our store is burned and we must collect the money due us.

**THE BEST**  
Hair restorative in the world is HALL'S HAIR RESTORER. It cures all diseases of the scalp, and stimulates the hair follicles to beautiful action. It stops the falling of the hair; prevents its turning gray; cures baldness, and restores youthful color and freshness of appearance to heads already white with age. The following are a few illustrations of what is done by  
**HALL'S Vegetable Sicilian HAIR RESTORER:**  
Mrs. HOSKINNEY, 344 Franklin Ave., Brooklyn, N. Y., after a severe attack of Erysipelas in the head, found her hair—already gray—falling off so rapidly that she soon became quite bald. One bottle of HALL'S HAIR RESTORER brought it back as soft, brown and thick as when she was a girl.  
Mr. KESLING, an old farmer, near Warsaw, Ind., had scarcely any hair left, and what little there was of it had become nearly white. One bottle of HALL'S HAIR RESTORER stopped its falling out, and gave him a thick, luxuriant head of hair, as brown and fresh as he ever had.  
Mrs. A. T. WALL, Greenfield, Cheshire, Eng., writes: "I have found the greatest benefit from the use of HALL'S HAIR RESTORER. It has restored my hair, which was rapidly falling off, and returned its original color."  
Dr. EMIL SEIP, Detroit, Mich., certifies that "HALL'S HAIR RESTORER is excellent for hair growing, and gives back the natural color to faded and gray hair."  
Mrs. S. E. ELLIOTT, Glenville, W. Va., says: "One bottle of HALL'S HAIR RESTORER restored my hair to its natural, youthful color."  
No injurious substances enter into the composition of HALL'S HAIR RESTORER, and it is not a dye. Its vegetable ingredients render it the highest degree beneficial to the scalp as a preventive of disease. Its effects are natural and lasting, and it does not make the hair dry and brittle, like the so-called restoratives compounded with alcohol.

**Buckingham's Dye FOR THE WHISKERS**  
Is, in four respects, superior to all others.  
1st—It will produce a rich, natural color, brown or black, as desired.  
2d—The color so produced is permanent, cannot be washed off, and will not soil anything with which it comes in contact.  
3d—It is a single preparation, and more convenient of application than any other hair or whisker dye.  
4th—It contains no deleterious ingredients, as do many preparations offered for like use.
